

RANCH RECORD

*News For The Residents of
Blackhorse Ranch*

Sustainable Living Houston Kicks off National Bike Month!

On Friday, May 1, 2009, residents of Cypress, Texas, will bicycle from the Coles Crossing subdivision to the nearby METRO Park & Ride and transit oriented development. By riding bikes to the Park & Ride, and then taking the #217 METRO bus to their work locations, the residents will complete a long-haul, suburb-to-city multi-modal commute without the use of private automobiles.

METRO has recently installed bike racks at the Cypress Park & Ride, and these will be used to secure the bicycles. There is also limited space for taking a few bikes in the sub-floor storage compartments of the # 217 buses.

Residents will assemble at 6:50 am on Friday, May 1, 2009 at the Coles Crossing Community Center parking lot and depart at 7:00 am sharp. Use of helmets, front & rear lights, red rear reflectors and articles of reflective clothing will be mandatory. Residents will ride on the sidewalk south on Barker-Cypress Rd. to Jarvis Rd., whereupon the group will transition to riding on Jarvis Rd. in a vehicular cycling mode. The total ride distance will be about a mile each way, and the time to the Park & Ride from the neighborhood will be about 6 minutes.

The rain date for this ride is May 15, 2009.

There will be a highly recommended pre-ride safety briefing at the Coles Crossing Community Center parking lot on April 25th at 8:00 a.m. where helmets, lighting, bike commuter clothing, and vehicular cycling will be discussed, as well as a test ride of the route. This briefing will be led by a League of American Bicyclist certified cycling instructor.

Being A Courteous Neighbor

I've met no one in Blackhorse who did not seem to be a concerned citizen and homeowner. Hopefully we all want to be respectful neighbors. Within the past 1 1/2 months, a garage band has begun playing in our neighborhood. This is done with the garage door open, and amps blaring full throttle as though performing in an outdoor amphitheater. The sound is so loud that it can easily be heard from the south side of BH north all the way to HH Road. I cannot listen to tv in my own home without turning the sound up sharply to overcome the screaming guitars, drums, and what sometimes sounds like perverse lyrics. Parents/kids, please, be a good neighbor. Currently this is disturbing the peace in our neighborhood. Cut the amps down to low, close the garage door, and soundproof your garage or rent a sound studio. We as your neighbors are asking your cooperation and common courtesy.

Cy-Fair Community Emergency Response Team (CERT)

Cy-Fair CERT now has over 200 team members in your neighborhood. The team members are not only from Fairfield/Cypress area, but Alief, Katy, Bear Creek, Copperfield, Tomball, and Sugarland. More trained CERT members will be needed in each of these areas to form neighborhood teams.

CERT training is designed to prepare you to help yourself, your family, and your neighbors in the event of a catastrophic disaster. Because emergency services personnel will not be able to help everyone immediately, you can make a difference by using this training to save lives and protect property. For example, during and after Hurricane Ike members of the Cy-Fair CERT volunteered at the phone bank of the Harris County Office of Emergency Management, manned the federal PODs all over the county, distributed Meals on Wheels food, cleared debris in their communities, etc.

The 8-week course (24 hours of training) covers basic skills that are important to know in a disaster when emergency services are not available. You are taught skills about disaster preparedness, small fire suppression, urban search & rescue, medical operations and more. With training, practice and working as a team you will be able to do

the greatest good for the greatest number of people after a disaster, while protecting yourself from becoming a victim.

In 2003, President Bush asked Americans to volunteer to serve others. The Harris County Citizen Corps www.harriscountycitizen corps.com was created to help our citizens find volunteer and training opportunities. CERT training is just one of the programs created.

CERT training courses are provided throughout Harris County. There is no cost for this course. A backpack of emergency/medical supplies is provided to all CERT team members during training. This program is brought to you by Harris County Judge Emmett. The next CERT training class for the Cy-Fair area will begin on April 1, 2009 at the Lone Star College (Barker-Cypress campus).

For more information on how you can become involved in CERT contact Patrick Wong (Fairfield/Cypress Team Lead) at pcwong1@earthlink.net. For more information on how you can register for the next training class contact Terri Pope-Mobley at tpopemobley@yahoo.com.

More HELP for PETS ...

When a pet is lost, finding the pet means that time is of the essence. It takes time to create, print and distribute flyers. The flyers are many times illegible because of wind or rain. I certainly do not fault the pet owner because I have done this myself.

Frustrated, I thought there has to be a better way. So that is why we created Cypress Lost Pet Alert.com. The idea is to very quickly get the word out through an e-mail alert to as many neighbors as possible plus post the picture and information about the pet on the website under the specific neighborhood.

Once the email alert goes out to the specific neighborhood, many, many neighbors are now aware. If they happen to forward the email to their friends who have not signed up, it could mean hundreds of your neighbors are already alerted and are keeping their eyes open for your lost pet.

Cypress Lost Pet Alert.com is on-call 7 days a week from sun up to sun down and is FREE. We are glad to work with any informal email chains. The whole idea is to find lost pets quick for the good neighbors in Fairfield and surrounding areas.

Regards,

RB Cox

Healthier Homes

By Charles & Michelle Bubnis

Have you ever walked around the neighborhood and looked at some lawns and thought "I wish my yard looked that good"? Well, here are some tips to get your yard looking great by creating a healthier turf.

Don't use Weed and Feed. 2,4-D the pesticide in most Weed and Feed product is neurotoxic and contains half of the ingredients found in Agent Orange. Studies have shown that lawn chemicals are tracked or drift inside where they remain on surfaces or in the carpet for up to a year when they are not exposed to direct sunlight (little children spend lots of time playing/crawling on carpet). Also, Weed and Feed can actually hurt the health of the lawn by killing beneficial microorganisms, insects and earth worms that maintain a healthy grass.

Instead, consider building up the health of the soil through yearly aeration and organic compost application (ex. Farm Style Compost from Natural Gardener). Corn Gluten can be applied

for pre-emergent weed control. Biological controls for insects can be used if necessary such as nematodes to get rid of grubs. Apply annually a slow release nitrogen organic fertilizer as commercial fertilizers frequently contain toxic herbicides such as 2, 4-D mentioned earlier.

You are on your way to transitioning to a natural lawn care with these easy steps. If you are looking for or currently have a lawn care service, ask them to adopt these methods. If they wish to use IPM (Integrated Pest Management) be wary because these usually include the use of toxic pesticides.

Within a short time you too will have a robust looking lawn but more importantly, you will know that it truly is healthier and safer for your family too.

Dear Neighbor & Friend,

Cypress Ranch High School athletics are energized to compete and ready to take advantage of the best athletics instruction in town. They have enthusiastic coaches, great trainers, a wonderful new educational facility and plenty of school spirit. Our goal is to continue to provide our student athletes with the training equipment, facilities and educational supplies that they need to excel.

As we continue through this first year in existence, there are still many items that our athletes and sports teams need. That is why we are looking for your support at our upcoming Casino Night fundraising event. Our event will be held on May 9, 2009, at the Texas Tornado's sports facility, from 6pm to 11pm. Will you help us to raise money for our athletes?

We are in need of gift baskets or other items that can be featured as prize drawings, door prizes and at the silent auction. Your contribution will be greatly appreciated. There are also several levels to this giving opportunity and we appreciate your support. - Bronze Sponsor (\$250) – includes 1 Individual Entry, name in the event program, and an opportunity to advertise yourself or your company at the event.

Also, your gift will have significant impact on our student athletes' ability to compete at the highest levels. It is area businesses like yours that make this community a great place to live. Texas Terrapins Swim Team (TTST)

The Texas Terrapins Year Round Swim Team (TTST), located in Northwest Houston is very proud of many of our swimmers who have done an outstanding job this season. They have achieved so many personal bests and earned many awards (some were medals and lots were ribbons). We are especially proud of Abbie Jones (11) of Keith Elementary who qualified for the prestigious Texas Age Group Meet (TAGS) in March as well as Derek Miller (15) and Michelle Scott (15) of Cy-Ranch High School who both qualified for High School Regionals. Both Michelle and Derek swim year round with the Terrapins while also training with Cy-Ranch. Congratulations to all of you for a job well done!

Our Short Course Season has come to an end, but the fun does not stop! We are

Abbie Jones

Derek Miller

Michelle Scott

inviting our swimmers and their families to a top notch celebration at Lindsay Lakes on Saturday, March 28, 2009 at 6:00 p.m.. We will have tons of food, music, dancing and awards, so we encourage all of our swimmers (new and old) to come 'dressed to impress' and get ready for a night full of excitement and fun!

Lastly, TTST is very excited to announce our first ever Jump Start Program, which is geared towards preparing swimmers for summer league...whether they can barely make it across the pool, or are seasoned with all four strokes, we have a place for them. The program starts now and runs through mid March to late April, however will have many Summer League swimmers continue to practice with us even after Summer League has begun.

For more information about the Texas Terrapins Year Round Swim Team, Jump Start and Learn to Swim programs, log on to www.texasterrapins.com. Remember, you can join our team at any time!

BOOK FAIR

Benefiting The Pearl Fincher Museum of Fine Arts

Barnes & Noble Book Sellers at Champions Village will be sponsoring a Book Fair May 2 & 3, 2009. This is an opportunity for our community to support the Pearl Fincher Museum of Fine Arts (the Pearl) at no additional cost while shopping at Barnes & Noble. Winning art from the Pearl's 2009 Student Art Contest will be on display at Barnes & Noble on Saturday, May 2. There will also be an art project for the kids and balloons.

Please support the Pearl by shopping at Barnes & Noble at Champions Village, 5303 FM 1960 West, for all of your book needs. For these two days, you can use a special Book Fair voucher that is available on line at www.pearlmfa.org. Or if you forget your voucher, just let them know at checkout that you want to support the Pearl. It is that easy. A small percentage of all your in-store purchases (including cheesecakes) will benefit the Pearl. Just remember, you must either submit the voucher at time of purchase or tell the cashier that you want your purchase to support the Pearl.

Cheesecake Factory cheesecakes are available from the Barnes & Noble Café and can be pre-ordered for pick-up and paid for on May 2 & 3. This is a delicious and easy Mother's Day dessert and supports the Pearl Fincher Museum of Fine Arts at the same time. Cheesecakes can be frozen for later use.

Please stop by Barnes & Noble during our Book Fair. It is a great opportunity to learn about our wonderful fine arts museum right that is right here in the Cypress Creek area and to support the museum at the same time. For more information, please visit us online at www.pearlmfa.org or call 281-376-6322.
