We Provide Expert Care STAT!

Did you know that in many hospital emergency rooms, you could spend up to 10 hours in the waiting room while your condition possibly worsens? If you are experiencing a true medical emergency, minutes can be critical. That's why it's important to see an expert as quickly as possible.

At Texas Emergency Care Center, you will always be seen by a physician who is Board Certified in Emergency Medicine. What's more, the average wait time is less than 20 minutes, depending on the severity of patients being treated.

CYPRESS CHRISTIAN SCHOOL

Holds Texas History Fair

Cypress Christian School recently held its third annual Texas History Fair. Fifty seventh graders displayed projects (including research papers and exhibits) ranging from the A&M Bonfire Tragedy to the Water Rights along the Rio Grande. Student topics were chosen from the National History Day selections. The subjects all dealt with debate and diplomacy in Texas history.

Mr. Bobby Gentry, CCS Texas History Teacher, secured judges for the CCS fair from the Cy-Fair ISD social studies administrative team. We're very thankful for these skilled educators' help with the history fair.

Adam Thompson and Alyssa Ramsey tied for first place, Samantha Longridge and Kallie Rhea tied for second place, Daniel Overton won third place, and Elizabeth Gwyn and Jordon Coates were awarded honorable mention by the judges. The first place winners will have the opportunity to move to the regional National History Day competition.
