Easter Egg Hunt

The Annual Steeplechase Easter Egg Hunt has been a growing success and we need more volunteers to help with this great family event. If you would like to participate please call Barbara Lopez at 281-469-3889.

Communications Committee

Did you know that this Newsletter is produced and delivered to your home at no cost to Steeplechase residents? Advertisers pay the production and mailing cost and volunteers prepare the information and articles which are transmitted electronically to the publisher.

We need help gathering newsworthy community information and editing the contents of our monthly newsletter. If you can assist in any way please call Board President Betty Hattman at 281-897-9298 or e-mail: newsletter@steeplechasetx.com.

Tennis Gate Keys

The tennis gate is being repaired and will then be locked for security reasons. If you need a tennis gate key (the keys were not changed so your old key should work), please call Nina at PCMI – 281-870-0585. The cost for a new key is \$20 and is restricted to Steeplechase homeowners (or tenants) in good standing.

Tennis players – please lock the gate when you leave and turn off light timers.

Pool News

The Pool Committee has been busy since the pool closed on Labor Day. The Steeplechase pool contract was put out to bid this fall and a new company- Sweetwater Pools- has been hired to manage our pool in 2005.

Some of the many services offered by Sweetwater Pools include:

- Full-time, mature facility manager and assistant manager
- Daily on-site inspections by experienced supervisors
- Comprehensive aquatic programs
- Experienced in-house Service department
- Sponsorship of community events such as "teen night"

This pool company's references are great and we are very excited about working with them in 2005 and beyond. As always, new pool committee members are welcome: so if you are interested in the pool please consider volunteering – simply call Myla Chandler at 281-870-0585 – the next meeting will be in February so call today!

And please remember the Pool Committee Garage Sale and Raffle – Saturday, March 5th.

Support your community pool!

STEEPLECHASE

2nd Quarter Steeplechase Safety Awareness Event...

We are excited to announce our second Steeplechase Security Safety Awareness event planned for 2005. The Sheriff's Department will offer a RAD class for women. This is a Rape Aggression Defense Class that is appropriate for Ages 12 years old and up. Most people don't think about abduction unless someone has just been abducted and the Department wants us to know how to handle ourselves if we were ever in this terrible situation. The class is a total of 15 hours long and it teaches all ages how to defend themselves in a life threatening situation. Don't be a statistic!

There is a sign up sheet for this event because the class will only hold the first 30 women who sign up. It is a big commitment so please take this seriously. We will also have a wait list that you can sign up on once the first 30 names have signed up and we will work this list until everyone that wants this opportunity to attend has that chance. This class is for 5 nights and is 3 hours long each night. We currently have dates scheduled for May 16th, 17th, and 18th, 23rd and 25th from 6:00 – 9:00 pm at the Steeplechase Clubhouse. If you have any questions or would like to sign up, please contact Barbara Lopez at 281-469-3889.

Our wastewater treatment systems are aerobically based. Materials are broken down naturally by microorganisms and bacteria which are killed by chlorine found in many consumer cleaning agents. Chlorine free products are beneficial to maintaining the health of our new treatment systems. Myla Chandler has provided some suggestions for alternative cleaning solutions which may eliminate the use of chlorine.

Alternative Recipes to Hazardous Household Products:

Drain Cleaner Recipe:

- Pour ½ cup baking soda into the drain followed by ½ cup white vinegar.
- Cover tightly for 15 minutes and then flush with boiling water. Repeat if necessary.
- A mechanical snake may be needed to clear hair-clogged drains.
- For standing water, use a plunger or snake.

*Texas Agricultural Extension Service

Oven Cleaner Recipes:

Use any of the following mixtures, and scrub with a copper scrubber:

- Baking soda and water, keep sprinkling the soda on, scrub off.
- 2 tablespoons castile soap, 2 teaspoons borax in 2 cups water, apply and let sit 20 minutes, scrub off.
- Baking soda, salt, water (make paste) then scrub off.
- Sprinkle salt on fresh spills for easier removal.

* Washington Toxics Coalition

Toilet Bowl Cleaner Recipes:

Use any of the following mixtures:

- Sprinkle ½ cup baking soda into bowl, add 1 teaspoon vegetable based soap, and 2 drops hydrogen peroxide, scrub with toilet brush.
- For tough stains, coat bowl with a paste of lemon juice and borax, let stand for 2 hours, then scrub.
- For moderate stains, sprinkle baking/washing soda, moisten with vinegar and scrub with brush.

*Texas Agricultural Extension Service

Laundry Recipes:

- Bleach Alternative – Mix: 1 part hydrogen peroxide to 8 parts water, soak for ½ hour. Borax also works well as a substitute.
- Ink Stains: saturate stain with alcohol based hair-spray, blot with rag. Repeat until stain is removed, launder as usual.
- Oil Stains: rub white chalk into stain before laundering.
- Use phosphate free soaps.

Parents: Make Healthy-eating A Family Affair, Not Family Feud

Baylor College of Medicine

HOUSTON – (Jan. 13, 2005) – Encourage your family to make healthy food and fitness choices together this year, say experts at Baylor College of Medicine in Houston.

“Parents can help get their kids on the right track by encouraging healthy habits rather than focusing on weight problems. Supporting their kids’ positive actions, like going on a long walk every day or eating more fruits and vegetables, is one of the most important things a parent can do,” said Joan Carter, a registered dietitian at the USDA/ARS Children’s Nutrition Research Center at Baylor College of Medicine and Texas Children’s Hospital.

Helping kids conquer their unhealthy tendencies is a team effort between parent and child. A few tips for parents include:

- Enlist kids to help do a ‘kitchen and pantry makeover.’ Replace high-calorie sodas, teas and drinks with low-calorie versions or bottled waters. Stock the pantry with whole wheat crackers and single-serve canned low-sugar fruits like mandarin oranges. Buy a microwavable ‘hot air’ popcorn popper for low-calorie snacking.
- Step it up. Buy inexpensive pedometers for everyone in the family and create a friendly family member competition by posting everyone’s daily step totals on the refrigerator. Experts recommend kids log 5,000 and 7,500 steps per day.
- Pay attention to portion sizes. It is harder for kids to stop eating when they are full and food is still on their plate.
- Make healthy eating a team event. Go grocery shopping together and make cooking dinner a fun activity for children.
- Limit television- watching or any sedentary activities like video games to less than two hours per day. Turn on the music and dance instead.
- Limit sodas, sweet tea and juices to just one 8 oz. serving per day to cut back on empty calories.
- Ask children if they are hungry when they want a snack. Kids have a hard time knowing when they are full and may be tired or bored.

Top 10 Ways To 'Lighten Up' In 2005

Baylor College of Medicine

HOUSTON — (Jan. 13, 2005) – Resolving to shed post-holiday pounds? You don't have to resort to a crash diet, say weight-loss experts at Baylor College of Medicine in Houston.

Molly Gee, a nutritionist at BCM, suggests that a few simple guidelines can help you lose or manage your weight:

- Don't arrive hungry to restaurants or parties.
- At restaurants, split an entrée or order an appetizer as a main course.
- Eat less; talk more – leave food on your plate.
- Move more – take the stairs instead of escalators or elevators
- Wear a pedometer to keep track of a goal of 10,000 steps per day
- Get a buddy for lifestyle changes in diet and physical activity
- Slow down your eating – use a salad fork or chopsticks
- Choose more fruits, vegetables, whole grains and low-fat dairy foods
- Lighten up on gravies, sauces, dressings and butter or margarine where fats hide
- Set realistic goals for weight loss (0.5 lbs/week) or prevent putting on pounds

A BCM website featuring interactive resources and health and fitness articles is available at <http://www.bcm.edu/pa/fatfree.htm>
