TREES IN THE NEIGHBORHOOD

By Brian Fornear

I think that I shall never see a poem lovely as a tree – Joyce Kilmer (1886-1918).

One of the most precious resources in the Villages of NorthPointe is the trees that are a part of our community. Preservation, and replacement when necessary, is a key component in keeping our community beautiful to us and to prospective residents. Our commitment as a community to preserve and maintain our trees was to add a line item in our annual budget.

Chaparral Management Company, working with our developer, contracted with Teakwood, our landscape company, to replace over seventeen (17) dead or dying trees in the common areas. The identified trees were around the NorthPointe Terrace lake and along the path in the common area in Section 12. Twelve (12) new oaks and five (5) forest pansy redbuds were planted in these two areas.

A contract was also let to remove the dead or dying pines throughout the common areas. Six (6) trees were removed from NorthPointe Terrace and NorthPointe Bend in mid April and twenty-four (24) more dead or dying pines were removed from various common areas around the subdivision in August. Unfortunately, this is going to have to be a continuous process over the coming years due to age of the pines and infestation of the pine bark beetle.

Take a walk around the community some evening and see if you can spot the new trees. The redbuds should put on quite a show each Spring and Fall!

**Editor's note – thanks Brian, for spearheading this tree campaign and keeping us informed!

COMPASS CORNER

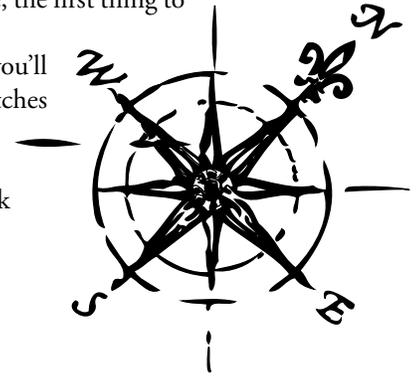

By Paul Hicks

Hello again friends and neighbors! Well, looks like another summer is in the can. And what a summer we had...rain, heat, more heat and heat. As for the local markets, things are still somewhat slow on the Real Estate front but improving. David Weekley reports that new home sales are averaging between 4-6 per month which isn't great, but it's still progress. Section 15 of Villages of NorthPointe is starting to shape up as the roads go in, so homes will start very soon. This is the section over on the north side of the new lake and should be open for "bidness" in the first quarter of 2011. Update on the little apartment complex by "Kids Laughing and Learning"...final approval is being given on permits so construction should start soon. If you will recall, this is a modest 42 unit complex on Eganville.

Also, just to let you know, MUD 281 has received a preliminary request on utility capacity for yet another apartment complex. This would ostensibly be located directly across NorthPointe Blvd from the Verde apartments adjacent to CVS. The request shows a 200 unit complex...and quite frankly, while the MUD could certainly use the additional tax base, as a resident I am really not interested

in seeing this project take place. I think we'd all rather see a Kroger/HEB/Randall's center go in that location instead. Unfortunately our desires don't always mesh with reality. I would like your feedback on this issue as it will be up to the MUD district to work out the infrastructure details and it is imperative that everyone be in the loop. Please contact me with your comments/ideas/critiques at paul@paulhicksrealtor.com. Before I go, I leave you with the following "Cowboy wisdom"...enjoy!

- Timing has a lot to do with the outcome of a rain dance.
- If you find yourself in a hole, the first thing to do is stop diggin'!
- The biggest troublemaker you'll ever have to deal with watches you shave his face in the mirror every morning.
- And finally...always drink upstream from the herd!

VNP Annual Community-Wide Garage Sale!

For the past three years, the Villages of NorthPointe has had a community-wide garage sale with tremendous success for many of you. The event will be held this year on Friday, October 8th from 8 a.m. to 3 p.m. and Saturday, October 9th from 8 a.m. to Noon. Deana Clark has graciously offered her services to head up this event. Reminder - National Night Out 2010 - Texas!

National Night Out is a nationwide annual event that promotes crime prevention education. It has proven to be an effective, inexpensive and enjoyable program to promote neighborhood spirit and police-community partnerships in our fight for a safer nation.

For 2010 Texas NNO will take place on Tuesday, October 5th. Contact your neighbors to get an event planned, even if it's only to set up a table and chairs on your driveway with ice cream, drinks, chips or cookies! It's a great time to get to know your neighbors.

Neighborhood Watch Meeting with Deputy Miller

Please save the date for a Precinct 4 informational meeting on Thursday, September 16th at 7 p.m. at the Clubhouse. Deputy Miller will offer information on the neighborhood Constable patrol and answer any questions you may have. This is your chance to find out what is going on in the Villages and other surrounding areas regarding criminal activity and crime prevention. If you are concerned about home safety or protecting your home, this is a meeting for you!

TIME for FOOTBALL!

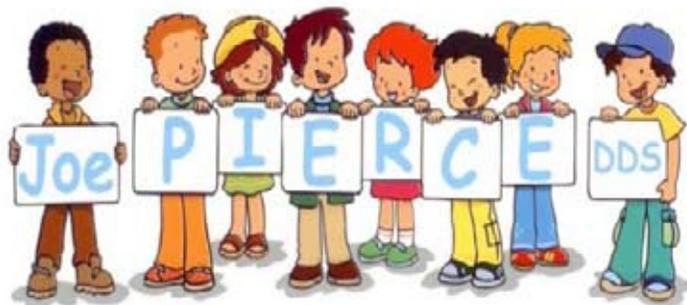

By Pam Ferguson

As I sit here writing this in early August, my husband is watching reruns on TV of past season College Bowl games. It's time for FOOTBALL – too many months without, and withdrawals have set in! Between my neighbor Bob and my husband, the Houston Texans have some super fans. My husband and I went to the Houston Texans Training Camp last weekend and if you've never been, it's truly a fun experience – and free tickets are available on the Texans

website. For two hours, fans sit at field level “up close and personal” to the team watching them run through plays and getting to see the old and new talent in action. All I can say is, even without their full pads on, those guys are impressive!

This is for Bob – GO TEXANS! They have one of the toughest schedules in the NFL this season, and we would like to see another winning season! Their first regular season game is Sunday, September 12th at 12 p.m. in Reliant Stadium against the Indianapolis Colts.

School News

School is underway for the new year and time once again to be more aware of pedestrian and school traffic! There's not much to report yet, however there are two school holidays coming up soon for Tomball students. Students will be out Monday, September 6th for Labor Day, and Monday, October 11th for a school staff workday.

Remember, since June 2009, it is against the law in Texas to operate a cell phone within school crossing zones. The exception to this is hands-free phone devices are acceptable if two hands can remain on the wheel while driving.

I welcome any parent or representative to provide school news for publication to me before each newsletter deadline. ~PF

Planning Home Projects or Improvements?

Planning improvements...painting, roofing, a pool, building a fence or gazebo? Before starting your project, please be reminded to contact the "ACC" for approval of your plans, color, material and timetable.

The Architectural Control Committee for the Association (the "ACC") is charged with the responsibility per the Association By-Laws to grant or withhold architectural review approval of all changes in the design of a property after original construction. If you plan any modification, alterations or enhancements to your property, you must first submit written request to the "ACC." A copy of the form required is available on the neighborhood website at www.villagesofnorthpointecai.com.

Please submit your written requests to Chaparral Management. The average turn around time for review and approval is usually less than two (2) weeks. By following this simple procedure, the curb appeal of the neighborhood will continue to be an asset to the community. Thanks in advance for your cooperation.

NAM Needs Food Donations *Pantry Depleted*

Northwest Assistance Ministries (NAM) is in urgent need of donated food for its Food Pantry. As of August 5th, the Pantry's shelves were depleted, as well as the organization's reserve of non-perishable food items. VNP will hold a Good Drive on Sat. To volunteer, call Stacy at 281-770-8664 or just meet at the clubhouse at 9 a.m. All ages welcome! The Food Pantry provides groceries to individuals and families living in NAM's core service area. Last year, the Pantry served 36,456 people. NAM relies on community donations to keep the Food Pantry well-stocked.

Food donations may be dropped off at NAM's main office at 15555 Kuykendahl, at NAM Resale at 3645 E.M. 1960, or at Second Chance Community Store at 10505 Jones Road. If you need information about conducting a food drive, contact Linda Fullerton at 281-885-4609 or lfullerton@namonline.org.
