## LIFE-SAVING DONATIONS *by Cypress Christian School Students*

This fall, CCS students participated in an on-campus blood drive through the Gulf Coast Regional Blood Center. The Student Council sponsored a blood drive to offer students, family members, and the Cy-Fair community an opportunity to give the "gift of life" close to home. According to the GCRBC website, blood is always needed for individuals being treated for cancer, for babies that are born prematurely, for individuals with anemia, and for many others in need. Every donation can help save up to three lives.

As the holidays approach and the roadways become increasingly crowded with shoppers and travelers, there is an added need for blood. CCS students encourage you to give a "life-saving" donation to your local blood bank. For more information on how to

give and the locations of donation centers, please see [www.giveblood.org](http://www.giveblood.org).

Cypress Christian School is located at the corner of Cypress N. Houston Rd. and Jones Rd. For future blood drive information and other community events, please check the CCS calendar via [www.CypressChristian.org](http://www.CypressChristian.org).

## **Free Stuff for Your Computer (And Cell Phone)**

*Submitted by Laurie Scott*

As holiday spending approaches, here are some free programs to make your computing easier and more fun with zero impact on your budget.

Everybody hates dealing with usernames and passwords at login screens, and as a result I see a LOT of people who have very easy passwords (like the name of their dog) not only for their computer but even for their online banking! Well, here's LastPass to the rescue (download from <https://lastpass.com>) with a password manager that works with Windows, Mac OSX and even Linux. With LastPass you can have strong passwords that are hard to impossible to remember, but don't have to remember because LastPass will remember for you. You passwords are encrypted using a master password that only you will know, so your private information is always safe. LastPass will work across all your browsers and computers. You can even retrieve your passwords online from another computer on their web site (where no one but you can access them.)

How about free music, legally! Amazon has over 1,000 songs in all styles from Blues to Folk to Rock to Opera. Many of these are new groups getting their music out, but I've seen everything from Alice Cooper to Andres Segovia to Jeff Beck to the Boston Pops. If you use iTunes, Amazon's download manager will seamlessly add your songs to iTunes for you. So load up your iPod and Zune with all this free music. This abbreviated link will take you to Amazon's free music page: <http://tinyurl.com/TekChicFreeMusic>

How does a free secretary sound? TimeCave.com will any message you create back to you or anyone you want at ANYTIME you want within 3 years. Do you keep a perfect calendar but your best friend is, shall we say "challenged" when keeping her calendar organized? Have a lunch date next week? Go to Time Cave and enter your message "don't forget about our lunch tomorrow", enter her email address and the day and time you would like it delivered. Now, even if YOU forget to remind her, Time Cave will.

Cell phone users, you're not left out. Wouldn't it be nice to be able to call 411 from your cell phone without having to pay a dollar or more for each call? Thanks to Google you can now get information for any city in the country by simply dialing 800-466-4411 (that's 800-GOOG-411).

They have a voice recognition system that lets you tell it what you're looking for and it's amazingly accurate. So program that number into your phone and say goodbye to excessive 411 charges from your carrier.

Next month look for my annual "Geeky Gifts for the Techie in Your Life" Christmas article.

### **Doggy Doo Don't**

Please remember to clean up after your pet while walking them. An easy way to do this is to bring along a plastic bag attached to your pet's leash. Thank you for helping us keep our neighborhood clean and the outdoor areas enjoyable for all residents.

## Healthy Tailgating This Football Season

By Tarie Beldin

Now you finally know its fall, not because the temperatures are cooler, but because it is FOOTBALL season! With high school games on Friday nights, college games on Saturdays and professional games on Sundays, our weekends can be full of concession-stand food, barbecue, six-foot sandwiches and chips.

All of these game-day feasts can lead to extra calories, which can mean extra pounds, even before the holiday season arrives! The good news is that with a few changes, such as these tailgate make-over tips, you can decrease the fat and calories and increase the nutrition of your tailgating menu, without sacrificing taste:

### Typical Tailgating Food

- Regular chips
- Queso or guacamole
- Fried or buffalo wings with ranch or blue cheese dressings

- Traditional burgers or chili
- Sandwiches or hoagies made with salami, high-fat cheese and mayo
- New England clam chowder
- Pork brats
- Potato salad
- Cookies and cakes
- Regular beer and wine
- Soda or juice

### Healthy Tailgating Alternatives

- Baked tortilla chips
- Salsa
- Boneless/skinless chicken breast tenders with wing or teriyaki sauces
- Burgers or chili made with lean ground beef or ground turkey breast
- Sandwiches or hoagies made with lean meats, low-fat cheeses and mustard on whole wheat bread
- Low fat gumbo

## Healthy Tailgating (Continued from Page 8)

- Turkey brats
- Grilled corn on the cob
- Caramel or candied apples and low-fat brownies and desserts
- Light beer and wine spritzers
- Iced tea or diet lemonade

It is also never a bad idea to have a fruit and/or vegetable tray available for those who are vegetarian or for low-calorie snacking. If you have a favorite tailgating food or snack, allow yourself to indulge in it, but try to replace other tailgating options with healthier alternatives and be mindful of portion sizes.

Whether you are tailgating at the stadium or "tablegating" in your living room, it's easy to keep game day food fun, tasty and healthy. Most importantly though, remember, it is about the camaraderie and the love of the game, not the food. Consider having your own game of touch football during half time to burn off those extra calories!

With the last football games in both pro and college football set for the beginning of next year, we still have many opportunities to load up on calorie-laden and high-fat tailgating food. Practice these easy and tasty substitutions to help you stay healthy this football season.
