Village Creek Community Association

April 2006

News from the HOA Board

The April HOA board meeting will be held on March 28th at 11:00 a.m. at 17206 Cobble Shores. Please e-mail a board member if you wish to attend, so you may be placed on the agenda.

Many changes are happening within the Homeowners Association (HOA). The HOA is finally able to function as a board without Friendswood Development involvement. In the past, meetings were cancelled last minute, because Friendswood couldn't attend, and this caused frustration among the two resident board members. The by-laws require a quorum of 3 board members in order to hold a meeting. With Scott Porto serving as President, Jimm Lubenow as Secretary/Treasurer and the addition of Diana Christopher in February, non-meetings will be a thing of the past.

The Board has recently taken action on some high priority items for our neighborhood. They are as follows.

- Terminated Association Management Inc.'s contract with Village Creek effective April 6, 2006
- Information on the new management for Village Creek will be presented at the annual meeting and/or May newsletter
- Approved new pool contract with Greater Houston Pool Management, Inc. for summer 2006 with lifeguards and weekly cleaning of spray park
- Approved the replacement of the white community fences with white three rail vinyl fences-scheduled for mid-April
- Renewed Cypress Creek Pest Control, Inc. contract to spray for mosquito's during the evening hours
- Approved for 142 trees to receive injections of fertilizer and 10 trees to be removed and replaced once the soil has been retested. All work to be done by a local tree service
- Requesting reimbursement from Friendswood Development to pay for all costs relating to trees
- Working with Spencer Landscaping to rectify the drainage problems
- Approved for monthly HOA meetings to be held during the evening hours. See your May newsletter for details and new location.

While there are a lot of changes taking place, it's only natural to have some bumps along the way. Your HOA board members appreciate your patience, and if you have any questions please e-mail one of us and we will be glad to answer your questions.

Deed Restriction of the Month

Basketball Goals & Hoops- Basketball goals are allowed to be pole mounted in the driveway of homes with detached garages. The goal must be behind the center line of the home. No goals may be mounted on the garage or home structure. Goals may be placed in rear (back) yards subject to setback and easement restrictions. Portable basketball goals will not be allowed in the unfenced portion of the yard.

To the greatest extent possible, basketball goals, posts, backboards, nets and hoops will be colors that are not offensive to the landscaping of the neighborhood. Bright, florescent, colors (particularly nets) will not be allowed.

Attention Parents of Skateboarders/Rollerbladers

There has been an on going problem of children who skateboard and/or rollerblade in our neighborhood using the park benches, playground equipment and splash park to play. This equipment is being destroyed at the Homeowner Associations expense. They are also using some of the new home builder's materials to make their ramps. If your child is skateboarding or rollerblading, please ensure that they are not abusing the common area facilities or taking materials from builder job sites. Some of the children have been warned by Board Members and the Constables office. Action will be taken if this continues and those in violation will be responsible for any expenses incurred.

Neighborhood Garage Sale

April 13, 14 & 15th

A volunteer is needed to post a "Community Garage Sale" sign at the front and back entrances of our subdivision on the three days mentioned above. Each homeowner is responsible for their personal garage sale signs. Please e-mail Diana Christopher if you wish to take on this small task.

Garden Tips

It's time to fertilize the lawn with "Bonus S/Weed and Feed". To save time and if ants are a problem in your lawn, granule ant killer can be mixed in with your fertilizer and broadcast all in one dose.

If you haven't trimmed your trees or raised the canopy in awhile, it's still not too late to do so before the summer heat arrives. Also, check the stake supports and bands around the trunk; it may be time to remove them. Trees gain strength thru movement.

A common mistake gardeners make is suffocating a tree with "mulch volcanoes". This is done by mounding too much mulch around the base of the tree. Trees need to breathe. Mulch should not exceed more than 4 inches in depth. It should not touch the trunk or crown, but be 4-6 inches away and can be placed as far out as the drip line (outer edge of branches). Deep mulching can lead to excess moisture in the root zone, which can stress the tree and cause root rot.

Dates to know:

Tomball ISD Easter Break is April 13 & 14th
 Pool opens May 1 – October 1, 2006.
 Pool hours: 6 am – 9 pm
 Lifeguard hours: Noon-8 pm

CONSTABLE'S CORNER

By Sergeant E. Hazel
Harris County Pct. 4 Constables

If you haven't had an opportunity to do so before, now is a good time to take a look at the website for Harris County Pct. 4 Constables. The website has downloadable forms for "Vacation Watch", as well as a document library covering such pertinent topics such as how to protect yourself from identity theft and how to promote personal safety. There is also a direct link to the fraud hotline and an interactive quiz that will help you reduce your home insurance premiums. The site provides crime safety statistics for the area and explains the "Are You Okay" program of automated phone calls to senior citizens or other shut-ins who may live alone and need assistance. The Precinct 4 website is <http://www.cd4.hctx.net>. You may also want to go to <http://www.co.harris.tx.us/ServicesA2Z.htm> for an "A to Z" guide to all other Harris County Services.

Non-street legal motorcycles and 3 wheelers (that do not hold a state license registration) on Village Creek streets are not legal nor safe. The Constables office will ticket those in violation.

Did you know?

The first gas pump was made by Sylvanus F. Bowser of Fort Wayne, Indiana, and delivered to local storekeeper Jake Gumper on September 5, 1885.

The first commercially successful steamboat was Robert Fulton's Clermont, built in 1807.

Until the 1700s, ballerinas wore long, heavy skirts, tight corsets and heeled slippers—all of which limited their ability to jump and perform other energetic movements.

JOB OPPORTUNITY!!

This is an opportunity to work for a team-oriented company utilizing your amazing customer service and sales abilities! We are a progressive Northwest Houston Company seeking the best Houston has to offer!

Ideal candidates are as follows:

- ☞ must have articulate, professional & effective communication skills
- ☞ must have 4 - 5+ years of sales experience
- ☞ property management, real estate & automotive dealership experience is a HUGE plus
- ☞ must be a team player with a lot of focus, problem solving skills & not be afraid to sell
- ☞ answer between 60 - 80 incoming calls daily
- ☞ place approximately 20 - 40 outbound calls daily to existing customers
- ☞ suggest information about other products & services we provide; cross-sell; up-sell

Compensation:

- ☞ \$28,000 to \$32,000 annually, based on experience for full-time
- ☞ \$15.00 per hour for part-time

Contact: To submit your resume, e-mail lisac@gabp.com or call 713-744-7895.
