Team Yes! Aquatics of Houston, a nonprofit, year round USA Swimming competitive team, -is proud to enter our second full year with John Berry as our head coach. Team YES!, located in the Cy-Fair area, offers practices at Cy-Falls and Cy-Springs High School facilities.

Coach Berry holds a B.A. in Kinesiology & Business Management with a Minor in Sociology from Ouachita Baptist University, Arkadelphia, AR. Coach Berry has extensive experience as a Head Age Group Coach for Houston area USA Swimming organizations and has been Head Coach for both Texas and Arkansas summer league programs. National Record Holder and an Olympic Trials Competitor.

Team YES! recognizes that each swimmer has his or her own goals and it is our objective to help your swimmer achieve those goals. Our mission is to emphasize superior technique for each and every program we offer. Our programs range from "learn to swim", for the beginner, to the competitive program, for more advanced and high school level swimmers. Our practice schedule is designed to keep the groups small so that each participating swimmer receives individual attention and focused technique instruction.

Registration for the 2006-2007 swim season is scheduled to be held at Cy-Falls High School in the swimming pool area on Sunday, August 13, 2006 and Saturday, August 19, 2006 from 2:00 PM to 4:00 PM. ## Cypress Christian School Seniors Set Records

Congratulations to the 2006 Graduates of Cypress Christian School who were offered a record amount of scholarship money totaling over ONE MILLION dollars. Judy Holzman, Academic and College Advisor said, "It was wonderful witnessing God reward our students by allowing them to receive scholarship money from colleges, universities, corporations and scholarship organizations in the area of Academics, Fine Arts, Athletics, Christian Leadership and Biblical Studies." The Class of '06 also set two other records: 1. They were the largest graduating class of Cypress with 50 seniors graduating and moving on to the college of their choice; and 2. Their class was the first in Cypress history to receive a record number of early admissions to the college of their choice.

Congratulations to the following students for receiving special honors and scholarships at this year's graduation ceremony:

- ★ **Josiah Moffitt:** Valedictorian, National Merit Scholarship Award, Dornbusch Science Scholarship, Faculty Scholarship for Academic Excellence

#### Tip of the month:

Lot of children get into activities in the summer time such as sports, martial arts, and gymnastics. I also know that sports guards should be a necessary part of any physical activities where a fall or a hard hit to the face can happen.

Lemonades and summer go hand in hand; however, due to the high sugar content, brushing immediately afterwards is highly recommended.

## Constable's Corner

*By Deputy Matt Coberley*

With summer here your kids will be spending more time at home, more time with friends, and more time on the internet. Today's youth is growing up in a computer age and they are spending more time online. This can be a good thing when they use it to research and learn about topics that interest them, keep a journal or web blog, create websites, play games, shop, and download music. Kids are quickly becoming computer experts and may even be more proficient than their parents, but they might not know how to avoid the dangers that can be found on the internet. This is where they still need your help:

#### **As parents you can:**

1. Tell your children about the risks on the Internet. Find out what they do online, what websites they visit, who they chat with and what games they play.
2. Keep the computer in an open area of the house where you can keep an eye on them.
3. Go online and look at the websites, chat rooms, and blogs that your children visit. This will help you identify what you think is important to discuss with them.
4. Remind them to never give out their name, address or phone number.
5. Never arrange a face-to-face meeting with someone they meet online.
6. Stay out of chat rooms unless parents say OK.
7. Never open e-mails from someone they don't know.
8. Let them know they can tell you if something doesn't feel right.
9. If your kids tell you that they saw something inappropriate online, don't blame or punish them; be happy they told you. Punishing them could change what your children share with you in the future.
10. Last, agree on rules of what they can and cannot do online, when they can go on the Internet, and how long they can stay.

## Community Emergency Response Team – CERT

Cy-Fair CERT classes now have 53 team members in your neighborhood. These new team members are not only from Copperfield, but Katy, Bear Creek, Cypress, Alief, Tomball, and Sugarland. More trained CERT members will be needed in each of these areas to form teams.

CERT training is designed to prepare you to help yourself, your family, and your neighbors in the event of a catastrophic disaster. Because emergency services personnel will not be able to help everyone immediately, you can make a difference by using this training to save lives and protect property.

This 8 week course (24 hours of training) covers basic skills that are important to know in a disaster when emergency services are not available. You are taught skills about disaster preparedness, small fire suppression, urban search & rescue, medical operations and more. With training, practice and working as a team you will be able to do the greatest good for the greatest number of people after a disaster, while protecting yourself from becoming a victim.

In 2003 President Bush asked Americans to volunteer to serve others. The Harris County Citizen Corps [www.harriscountycitizen corps.com](http://www.harriscountycitizen corps.com) was created to help our citizens find volunteer and training opportunities. CERT training is just one of the programs created.

Training courses are provided throughout Harris County. There is no cost for this course. A backpack of supplies is provided to all

CERT team members during training. This program is brought to you by Harris County Judge Eckels.

For more information on how you can become involved in CERT and to register contact:

## Locks of Love

Kayla Sanchez had 10 ½ inches of her hair cut to donate to Locks of Love, an organization that provides hairpieces for children who are suffering from long-term medical hair loss. It took Kayla 2 ½ years to grow her hair long enough for the donation. In the end she said, "It is well worth it and I hope I can donate again!"

Cypress Hill M.U.D. #1 now has a web site, [www.cypresshillmud1.com](http://www.cypresshillmud1.com). This web site contains a large amount of varied information we hope will be of interest to you. The District hopes this site will allow for quick and easy access to information and answers.

Like most people, you probably don't spend much time thinking about your water and sewer service. It is the responsibility of the Cypress Hill M.U.D. #1 Board of Directors, our consultants and service providers to make sure that water is there when you need it.

As our water customer, we invite you to access this website for information about our water services and related issues of interest and concern to our community, and trust that you will find it a helpful resource should you have billing or repair questions. You will also find timely advice about conserving our water resources and other important tips in the areas of water quality and safety. Please acquaint yourself with the information and services provided in this site and through the links to other significant Cypress Hill M.U.D. #1 associated web sites.

We hope that you will make [www.cypresshillmud1.com](http://www.cypresshillmud1.com) your source for news about this fascinating and essential utility.

### TO BRAZIL AND BACK: Brazil Mission Team – 2006

For the third year now, GSUMC has sent a team to Brazil to experience an International Mission Trip. A team from our congregation traveled to Brazil June 11-22 to take the word of our Lord to Brazil and share it with some of the most underprivileged people in that country. This year's team focused on evangelism by going home to home with interpreters to share our love for Jesus. Contact our Missions Chair Person, Bob Parsons at [bparkers1@houston.rr.com](mailto:bparkers1@houston.rr.com) if you would like more information on the mission work in which our church is involved.

### SUPER SHORT SUMMER STUDY:

Don't let summer go by without spending time in the study of God's word. Wednesday July 12 at 7:30pm, we will begin a four-week Bible study over the book of Galatians. For more information, please contact our Associate Pastor Rick Ivey at [gsmrick@sbcglobal.net](mailto:gsmrick@sbcglobal.net).

### YOUTH HAPPENINGS:

If you check out the calendar above you will notice that our youth are very busy this month. The majority of July the youth will be out and about on Mission trips and camp experiences. Children entering 6th through 12th grades can participate in all of our youth programs. We invite your youth to come hang out with our summer interns from Noon-4pm July 11-13. They can bring their lunch and enjoy our gym and youth room with their friends. Check out the youth website at [www.gsmyouth.net](http://www.gsmyouth.net) to get more details on this and other fun events happening this summer.

### 7TH GRADE CONFIRMATION COMPLETES YEAR OF STUDY, WORK, AND OH YES FUN

### BACK BY POPULAR DEMAND - HAWAIIAN SHIRT DAY

Come to church ready for whatever your afternoon plans include and definitely leave those ties at home. In the spirit of summer, we are bringing back "Hawaiian Shirt Days". Dig out those great tropical shirts and add special color to our service. July 9th, August 13th, and September 3rd are the Sundays remaining for you to join in this fun tradition.
