COMPASS CORNER

By Paul Hicks

Well neighbors, back again for another thrilling installment in the world of Real Estate...well, at least some tidbits around the neighborhood. First of all let me say that the light switch has been thrown back "ON". The last half of 2010 was the slowest Real Estate market I have ever witnessed. Literally nothing was moving for old Paul and he wasn't liking it. Then, January 3rd it's like someone turning on the lights...the phone started ringing, I am now having almost 1 showing per day on my properties, contracts at the title company and buyers are looking. Now it may be a fluke, but being the eternal optimist, I am going to call this a turnaround. More good news for you if you can stand it...the MUD 281 Board will be considering at the February meeting placing "over 65" and "disability" exemptions in place on our MUD taxes. No promises..but if the numbers look good (and I'm thinking they do) then we will be able to put this in very quickly. It may not be much, but in this economy every little bit helps. I will get back to you with details in the next article. And now...the obligatory haha's...and this time they are most fowl.

Why did the chicken cross the road?

- **Darth Vader** : Because it could not resist the power of the Dark Side
- **Dr. Seuss** : Did the chicken cross the road? Did he cross it with a toad? Yes! The chicken crossed the road, but why it crossed it, I've not been told!
- **Ernest Hemingway** : To die. In the rain.

Local School News

Willow Wood Junior High Wildcats

The Boys' Willow Wood Junior High Wildcat Basketball teams finished their season on Monday, February 7th, with victories over the Tomball Cougars 7th and 8th grade A and B teams. The season began in November, and the Wildcats showed tremendous growth over the season gaining several victories and claiming consolation prizes in two 7th grade tournaments. The big standout was the 8th grade A team that maintained an undefeated season in District play. The players are looking forward to the opening of the new High School where they can continue the Wildcat winning tradition. Several NorthPointe residents play for the basketball teams, including Matt Metoyer, Tyler Moore, and Sam Twaddle to mention a few.

Canyon Pointe Choir

Canyon Pointe Elementary School HandBell and Vocal Choirs hosted a holiday music concert in December where they showcased a diverse range of songs and celebration. They continue to practice Tuesday and Thursday mornings before school in preparation for their Spring Music Concert and the Fine Arts Festival held by Tomball

ISD. Third and Fourth graders work together in the choirs and are directed by CPES music teachers, Mr. Nolde and Mrs. Heckencamp. Students enjoy this wonderful extra curricular opportunity as they prepare to move into NorthPointe Intermediate.

Tomball Cougar Cheerleaders

Jordan Elmore and her family are residents of the Villages of NorthPointe. She is a cheerleader for Tomball High School and we would like to congratulate Jordan and her Varsity RED Squad for coming home with the 1st Place and GRAND CHAMPION title at their National Competition on January 29th and 30th, 2011 at Reliant Arena. We would also like to congratulate the Varsity WHITE team on their 1st Place National Title win. Way to Go Tomball Cougar Cheerleaders!

Canyon Pointe Recycling

Canyon Pointe Elementary has paper retrieval bins for recycling paper behind the school. The school earns much needed funds from this endeavor and your support is greatly appreciated!

The NEW NorthPointe Shockwaves making a SPLASH in spring 2011!

This spring the Villages of NorthPointe will offer a community summer league swim team--the NorthPointe Shockwaves. NP Shockwaves is an NWAL (Northwest Aquatic League) sponsored team and will compete throughout May and June against other area teams. Shockwaves is open to all swimmers 4 through 18 years-old, regardless of previous experience or ability. Our youngest swimmers will need to be "water-safe" as determined by our coaching staff. If concerned about a young swimmer's ability, see our website for helpful information to determine readiness.

5 TOP REASONS TO JOIN THE NEW NORTHPOINTE SHOCKWAVES

(Adapted from <http://sportsgirlsplay.com/5-reasons-to-join-a-summer-swim-team/>)

1. Just about anyone can do it! The only pre-requisite for joining is the ability to swim (in any way) across the pool.
2. Affordable. Summer swim team fees tend to be relatively inexpensive compared to other youth sports. NP Shockwaves 2011 registration fees*

Swimmers ages 4-14 years

- 1st registered swimmer - \$85
- 2nd registered swimmer - \$80
- 3rd registered swimmer - \$75
- 4th + - free

Swimmers ages 15-18 years – FREE

*Non-NorthPointe families will be required to pay an additional \$25 per family membership fee to use NorthPointe facilities during swim season/events.

A \$150 volunteer DEPOSIT per family is also required at registration. Upon completion of family volunteer hours, deposit is returned un-cashed. All youth sports require parent volunteers in order to be successful.

NP Shockwaves does not participate in fundraisers –there are no "hidden" costs. In addition, we offer incentives programs for team sponsorships and new officials. Your child could swim with us for FREE. (See website for details.)

Equipment? You will only need a team swim suit and a pair of goggles to get started.

(Continued on Page 7)

The New NorthPointe Shockwaves *(Continued from Page 6)*

3. Social. It is easy to make friends with kids you train with just about every day! Plus, there's tons of cheering for each other, writing sayings like "eat my bubbles" on each others' backs, and relays! Swimming is a community-centered experience.
4. Fitness. Whether your child plays soccer in the spring, basketball in the winter, or gymnastics all year long, swimming for an hour a day 4-5 days a week improves their overall fitness level. Cross training is excellent for any athlete.
5. Self Esteem. Regardless of the skill level at which your child starts the summer, he or she will improve as the summer progresses. Even children who start the summer afraid to jump off the blocks or swim a length will end the season with ribbons in their hands and smiles on their faces.

Make some memories this summer! Get your kids involved with the new NP Shockwaves swim team and watch them flourish!
