## LOEN Ladies Club

The Evening Social Activities are a great way to get to know people in our neighborhood in a relaxed atmosphere. With your participation and continued enthusiasm we hope to have a wonderful year.

The Dinner Club will continue to meet every 3rd Saturday of the month at 6:30 PM at a chosen restaurant.

We have added this year another dining out evening to accommodate members who prefer to eat out at a later hour. We will meet every 4th Saturday at 8:00 PM.

Our activities will not be limited to just dining. We look forward to include an evening at the opera or the symphony, or attend a musical, or an evening at a Mystery Dinner Theater where each of us will become a detective and will participate in solving a murder mystery. An evening at the wonderful Cirque du Soleil is in the planning. A Sunday Brunch, a sport event, an afternoon at the Rodeo, etc. were some of the suggestions we have received that we will try to fit in our program.

Members who have joined the LOEN Ladies Club will have the privilege of receiving the announcements for the planned activities by email.

For more information, contact [maha\\_vanderschans@hotmail.com](mailto:maha_vanderschans@hotmail.com)

Join us for **LOEN Girls' Night Out!** Once a month, we plan a fun ladies-only event where we can gab with our neighbors and get out of the house! Typical events include a nice dinner at a local restaurant, bunco night at someone's house, margarita party by the pool, or a trip downtown to see a musical. If you think an event sounds fun, chances are your neighborhood girlfriends will too! We take turns planning/hosting events, and everyone is encouraged to get involved. Ideas for 2007 include a wine tasting event and an awards-show watch party. For more information, contact Michol Ecklund at [michol\\_ecklund@hotmail.com](mailto:michol_ecklund@hotmail.com).

## Cy-Fair ISD Volunteers In Public Schools (VIPS) Award Winners

The Cy-Fair VIPS Executive Board congratulates Chick-fil-A, Amegy Bank, John Taylor and Linda Young for their outstanding achievement in being a state award winner at the Texas Association of Partners in Education (TAPE) annual awards conference. TAPE is one of the nation's largest professional organizations providing specialized partnership training and collaboration opportunities to enhance student success. The central purpose of the association is to strengthen student success through community/school partnerships to enhance the success of young people in school and prepare them to be responsible citizens who significantly contribute to the economic, civic, and social environment in which they live and work.

John Taylor of Lamkin elementary was awarded the Crystal Award – Best In the State as the Texas Senior Volunteer Partnership. The Gold Award winner went to Linda Young from the Science Resource Center. They are both members of the CyFair community and are actively involved in education in CFISD with countless hours of volunteering their time.

### AWARD WINNERS/ADD 1

Texas Parent Involvement Partnership Crystal Award – Best in the State went to Lowery Elementary. They were recognized as a parent group that promotes the active involvement of parents for the betterment of the school in a manner that positively impacts student achievement.

Texas Outstanding Business Partnership Crystal Award – Best in the State was awarded to Chick-fil-A/Copperfield and Cy-Fair locations (small business) and Amegy Bank (medium business). Both of these businesses work directly with the school, teachers, students and district through donations, mentoring, goods and services on a regular basis.

Our state award winners continue to provide an invaluable service to our district and they have made a positive impact in the schools. The quality of education in Cy-Fair ISD remains at the highest of levels in part because of community supporters such as the State Award Winners.

## Cypress Christian Students Contribute to Fight Cancer

Since 1994, millions of dollars have been raised in pennies and other spare change by more than 10 million elementary, middle and high school students throughout the country. The funds, collected during a three-week period, benefit the Leukemia & Lymphoma Society to help patients battle blood cancer and assist researchers to continue to strive for a cure.

This year, elementary students at Cypress Christian School contributed a total of \$1,012.63 to the Leukemia & Lymphoma Society. The "Pennies for Patients" program was truly a success this year. The class that raised the most money for kids with cancer was Grade 4A - Mrs. Dice's class.

To learn more about "Pennies for Patients," log onto [www.leukemia-lymphoma.org](http://www.leukemia-lymphoma.org). CCS students hope you, too, will join them in the fight against cancer.

## VIPS Monthly General Meeting

By Sherrie Webb, VIPS Publicity Chair

### VIPS – Volunteers in Public Schools

The VIPS General Board is made up of Pam Scott, the VIPS Director, the VIPS Executive Board, A VIPS Coordinator from each school, and a VIPS liaison from each school. The meetings are open to all volunteers and business partners in our district. The board works together cooperatively to actively support the district's goals related to volunteering, parental and community involvement in our school.

The January meeting welcomed special guest speaker Mr. David Straughan, Director of Security. He gave an informative presentation entitled "Gangs 101". This was an overview on the meaning of clothes worn by gangs, introduction into their fads, language and symbols. Also attendees had an opportunity to fill out survey forms for

the school district goals – this was a time for volunteers to express their opinion on where the district is going.

The General Meetings are held once a month at the Richard E. Berry Educational and Support Center and each month is a different topic. It is for adults only. You do not need to RSVP for the meeting.

Upcoming Meetings (all held at the Richard E. Berry Educational and Support Center):

March 22 9:30 am – 12:00

## Protecting Your Home:

### 10 Lo-Tech and Hi-Tech Tips

After a fun-filled week in the sun or on the slopes, the last thing families want to do is come home to a ransacked house. According to the National Burglar and Fire Alarm Association, each year nearly 5 million families become victims of household burglary, often when they've been on vacation.

Austin-based home security company uControl, a member of the National Burglar and Fire Alarm Association, shares 10 lo-tech and hi-tech security tips to protect your home while you're away:

#### Lo-Tech:

1. Discontinue newspaper and mail delivery.
2. Lock all doors, windows and garage doors.
3. Leave drapes and shades open as normal (closed blinds give burglars privacy should they break in).
4. Have your yard mowed and your trees and hedges trimmed – removing hiding places for burglars.

#### Hi-Tech:

5. Install motion-sensor lights in your yard so lights come on when someone walks by.
6. Install an alarm system – but not just any alarm system. Today's newer alarm services offer better security and more features and services, usually for the same (or lower) monthly fee.
7. Select a home security provider that offers redundant, back-up connections for your alarm system. Burglars know that all they have to do is cut the telephone line to disable most alarm systems. Newer security systems operate over broadband and cellular connections so your system is always monitored – whether a phone line is cut or your power goes off.
8. Make sure your home security is monitored 24/7 by licensed monitoring centers.
9. Select a security provider that provides remote access so you can check on your home anytime, anywhere. Many newer systems allow you to check on your home's alarm status from a computer or cell phone.
10. Set up your alarm system so you (and selected family members or neighbors) receive text messages or emails when the alarm goes off.

## Spectacular Seafood

### Wild American Shrimp Pack Nutritional Punch

*Certified Wild American Shrimp are a flavorful, healthful food option that supports shrimpers around the U.S.*

(NAPSA)-Cooking healthy does not mean giving up on great taste. That's one reason healthful food options, such as certified Wild American(tm) Shrimp, have become so popular.

Harvested in their own natural environment from U.S. waters, certified Wild American Shrimp are low in fat and a source of heart-healthy omega-3 fatty acids.

"Wild-caught shrimp are fresh, succulent and tender-the way nature intended, unlike 85 percent of shrimp, which is imported and pond-raised," says Nathalie Dupree, chef and author of "Shrimp & Grits."

A typical 4-ounce portion has just 112 calories when served steamed, boiled, grilled or baked and provides 23 grams of protein-47 percent of the daily value for protein. Studies have

found that shrimp is an excellent source of vitamin D, as well as niacin and iron.

"Consumers have a choice when it comes to their seafood. Choosing local ingredients like Wild American Shrimp not only ensures you're getting the best-tasting seafood available, it also supports an entire industry and way of life," says Dupree.

You can taste the difference with this recipe from Dupree's latest cookbook:

#### Simple Supper

#### Wild American Shrimp & Grits

*Makes 2 servings*

- 2 cups cooked grits
- 4 tablespoons butter and/or olive oil
- 1 pound Wild American Shrimp, peeled
- 1 medium tomato, chopped
- 1 to 2 garlic cloves, chopped
- 1 tablespoon julienned fresh basil or parsley

Reheat grits in the microwave or over low heat, with additional liquid if necessary.

Melt butter and/or olive oil in a saucepan, preferably non-stick. Add shrimp and sautŽ until just before they turn pink. Add tomato and stir until liquid exudes slightly, just a minute or so. Add garlic and cook briefly.

Divide grits between 2 plates, pour shrimp and tomato mixture on top, garnish with basil or parsley and serve.

For more information about Wild American Shrimp, including locations where it can be purchased and additional recipes, visit [www.wildamericanshrimp.com](http://www.wildamericanshrimp.com).

### Volunteers Needed

Cypress Assistance Ministries has recently acquired more of the strip center we occupy. We are looking for an experienced electrician or plumber willing to donate time to renovate this section of our building. This new space will greatly enhance the ministry at CAM once the renovations are made to better suit our needs.

Men with trucks are needed on Saturdays to pick up heavy furniture donations and return them to CAM. We have had to pass up good quality furniture because we are unable to manage pick-ups without volunteer help. If you can lift, have a truck and would like to donate a Saturday morning once a month, please call Kelly Thomas at 281-955-7683.

Our busy Angels' Attic Resale shop needs volunteers on Monday and Wednesday afternoons from 2:00 – 6:00.

As spring approaches, the Food Pantry is in need of the following donations:

- Spaghetti Sauce
- Breakfast Cereal
- Jelly
- Diapers sizes 4, 5 and 6

Celebrate your birthday all month long at Angels' Attic Resale Shop. During your birthday month, get 20% off your total bill with proof of your birth date. Angels' Attic Resale Shop benefits the ministry all year long.

Please visit [www.cypressassistanceministries.com](http://www.cypressassistanceministries.com) for information on other volunteer opportunities, up-to-date information on our current donation needs and a description of all our services.

Donations to Cypress Assistance Ministries can be made Monday through Wednesday from 10AM – 6PM and Thursday through Saturday from 10AM – 3 PM.

If you need further information, please give us a call at 281-955-7684 and ask for Kelly or Lisa.
