April 2011

Volume 5, Issue 4

News For The Residents of Longwood

## Skim Jam

Skim Jam is an annual Flatland Skimboarding competition hosted by Skim 2 Live in the spring of each year in Cypress, Texas. This year the competition will be on April 23rd from noon till 3 in the back of Ravensway Neighborhood (Jarvis Rd. & Timberlake Dr.). The unique thing about the competition and Skim 2 Live is that everything is done in efforts of FIGHTING BREAST CANCER. The past 3 years have shown enormous growth as the 2008 competition raised \$250 and this past year, in 2010, more than \$6,000 in funds were raised with a crowd of about 600 people throughout the day. This year is looking bigger than ever with expanding support. All profits benefit The Rose: a non-profit breast cancer organization based in Houston ([www.the-rose.org](http://www.the-rose.org)). The group promotes living healthy, active lifestyles to prevent breast cancer. We are also a very environmentally conscious group with goals to keep Cypress Creek clean for the animals and for the skimboarders.

SKIM2LIVE  
SKIM JAM 4<sup>TH</sup>  
BREAST CANCER ANNUAL  
APRIL 23, 2011 | CYPRESS CREEK | 12:00-5:00PM

## COLIN'S HOPE

Increasing water safety awareness and standards

### FACTS YOU NEED TO KNOW ABOUT DROWNING

Drowning is the leading  
cause of unintentional  
injury-related death  
in children ages 1-4

Drowning is the 2nd leading cause of unintentional injury-related death ages 1-14.

### DROWNING WILL AFFECT YOU OR SOMEONE YOU KNOW

### DROWNING CAN STILL OCCUR EVEN IF YOU KNOW HOW TO SWIM

NO ONE is “drown  
proof” – no matter  
their level of  
swimming ability.

Falls, entrapments,  
and injuries lead to  
drowning regardless  
of swimming level.

A majority of people overestimate  
their own and their child’s ability to  
swim, especially in a panic event.

### DROWNING IS QUICK AND SILENT

Drowning  
occurs in as  
little as 2  
minutes.

Irreversible brain  
damage occurs  
in as little as 4  
minutes.

Most children are out of sight  
and missing for less than 5  
minutes and usually in the  
presence of 1 or both parents.

Most children die  
who are submerged  
for as little as 6-10  
minutes.

Children who drown do not **scream, splash, or struggle**. They silently slip beneath the water, even with adults & lifeguards present.

# LONGWOOD LETTER

## Spring Landscaping & Gardening Tips

Here in Houston it's time to start planning for the soon to come spring garden activities. For those of you who need a little guidance on what your landscape needs will be and some helpful hints to properly prepare we have outlined some of the most commonly asked questions. The following suggestions can help yield the desired results for you and your neighbors.

Before the weather starts to warm up have a plan to keep your landscape properly watered, this is very important. Those of you that have an automatic irrigation system can take advantage of this time to check it and make sure all repairs have been made prior to the extreme conditions we will face in the summer. Remember to set your irrigation controller to water between the hours of 2:00am and 6:30am. For those of you that do not have the benefit of an automatic irrigation system you will need to come up with a way to water with hoses and portable sprinklers. We suggest trying to use more than one sprinkler at a time if possible, this will save you some time. Set a schedule that will allow you to water in the early evening, when the sun is starting to set. Even though the best time to water is early in the morning this watering time may fit better in your daily schedule while still allowing you to help prevent the loss of water due to evaporation. Also make sure your hoses are in good condition and have no leaks. Don't over water and make sure your sprinklers are adjusted; this will help conserve water. The most important thing to consider is to evaluate the needs of your landscape and water accordingly.

Another item that many people have questions about is the type of fertilizer they should use and when to apply it. In our opinion, the most beneficial formulation for a spring lawn fertilizer with a post emergent, to take care of broadleaf weeds, would be the Scott's 29-3-4 blend with Atrazine. Another formulation we would recommend that is a well balanced

lawn fertilizer without any post emergent would be a 15-5-10 blend. Both of these fertilizers will promote a healthy green lawn. There are also special formulated fertilizers for your hibiscus, azaleas, camellias, bougainvilleas and other plant material that have special needs. All or most of these fertilizers can be found at your local lawn and garden centers as well as the Home Depot. Fertilizer needs to be applied at the rate recommended on the label, using the recommended spreader. Please remember one thing, "more is not better", especially when comes to fertilizers blended to control weeds with herbicides. Fertilizers should be applied during the first two weeks in March. After the fertilizer is applied make sure to wash down or sweep off concrete walks and driveways, this will help prevent discoloration caused from iron.

If you have any perennial plant material, such as ornamental grasses, groundcover or other such plants, cut back these plants to a one inch stub after the last chance of freezing temperatures. Other plants that have been damaged from the cold weather may need to be trimmed instead of cut back. The trimming required for these plants may be minor; this will be up to you. Crepe myrtles will also need to be trimmed not cut back. When trimming your crepe myrtles remove any rubbing branches and deadwood then trim only the tips that are no larger than approximately 1/4 of an inch.

We recommend mulching all beds and tree wells, doing this protects your plant's root system as well as adds a rich clean look to your landscaped beds. Apply the mulch after you have completed all of your trimming and cutting back any of your perennials. Try not to apply more than two inches of mulch at one time. Spring is a great time to start enjoying your lawn and all of your hard work; however this is just the beginning of our growing season and all of the work it takes to have a beautifully landscaped yard. *Enjoy your spring garden work!*

## **Prescription Drug Take-Back**

On April 30, 2011 from 10am to 4pm DEA and its community partners will take part in a nationwide prescription drug take-back, operating collection sites around the nation where Americans can turn in their unused, unneeded, and/or expired prescription medications. Unused or expired prescription medications are a public safety issue, leading to accidental poisoning, overdose, and abuse. This service is free and anonymous. Tablets, capsules, and all other solid dosage forms will be collected. Intravenous solutions,

injectables, and syringes will not be accepted. To find a collection site near you, go to [www.dea.gov](http://www.dea.gov) and click on the National Prescription Drug Take-Back Day icon.

## Northwest Flyers Youth Track Club Information Sessions

THURSDAY EVENING, APRIL 7TH, 2011 AND  
FRIDAY EVENING, APRIL 22ND, 2011

The Northwest Flyers Track Club will host 2 open house/ registration sessions for all middle and high school athletes and their parents interested in joining for the 2011 season. The events will be held on **Thursday, April 7, and Friday, April 22, from 7:00 – 8:30 PM** in the **Cypress Room at the Methodist Willowbrook Hospital**, 18220 Tomball Parkway, Houston, at the corner of FM 1960 and Highway 249. The sessions will begin with a very important program overview/orientation at 7:00 PM. All interested athletes and parents should report on time.

The Northwest Flyers is a youth (ages 6 -18) track organization, affiliated with USA Track & Field. The club provides a full program of “track” events such as sprints, hurdles, middle distance, distance, relays and “field” events such as long jump, triple jump, high jump, pole vault, discus, shot put and javelin. **It is an excellent “off-season” program for young athletes who currently compete on their middle school or high school varsity track teams.**

The club was founded 24 years ago by Olympic gold medalist Fred Newhouse to foster the development of youth track & field in the Northwest Houston area. Last year the Northwest Flyers qualified 36 young athletes to compete at the US Junior Olympics National Championships in Sacramento, California.

Visit the team website at <http://www.northwestflyers.org> for registration forms and information prior to the sessions, or contact Linette Roach at (281) 587-8442 or linette.roach@sbcglobal.net.

## Meet Treyvon

Every day across Texas, thousands of children like 11 year old Treyvon wonder where today will lead them. Having been removed from their families due to abuse and or neglect, these children are looking for stable, loving family relationships that will allow them to feel safe and secure. Often these children are moved from one foster home to another as they experience difficulty adjusting to new rules, roles and expectations they have never experienced before and are ill prepared to meet. They face a never ending stream of changes in care givers, schools, caseworkers and foster siblings that often results in a sense of hopelessness and a lack of investment in relationships because they have found that caring leads to loss.

Despite these challenges, these children can be resilient. They bring strengths to their situation that can help to overcome the obvious challenges they face. Take Treyvon, for example. He is anything but an average child! In fact, he is an extremely bright child, who excels in all subjects at school. His future is hopeful as he desires to become an architect, engineer or author. Treyvon is a well rounded child who enjoys outdoor activities like football, swimming and riding horses. Like most boys his age, he loves to eat, with his favorite foods being pepperoni pizza and spaghetti with meatballs.

Treyvon needs a structured family that will provide him the love, encouragement and discipline that he needs while understanding the challenges he faces in adapting to a world much different from his early life experiences. He has a great mind that needs stimulation and direction to help him accomplish his goals. Adopting a child like Treyvon from the foster care system is not difficult or expensive. Perhaps you and your family would be a good place for Treyvon to learn and grow.
