Yard Fences

Now that Village Creek is more established, and as with anything that ages, we need to be aware of the up-keep and replacement of various items.

For example one of the most noticeable items is privacy fences. Please remember that the privacy fences are the responsibility of the home owner and the Board would like to remind everyone to please maintain their fences. This is an expense that can be shared with your neighbors.

Any staining or changes to the builder installed fences must be approved through the Architectural Control Committee. A request form is located on our website @ www.myvillagecreek.net under Architectural Review.

Website for Street Light Outages

When there is a street light that is out near your home, please report these to the website www.centerpointenergy.com/outage or 713-207-2222. You will need the home address near the street light that is in question and the number located on the pole. Help keep our neighborhood safe!

Cypress Christian School Chamber Choir wins Gold!

Congratulations to the members of Cypress Christian School Chamber Choir for an excellent performance at the San Antonio Heritage Music Festival. Each choir was rated on a point scale from 0-100. All three adjudicators gave the CCS Chamber Choir scores in the 90s! This qualified the students for a Gold Award. In addition to the scoring, the students received an on-stage clinic with an adjudicator, Dr. Brumley (Director of Shreveport Singers), where he shared valuable choral insight. The CCS Choir was also invited to attend the National Festival of Gold in 2009!

Lost and Found Pets

Have you found someone's pet? Have you lost your pet? If your answer is yes, we encourage all residents to please call **Harris County Animal Control** at **281-999-3191**. The HOA offers their sympathy when one has misplaced a cat or dog, but please do not report lost or found pets to HOA Board Members.

Don't be a Litter Bug!

Please place your trash in one of the many trash receptacles located throughout the neighborhood as you are out and about in the community. Let's work together to keep Village Creek beautiful!

Reminder:

There are lots and lots of kids living in Village Creek – and we love them all! Please be aware that as the weather turns warmer more and more of them will be out and about playing. If at all possible please park in driveways and not on the street. Parked cars along streets can make it difficult for drivers to see children running back and forth.

NOTICE:

Non-street legal motorcycles, 4 wheelers and mini scooters (that do not hold a state license registration) on Village Creek streets are not legal or safe. The Constable's office will ticket those in violation.

Identity Theft Warning

Remember to shred all personal information including credit card applications and old checks before putting them in the garbage. Incidents of people going through trash have been reported in other neighborhoods and serve as a reminder that no one is above this terrible crime. For more information on how you can protect yourself from Identity Theft visit the Constable's website at www.cd4.hctx.net.

Go Green

Want to do more for the environment than just recycle? Below are two websites that help reduce the amount of paper being thrown away each day!

- www.catalogchoice.org allows you to decline any unwanted catalogs you are currently receiving for free.
- www.greendimes.com allows you to stop junk mail, for a fee.

Trash

If at all possible, please wait until the morning of trash day to put out your trash. Putting it out the night before attracts animals and pests who are not welcome guests! Also, take care to secure loose trash items, as they can easily blow away. Thanks for making every effort to ensure the cleanliness and beautiful appearance of Village Creek!

Just Ducky

There have been several questions regarding our resident ducks in the lake. They are **Mallard Ducks** which are common wild ducks. The female is called a **hen**, the male is called a **drake**, and the young are called **ducklings**.

Anatomy: Males are brightly colored, having a green head, a white collar, and a bright yellow bill. Females are mottled brown with a brown bill. Mallards are about 20-23 inches long.

Diet: Mallard ducks have a varied diet. They eat insects, worms, frogs, snails, slugs, small shellfish, grasses and other plants that grow near shore. They've been known to eat bread and plain popcorn.

Eggs and Nests: Mallards build cup-like nests made of grass and leaves; they are lined with duck down (delicate feathers). Nests are usually on the ground in dense undergrowth. Female's lay 5-14 greenish-white eggs in each clutch (a set of eggs laid at one time) from November - March. The females sit on their eggs for about 2 hours a day and it takes about 24 days before they hatch. The female cares for the young.
