## Athletics Boosters Club – 2008/2009

10700 Fry Road Cypress, TX 77433 – (281) 373-2300

Dear Neighbor & Friend,

Cypress Ranch High School athletics are energized to compete and ready to take advantage of the best athletics instruction in town. They have enthusiastic coaches, great trainers, a wonderful new educational facility and plenty of school spirit. Our goal is to continue to provide our student athletes with the training equipment, facilities and educational supplies that they need to excel.

As we continue through this first year in existence, there are still many items that our athletes and sports teams need. That is why we are looking for your support at our upcoming Casino Night fundraising event. Our event will be held on May 9, 2009, at the Texas Tornado's sports facility, from 6pm to 11pm. Will you help us to raise money for our athletes?

We are in need of gift baskets or other items that can be featured as prize drawings, door prizes and at the silent auction. Your contribution will be greatly appreciated.

There are also several levels to this giving opportunity and we appreciate your support. We will recognize your gift by including your name in our event program, as well as featuring your advertising materials at the event. Sponsorship levels are:

- **Gold Sponsor** (\$2,500) - includes 2 Couples Entries, Premium event signage, name in the event program, and an opportunity to advertise yourself or your company at the event.
- **Silver (Table) Sponsor** (\$500) – includes 1 Couples Entry, name in the event program, and an opportunity to advertise yourself or your company at the event.
- **Bronze Sponsor** (\$250) – includes 1 Individual Entry, name in the event program, and an opportunity to advertise yourself or your company at the event.

Also, your gift will have significant impact on our student athletes' ability to compete at the highest levels. **It is area businesses like yours that make this community a great place to live.** Thank you for partnering with our students and for your support of the Cypress Ranch Athletic Booster Club.

## Texas Terrapins Year Round Swim Team

The Texas Terrapins Year Round Swim Team (TTST), located in Northwest Houston is very proud of many of our swimmers who have done an outstanding job this season. They have achieved so many personal bests and earned many awards (some were medals and lots were ribbons). We are especially proud of Abbie Jones (11) of Keith Elementary who qualified for the prestigious Texas Age Group Meet (TAGS) in March as well as Derek Miller (15) and Michelle Scott (15) of Cy-Ranch High School who both qualified for High School Regionals. Both Michelle and Derek swim year round with the Terrapins while also training with Cy-Ranch. Congratulations to all of you for a job well done!

Our Short Course Season has come to an end, but the fun does not stop! We are inviting our swimmers and their families to a top notch celebration at Lindsay Lakes on Saturday, March 28, 2009 at 6:00 p.m.. We will have tons of food, music, dancing and awards, so we encourage all of our swimmers (new and old) to come 'dressed to impress' and get ready for a night full of excitement and fun!

Lastly, TTST is very excited to announce our first ever Jump Start Program, which is geared towards preparing swimmers for summer league... whether they can barely make it across the pool, or are seasoned with all four strokes, we have a place for them. The program starts now and runs through mid March to late April, however will have many Summer League swimmers continue to practice with us even after Summer League has begun.

For more information about the Texas Terrapins Year Round Swim Team, Jump Start and Learn to Swim programs, log on to [www.texasterrapins.com](http://www.texasterrapins.com). Remember, you can join our team at any time!

## Cy-Fair Community Emergency Response Team (CERT)

Cy-Fair CERT now has over 200 team members in your neighborhood. The team members are not only from Fairfield/Cypress area, but Alief, Katy, Bear Creek, Copperfield, Tomball, and Sugarland. More trained CERT members will be needed in each of these areas to form neighborhood teams.

CERT training is designed to prepare you to help yourself, your family, and your neighbors in the event of a catastrophic disaster. Because emergency services personnel will not be able to help everyone immediately, you can make a difference by using this training to save lives and protect property. For example, during and after Hurricane Ike members of the Cy-Fair CERT volunteered at the phone bank of the Harris County Office of Emergency Management, manned the federal PODs all over the county, distributed Meals on Wheels food, cleared debris in their communities, etc.

The 8-week course (24 hours of training) covers basic skills that are important to know in a disaster when emergency services are not available. You are taught skills about disaster preparedness, small fire suppression, urban search & rescue, medical operations and more. With training, practice and working as a team you will be able to do

the greatest good for the greatest number of people after a disaster, while protecting yourself from becoming a victim.

In 2003, President Bush asked Americans to volunteer to serve others. The Harris County Citizen Corps [www.harriscountycitizen corps.com](http://www.harriscountycitizen corps.com) was created to help our citizens find volunteer and training opportunities. CERT training is just one of the programs created.

CERT training courses are provided throughout Harris County. There is no cost for this course. A backpack of emergency/medical supplies is provided to all CERT team members during training. This program is brought to you by Harris County Judge Emmett. The next CERT training class for the Cy-Fair area will begin on April 1, 2009 at the Lone Star College (Barker-Cypress campus).

For more information on how you can become involved in CERT contact Patrick Wong (Fairfield/Cypress Team Lead) at [pcwong1@earthlink.net](mailto:pcwong1@earthlink.net). For more information on how you can register for the next training class contact Terri Pope-Mobley at [tpopemobley@yahoo.com](mailto:tpopemobley@yahoo.com).

## Relationship Style

Submitted by Mindy Ferguson  
Copyright 2009 © Mindy Ferguson, All Rights Reserved.

---

*Therefore, as God's chosen people, holy and dearly loved,  
clothe yourselves with compassion, kindness, humility, gentleness and patience.  
Bear with each other and forgive whatever grievances you may have against one another.  
Forgive as the Lord forgave you.  
And over all these virtues put on love, which binds them all together in perfect unity.  
—Colossians 3:12-14 (NIV)*

---

Disagreements are inevitable. But if we clothe ourselves with the proper wardrobe, we can often come through conflict with deeper, more meaningful relationships. As we encounter conflict we need to take a look in our relational mirrors and make sure we wear...

• **Compassion** ~ We clothe ourselves with compassion by choosing to keep our hearts tender toward the needs and feelings of others. We should make an effort to understand any need that isn't being met or possible emotions that might be fueling the disagreement. If we can make changes that will meet more needs, make them. If not, at least take the time to listen to and acknowledge the feelings of those involved in the conflict.

• **Kindness** ~ We clothe ourselves with kindness by choosing to maintain a steady disposition toward those with whom we disagree. This word kindness doesn't just mean being friendly or speaking graciously. According to Strong's Exhaustive Concordance, this word in the original language means "moral goodness, integrity, benignity, and kindness." It means that we are trustworthy, steady, and reliable women of integrity and grace- even amidst conflict.

• **Humility** ~ We clothe ourselves with humility by choosing to focus more on understanding other perspectives than asserting our own opinions. Jesus is our ultimate example of humility. Philippians 2:5-7 says, Your attitude should be the same as that of Christ Jesus: Who being in very nature God...made himself nothing, taking the very nature of a servant, being made in human likeness. As His servants, we also need to be willing to empty ourselves of our own agendas, motives, and selfish desires and remain open to the opinions and thoughts of others.

• **Gentleness** ~ We clothe ourselves with gentleness by choosing to protect the dignity of everyone involved. When we display gentleness, we choose not to embarrass or publicly humiliate others. We need to maintain a mild, soothing nature that draws people to us, puts them at ease, and opens lines of communication. Gentleness enables people to feel safe around us.

• **Patience** ~ We clothe ourselves with patience by choosing to forgive those who have hurt our feelings. We need to forgive as the Lord forgave us. We foster patience by recognizing our own imperfections and the abundant mercy we've received from God. We've all been forgiven much. How can we refuse to forgive someone else? We need to "bear with each other" and learn to tolerate faults and be merciful toward offenses.

• **Love** ~ We clothe ourselves with love by choosing to put our energy into restoring relationships. Throughout Scripture, whether God was blessing His people or disciplining them, He was always acting in order to restore them. Even before Adam and Eve sinned in the Garden, God already had a plan in place to restore relationship with them – as well as us. God is love. His unfailing love is expressed by His relentless desire to restore relationship. As we encounter conflict, our primary focus should be continually working to restore relationships with and between others.

In all of our dealings, we are to clothe ourselves with compassion, kindness, humility, gentleness and patience. We are to bear with one another, sporting forgiveness and tying everything together with a covering of love.

## More HELP for PETS ...

When a pet is lost, finding the pet means that time is of the essence. It takes time to create, print and distribute flyers. The flyers are many times illegible because of wind or rain. I certainly do not fault the pet owner because I have done this myself.

Frustrated, I thought there has to be a better way. So that is why we created Cypress Lost Pet Alert.com. The idea is to very quickly get the word out through an e-mail alert to as many neighbors as possible plus post the picture and information about the pet on the website under the specific neighborhood.

Once the email alert goes out to the specific neighborhood, many, many neighbors are now aware. If they happen to forward the email to their friends who have not signed up, it could mean hundreds of your neighbors are already alerted and are keeping their eyes open for your lost pet.

Cypress Lost Pet Alert.com is on-call 7 days a week from sun up to sun down and is FREE. We are glad to work with any informal email chains. The whole idea is to find lost pets quick for the good neighbors in Fairfield and surrounding areas.

## Change for Change Cypress Christian School Students Raise Money for Orphanage

When students in Miss Shelby's second grade class started studying money in math, they learned a two-fold lesson: how to count change and how to change someone's life.

Students were encouraged to bring their dimes, nickels, and pennies to class during a two-week mission project called "Change to Change the World for Jesus" The goal of the project was to raise money for His Cherished Ones, an orphanage in Africa run by former CCS teacher Trena Ivy.

"When the students saw the pictures on Miss Ivy's blog of poor African children without shoes or food, they were inspired and motivated," said Miss Shelby. "They gave their Christmas money and money from their own piggy banks. The students also chose to give up their snacks at school and donate the money to the project." As a result of their efforts, the class collected more than \$1000 to send to the orphanage.
