AS LENDING RULES EVOLVE

Here Are Some Note Worthy Bits of Information:

POSSIBLE LENDER REQUIREMENT:

Electronic validations of completed 2009 tax returns are required in today's market. Not having them completed can cause difficulties.

WIN FOR INVESTORS:

The federal government suspended its 90-day anti flipping rule by suspending its policy that they would not insure a mortgage on a house if the seller had owned it for less than 90 days. By doing this they hope to help low-down-payment home buyers and investors who remodel older homes.

MORTGAGE INSURANCE UPDATE:

Mortgage insurance providers have started offering risk-based pricing to their better performing mortgage company clients of which our affiliate CAPITAL SECURITY MORTGAGE is one!
In a sample calculation: 95% loan with 776 FICO (high score) on a \$250,000 loan saves them \$56 per month!

Whether its neighborhood updates in your area or other parts of the world, I am a phone call, text or email away.

Eight Water Safety Rules for a Safe Summer

We are dedicated to promoting drowning prevention and helping equip residents with the best tools to keep families safe in and around water.

1. Always have a pool gate around home pools. This includes having a locked and securely fastened gate that is not accessible to little ones.
2. Continuously educate children on water safety. This is a great thing to do at home, on the boat, at the pool, wherever there is water. Each time you are getting your little one ready for a swim session or water play, go over the

rules of water safety. Repetition is key with small children. Make sure your swim instructor incorporates a “Safety Lesson of the Week” into its lesson curriculum. This includes questions about water safety and how to avoid dangerous situations.

3. Designate a “Water Watcher.” This is a responsible adult who sticks to alcohol-free beverages during swim time and who is in charge of keeping both eyes on the pool while it is in use. Or, better yet: consider renting a Lifeguard for your party or group event.

4. Remove all pool toys, floaters, ring buoys and other child-enticing items from the pool area when it is not in use. One wrong reach for that floating rubber ducky could be disaster.
5. Clear homes of common household items that can be dangerous to a curious toddler. It takes just 2 inches of water for a child to drown in a bucket. Put all mop buckets, dog dishes and coolers out of children’s reach.
6. Never leave a young child in the pool or bathtub--even “just to get the phone.”
7. Enroll your child in swim classes. Start lessons early. The longer a child has lessons the more they understand water safety. A great time to do this is in the spring! This way your kids are already prepped and ready to roll for the summer swim season. You’ll want to find an inside heated pool and lesson times geared towards working families.
8. Supervise, Supervise, Supervise! Try to have your eyes on your children in and around the pool at all times. Adults should always be present when any child is in the pool area.

Let’s help our kids love the water while also respecting it by being safe and well-trained at all levels.

Annual 12th Russian Children's Folk Festival 2010

Happy Families has been sponsoring orphaned children to participate in our Russian Children's Folk Festival since 1981! We plan to bring 15-20 children ages 6-12 from orphanages in the Kaliningrad region with their chaperones to Houston, TX in June 2010. The children will be staying with host families for 2 weeks.

School age children are one of the most deprived groups of Russian orphans. They have few chances for a bright future in Russia. The festival gives them a unique opportunity to see a different world outside of their orphanages.

These annual events have found much attention from the media, including coverage on ABC's Good Morning America and New York Times and many more. See details at www.happyfamilies.org.

What are the requirements to bring a child? Happy Families needs to raise about \$2,000 to bring each participant. This covers airfare, transportation in Russia, passports, visas, medical insurance, translation and coordination. We are asking for your support and participation in this project. Please contact us for additional information on how you can help.

Sincerely,

Svetlana Startz
Director, Russian Children's Festival

Local Bluegrass and Old Time Music Jamming

The Fairfield Bluegrass Jammers are sponsoring Bluegrass music jamming at Kleb Woods Nature Center and Preserve where the fun begins on the 4th Saturday of each month at 12 noon and where everyone is invited to pick, sing, listen, fellowship, or walk the trails and watch the beautiful birds. You will find folks with their guitars, banjos, fiddles, mandolins, bases and dobros warming up to do a little picking and singing. When the music and singing begins so does the foot tapping and fun.

The musicians from beginner to pro are having a great ole time playing this old-time music of Bill Monroe and Ralph Stanley. There are 3 types of music played – Bluegrass, Gospel, and old-time country. The listeners are so captivated by the joyful energetic music and musicians they are hearing that they also cannot help but do a little toe tapping and clapping themselves. When 4 PM arrives you find the musicians just as enthusiastic and reluctant to leave as at the beginning. The energy comes from the deep love that everyone has for the music.

Pickers and listener are welcome. No charges. Just fun Jammin or listening.

Kleb Woods Nature Center and Reserve (Draper Rd.) is located about 15 to 20 minutes away and is located on Draper Rd., off Mueschke Rd. in Tomball area. The Reserve is a Harris County Park and a bird watchers paradise and museum. From the parking lot you will walk about 200ft to the center. No selling, soliciting, alcohol, or drugs permitted. Check out Kleb Woods web-site at: www.pct3.hctx.net/parks/klebwoodsnaturepres.aspx.

The Cypress/Tomball Area Bluegrass Jam (Northwest Harris County) 4th Saturday Jam is sponsored by The Fairfield Bluegrass Jammers and is being held at the nearby Kleb Woods Nature Center and Reserve outside Tomball, 12 Noon to 4 PM. Spring Festival

Tucked away in Hockley, about 30 miles northwest of downtown Houston, Boys and Girls Country has given children from families in crisis a safe and loving Home since 1971. The children live in cottages with trained teaching parents who are there for them with food, hugs, laughter, and a listening ear. Some children stay with Boys and Girls Country for only a few years, others grow up there.

Boys and Girls Country is not a United Way member agency; they receive their support from friends in the community through grants, mailings, e-mail, and special events. Because Boys and Girls Country does not rely on state or federal grants, they are able to continue to care for their kids past high school graduation. In 1997, Boys and Girls Country developed their College and Career Program to support their high school graduates as young adults. Whether they choose college, trade school, the military, or the workforce, Boys and Girls Country provides support as it is needed. Like any other family, they're still there, helping their kids reach their full potential and break the cycles of poverty and dysfunction that they have known.

On May 1st, Boys and Girls Country will host their annual Spring Festival. It takes place from 10:00 – 5:00, and it is a fun event for adults and children of all ages.

Boys and Girls Country turns their 250-acre ranch into a midway jam-packed with booths, food, and fun. There will be a petting zoo with 25 animals, including a llama and a pot-bellied pig. Younger kids can go on a pony ride, or the whole family can take a hay ride around the ranch. There's a Bug's Life Obstacle Course, Volcano Rock Wall, and a Virtual Zone with Wii games and Dance Dance Revolution. Stay for the day and enjoy great food like barbeque, chicken sandwiches, and nachos. Adults will find plenty to enjoy with two stages of entertainment and live, big board, and silent auctions. Bid on items like a 4-night's stay at a resort in Galveston, signed sports memorabilia, or a hunting trip. While at Spring Festival, people will also have the opportunity to tour a cottage and see where the children live.

Spring Festival is a great, affordable outing for families. Admission is free. All-day activities passes are just \$15 per child, and lunch tickets are only \$6. All of the proceeds from Spring Festival will help provide for the day-to-day needs of the children who live at Boys and Girls Country.

Don't miss out on this fun-filled day and the opportunity to support a Home that provides vital services to Houston-area children in need of a safe place to grow up.

2010 Cypress Fairbanks Project Prom Golf Tournament Fundraiser

Cy Fair High school is raising money to secure a safe party night for after the 2010 prom, this is called Project Prom. Project Prom is a drug and alcohol-free lock-in after prom. This year it will be held April 30th from 11pm to 6 am at the Berry Center. This is a free, fun-filled evening for all seniors. The senior parents provide for this all-night party with entertainment, games, activities, shows, food and prizes! It requires vast amounts of organization, planning, time, money and parental participation ALL YEAR LONG in order for it to be a success. We are a non-profit organization so all donations will be distributed to the event.

DATE AND TIME: April 2nd 2010 - 12:00 NOON Start

LOCATION: Houston National Golf Club

We are looking for donations for the golf tournament so it can be a huge success, and this dream can be a reality. We are asking for

individuals and companies to look into their hearts and make a donation, so we the parents have peace of mind our kids are safe.

But hmm, I am way too busy to play golf. What can I do? We will gladly accept any and all donations. We need help with other sponsorships which are listed below. Please look over and see what you can do to help.

WE ARE LOOKING FOR THE FOLLOWING AS A DONATION:

- Golf Teams – cost is \$110 per golfer. This will be a fun tournament with lots of different challenges.
- Hole Sponsorship – Cost is \$250 per hole – We will be providing signage that will be placed at each hole letting all the golfers know that you made the contribution.
- Appetizers Sponsorship - Cost will be \$250, this covers the after the round snacks for the golfers.
- Lunch Sponsorship - Cost is to be determined but capped at \$500
- Closest to the Pin and Long Drive Sponsorships - each contest will be \$250.

We are planning on doing two (2) contests for each.

- Raffle donations – Any and all donations are welcome. Individual donations of prizes, money or gift certificates are fantastic. If you or your company can donate prizes, we will gladly accept. We are looking for little things we can put in for a goody bag for all the golfers.
- Silent Auction donations – Bottom line this is what makes a golf tournament fundraiser a success. We need items that can be auctioned off to all the attending golfers. This is a great time to get some awesome products/prizes and still get a write off.

If you feel you can help out with this fundraiser, please contact Jimmy Kuzniarek at 281-387-7922 or email: Jimmy.kuzniarek@nov.com. You can also go to our web site, www.cyfairprojectprom.org for more information.

Thanks from all the parents of the graduating class 2010.

Playgrounds

 **What's a Sprayground?**

More and more cities are opening spraygrounds, which are water playgrounds. At a sprayground, kids can shoot each other with water cannons and get sprayed by dozens of water jets that squirt from different colored nozzles and hoses.

Do you have a favorite playground? Maybe it's a new wooden one that has lots of tall towers and passageways. Or maybe your favorite is an old-fashioned playground with swings and a seesaw. Playgrounds are fun places for kids because there's so much to do and other kids to have fun with. But sometimes kids get hurt at playgrounds. That's no fun, so here are 10 ways to keep safe:

1. Take a grown-up. As kids get bigger, they like doing things on their own. Going to the playground shouldn't be one of them, though. Grown-ups come in handy because they might spot problems at the playground, they can help you down if you get in a tight spot, and they can help if you happen to get hurt.

2. Take a good look around. If the playground has lots of trash, such as broken glass, or the equipment looks broken, don't play there.

3. Keep your size in mind. Many playgrounds have some equipment that's for little kids (like 2- to 5-year-olds) and other equipment that's meant for older kids. Use the equipment that's right for your age. If you squeeze yourself onto a swing for toddlers, you might get stuck. Likewise, if your little brother or sister starts climbing something meant for older kids, guide him or her to the little kid stuff.

4. Don't go too high. Many playgrounds have tall stuff to play on, such as towers or open passageways between equipment. Don't climb higher than you feel comfortable, and feel free to ask your grown-up if you need help getting down. Never climb up the outside of equipment, or hoist yourself up on the roof. The view might be cool, but it's a long way down.

5. Look out below. The best playgrounds put down special surfacing material, such as mulch, wood chips, sand, gravel, or rubber matting. These surfaces can help soften a fall, but that doesn't mean you won't get hurt, especially if you tumble from a high spot.

6. Swing safely. Kids often get hurt at the playground because they get hit by someone on a swing. If you're swinging, watch out for people who

might be getting too close. And if you're walking around the playground, don't get too close to the swingers.

7. Use your head. Sometimes you'll see kids going headfirst down the slide or maybe two or three kids will get on a piece of equipment that's only meant for one. Or some kids might start goofing around and trying to push each other off a swing or off of a high spot. If your grown-up sees you doing this, he or she will probably say, "Knock it off. Someone's going to get hurt." It's true, so try to use the playground equipment properly. And if you get stuck, or don't know how to get down from something, call your grown-up over so he or she can help you down.

8. Report problems. If you see graffiti (when people write or paint on stuff), a broken swing, or find any other problems while you're playing, tell your grown-up. He or she can report the problem so it can be fixed.

9. Clean up. If you bring a drink or snack to the playground, clean up your trash before you leave. When you do, the park will look nice when the next kid comes along to play and you will have shown that you're a good playground citizen.

10. Have a great time! How can you make a good time at the playground even better? Bring a friend and only complain a little when it's time to leave.
