Sustainable Living Houston Kicks off National Bike Month!

On Friday, May 1, 2009, residents of Cypress, Texas, will bicycle from the Coles Crossing subdivision to the nearby METRO Park & Ride and transit oriented development. By riding bikes to the Park & Ride, and then taking the #217 METRO bus to their work locations, the residents will complete a long-haul, suburb-to-city multi-modal commute without the use of private automobiles.

METRO has recently installed bike racks at the Cypress Park & Ride, and these will be used to secure the bicycles. There is also limited space for taking a few bikes in the sub-floor storage compartments of the # 217 buses.

Residents will assemble at 6:50 am on Friday, May 1, 2009 at the Coles Crossing Community Center parking lot and depart at 7:00 am sharp. Use of helmets, front & rear lights, red rear reflectors and articles of reflective clothing will be mandatory. Residents will ride on the sidewalk south on Barker-Cypress Rd. to Jarvis Rd., whereupon the group will transition to riding on Jarvis Rd. in a vehicular cycling mode. The total ride distance will be about a mile each way, and the time to the Park & Ride from the neighborhood will be about 6 minutes.

The rain date for this ride is May 15, 2009.

There will be a highly recommended pre-ride safety briefing at the Coles Crossing Community Center parking lot on April 25th at 8:00 a.m. where helmets, lighting, bike commuter clothing, and vehicular cycling will be discussed, as well as a test ride of the route. This briefing will be led by a League of American Bicyclist certified cycling instructor.

Texas Terrapins Swim Team

Texas Terrapins Swim Team is a fast growing, year-round competitive swim team in Northwest Houston offering instruction and competition to swimmers of all ages and abilities. Our swimmers come to us from subdivisions in the surrounding areas including, but not limited to: Black Horse Ranch, Subdivisions near the new Cy-Ranch High School, Lakes of Rose Hill, Cypress Mill, Jersey Village, Coles Crossing, Cypress Point, and Fairfield. Recently, we had

the distinct privilege of attending a Mardi Gras Swim Meet in Baton Rouge, Louisiana at the LSU Natatorium. While some of our swimmers were attacked by the flu, the rest of them picked up the slack, improved their times and brought home many ribbons!

The Texas Terrapins had three swimmers earn High Point awards including Byron Keller (second place for high point 6 year old boys), Sydney Begnaud (4th place for high point 6 year old girls) and Sydney Stanford (second place for high point 7

year old girls). Other swimmers in attendance were Delaney Crowder, Madison Ellison, Allison French, Savannah Stanford, Kenzie Golladay, Makenna Meyers, Michelle Scott, Makaylynn Seeley, Sarah Whetstone, Aaron Thompson and Coaches Jason Harold and Megan Scott. Both Beth McNeese and Tyler Bennett were there in spirit as they were at home fighting off the flu.

A great time was had by all who attended as we were able not only

compete, but hang out with our team mates in a non-swim setting. Our team activities included visiting Mike the Tiger and the LSU bookstore and each evening we all gathered for Team dinners, where we had a chance to see our coaches in rare form. We are very serious about our swimming, but keep in mind that it is all about having fun! For more information about the Texas Terrapins, our year round swimming, jump start to summer league and swim lessons, log on to our website at www.texasterrapins.com.

Need More Space? Reclaim the Space You Already Own

Submitted by Heather Bland-Ho

Many of us might be feeling the urge for more space. In the current economy, however, moving out or "up" might not be an option. But waiting out the housing downturn doesn't mean you need to put up with spaces that are stressing you out or bringing you down... RECLAIM THE SPACE YOU ALREADY HAVE AND FALL IN LOVE AGAIN with the home you already own!

Follow these simple steps to make your home work harder to meet your needs:

- 1. Prioritize:** What areas bug you the most? What are your trouble spots? From that list, which area, when improved, would have the biggest impact on your life?
- 2. Look with an Outsider's Eyes:** Pretend you're a stranger coming into the house- what do you notice? You can even ask a friend to help with this part... they will notice piles or unnecessary objects better and faster than you will.
- 3. Systematize:** What works and what doesn't work in the space? Create systems to help alleviate problems, such as putting baskets to corral errant shoes near a doorway or designating a home for newspapers and magazines that are always lying around.
- 4. Organize:** Get rid of things that you no longer need, are broken or don't serve a purpose. Keep only what you need, think to

be beautiful or love. Sort and purge to lighten up and focus on what's really important in life. Do you want to constantly pick hundreds of toys around the house? Or would you rather spend that time playing with your children?

- 5. Recognize when you need help:** Often we need another person to give opinions or to help keep the project moving along; enlist a friend or call a professional organizer. For a fraction of the cost of a new home, a professional organizer can help you transform your space and inspire you to do amazing things. I have worked with families to reclaim toyrooms, gamerooms, bedrooms, garages and many other spaces. Recently, one mom was overjoyed to see that her six-year-old daughter sat for two hours playing happily on her own because now she had the space to set up her Littlest Pet Shop "village." That same sweet girl also told her mom how happy she was to be able to do a cartwheel in her room again without hurting herself!
- 6. Realize the gain:** Congratulations- you've just made a major improvement to your home! You've reclaimed space you already own, without the cost and hassle of relocating. You've fallen back in love with your home, saving yourself thousands of dollars.

Tax Tips

Submitted by John Harris

It's tax time and there are many new tax provisions relating to your 2008 return. Let me go over just a few of these.

1.) For the first time, you can deduct up to \$1000.00 of your real estate taxes even if you do not itemize your deductions.

2.) There is another huge change in casualty losses. Having come from Florida, I am very familiar with hurricane losses. For the first time, you can deduct a casualty loss in federally declared disaster areas, even if you do not itemize, and if you do, it is not subject to the previous 10% of adjusted gross income threshold. In other words, if you had damage from hurricane Ike, and most people had some damage or loss, you may get a tax deduction for your loss. These losses may include anything from roof and fence damage to loss of food in your freezer.

3.) You may also qualify for last year's stimulus rebate check this year, even if you did not qualify last year. (A note on this, last year's check is NOT taxable this year, contrary to some rumors I have heard.)

4) They also raised the IRA contribution limit to \$5000.00, \$6000.00 if you are 50 years of age or older. I know many people lost much of their retirement values in 2008, but it is still a good idea to invest in your retirement accounts. You may want to consider investing in a more conservative investment, but you still should invest! Talk to your financial advisor.

5) If you own your own business, it is still not too late to set up a SEP retirement plan for your business and get a deduction up to \$46,000.00 for 2008.

6) Lastly, the standard mileage rate for 2008 is broken down into two parts. From January 1 to June 30, it is 50.5 cents per mile and 58.5 cents per mile driven during the rest of 2008.

More HELP for PETS ...

When a pet is lost, finding the pet means that time is of the essence. It takes time to create, print and distribute flyers. The flyers are many times illegible because of wind or rain. I certainly do not fault the pet owner because I have done this myself.

Frustrated, I thought there has to be a better way. So that is why we created Cypress Lost Pet Alert.com. The idea is to very quickly get the word out through an e-mail alert to as many neighbors as possible plus post the picture and information about the pet on the website under the specific neighborhood.

Once the email alert goes out to the specific neighborhood, many, many neighbors are now aware. If they happen to forward the email to their friends who have not signed up, it could mean hundreds of your neighbors are already alerted and are keeping their eyes open for your lost pet.

Cypress Lost Pet Alert.com is on-call 7 days a week from sun up to sun down and is FREE. We are glad to work with any informal email chains. The whole idea is to find lost pets quick for the good neighbors in Fairfield and surrounding areas.

Regards,

RB Cox

PLANTAR WARTS

Warts are viral lesions that can infect any part of the foot although we usually see them on the bottom or plantar surface of the foot. (Hence the name plantar wart). With improper care or neglect, the viral lesions can easily multiply and become more difficult to eliminate. Our doctors can painlessly treat warts. If you think you have a wart come see us before they multiply.

Northwest Flyers Youth Track Club Information Session Friday Evening

April 3, 2009

The Northwest Flyers Track Club will host a free open house / registration session for all middle and high school athletes and their parents interested in joining for the 2009 season. The event will be held on **Friday, April 3, 2009, from 7:00 – 8:30 PM** at the Champions Park subdivision clubhouse, 13635 Champions Park Drive**, Houston, TX 77069. The session will begin with a very important program overview / orientation at 7:00 PM. All interested athletes and parents should report on time.

The Northwest Flyers is a youth (ages 6 -18) track organization, affiliated with USA Track & Field. The club provides a full program of “track” events such as sprints, hurdles, middle distance, distance and relays, and “field” events such as long jump, triple jump, high jump, pole vault, discus, shot put and javelin. **It is an excellent “off-season” program for young athletes who currently compete on their middle school or high school varsity track teams.**

The club was founded 22 years ago by Olympic gold medalist Fred Newhouse to foster the development of youth track & field in the Northwest Houston area. Last year, the Northwest Flyers qualified 26 young athletes to compete at the U.S. Junior Olympics National Championships in Omaha, Nebraska.

Visit the team website at <http://www.northwestflyers.org> for registration forms and information prior to the session, or contact Linette Roach at (281) 587-8442 or linette.roach@sbcglobal.net.

NOTE: Champions Park Drive is in between Cutten Road and Champions Drive.

Cy-Fair Community Emergency Response Team (CERT)

Cy-Fair CERT now has over 200 team members in your neighborhood. The team members are not only from Fairfield/Cypress area, but Alief, Katy, Bear Creek, Copperfield, Tomball, and Sugarland. More trained CERT members will be needed in each of these areas to form neighborhood teams.

CERT training is designed to prepare you to help yourself, your family, and your neighbors in the event of a catastrophic disaster. Because emergency services personnel will not be able to help everyone immediately, you can make a difference by using this training to save lives and protect property. For example, during and after Hurricane Ike members of the Cy-Fair CERT volunteered at the phone bank of the Harris County Office of Emergency Management, manned the federal PODs all over the county, distributed Meals on Wheels food, cleared debris in their communities, etc.

The 8-week course (24 hours of training) covers basic skills that are important to know in a disaster when emergency services are not available. You are taught skills about disaster preparedness, small fire suppression, urban search & rescue, medical operations and more. With training, practice and working as a team you will be able to do

the greatest good for the greatest number of people after a disaster, while protecting yourself from becoming a victim.

In 2003, President Bush asked Americans to volunteer to serve others. The Harris County Citizen Corps www.harriscountycitizen corps.com was created to help our citizens find volunteer and training opportunities. CERT training is just one of the programs created.

CERT training courses are provided throughout Harris County. There is no cost for this course. A backpack of emergency/medical supplies is provided to all CERT team members during training. This program is brought to you by Harris County Judge Emmett. The next CERT training class for the Cy-Fair area will begin on April 1, 2009 at the Lone Star College (Barker-Cypress campus).

For more information on how you can become involved in CERT contact Patrick Wong (Fairfield/Cypress Team Lead) at pcwong1@earthlink.net. For more information on how you can register for the next training class contact Terri Pope-Mobley at tpopemobley@yahoo.com.

Cypress Christian School Students Provide "Socks for Little Souls"

Fifth graders at Cypress Christian

School collected socks in February

to donate to children at the Baptist

Missions Center. In addition, the

students made valentines for the

children at the center. The "Socks for Little

Souls" project began when the fifth grade classes

were asked to find a way to share God's love with those less fortunate for Valentine's Day.

The mission of Cypress Christian School is "to equip students to engage and impact their world for Jesus Christ." Community service projects like "Socks for Little Souls" help to encourage students to make a difference in the lives of others both now and throughout their lifetimes.

Cypress Christian School is located at 11123 Cypress N. Houston Rd. at Jones Road and serves families of K-12 students in northwest Houston. For more information, call 281-469-7745 or visit the website at www.CypressChristian.org
