The Other Side Landscaping & Lawn Maintenance Participates in “GreenCare for Troops”

To Support Local Military Families

The Other Side Landscaping & Lawn Maintenance is participating in “GreenCare for Troops in McKinney, TX. “GreenCare for Troops” is a nationwide outreach program initiated by Project EverGreen that connects participating local lawn and landscape firms with families of the men and women away from home serving our country in the armed forces.

In announcing the new program, Mike Kennedy, President said, “Lawn and landscape maintenance becomes a definite hardship when a family’s major breadwinner is on active duty away from home. The “GreenCare for Troops” program seeks to ease this stress by helping affected families with the important task of caring for their yard and landscape.”

Families interested in applying for the “GreenCare for Troops” program should contact The Other Side Landscaping & Lawn Maintenance at (972)562-0019, by email at services@othersidelandscaping.com. Participation is limited. To learn more, they may also access the Project EverGreen website at www.projectevergreen.com or call toll-free (877)758-4835.

The Other Side Landscaping & Lawn Maintenance is a year-around, full-service company that provides landscaping and lawn maintenance for residential and commercial properties in the McKinney and surrounding areas. Creating lasting incredible landscapes is our mission for both business and home owners.

We Challenge What You Pay For Electricity!

If SparkPowerBank isn't your current electricity provider...chances are you're paying too much!

By Spark  Energy

I'm Texas Energy Analyst Alan Lammey. Maybe you've heard me on the radio talking about the market forces that drive energy prices. I'm here to tell you that you're not stuck paying those high prices to big electric companies anymore! **Stop it.**

Some electric companies talk about "**Simple**" rate plans – that just means it costs you more! Others brag that they'll "**Send you a Rebate**" – that just means you're already paying too much!!

Come to the **Power Bank** – www.SparkPowerBank.com
Why pay more than you have to? Those days are over!

Why would you want to go with an electric provider that charges you more, when you can go to www.sparkpowerbank.com and pay far less for the same electricity?

Make sense?
