SAFETY CORNER

TIP OF THE MONTH SAFE AT HOME

Make sure that all doors to the outside are metal or solid, 1 ¾" hardwood. Make sure all doors to the outside have good, sturdy locks. Use the locks you have. Always lock up your home when you go out, even if it's only for a few minutes. Secure sliding glass doors with commercially available bars or locks, or put a wooden dowel or broomstick in the door track. Make sure your windows, especially at ground level, have good locks and use them. Make sure all porches and other possible entrances are well-lit. Trim any bushes or trees that hide doors or windows. Keep ladders, tools, toys, and recreational equipment inside when you're not using them. Don't hide your house keys under the doormat or in a flowerpot. It's much wiser to give an extra key to a trusted neighbor. Keep written records of all furniture, jewelry and electronic products. If possible, keep these records in a safe deposit box, fireproof safe, or other secure place. Take pictures or a video, and keep purchase information and serial numbers if available.

Clearly display your house number, so police and other emergency vehicles can find your home quickly. If you see a screen that has been cut, broken windows, or a door that's been left open, don't go in. Call the police from a neighbor's house or cell phone. If you hear a noise that sounds like someone breaking in or moving around, quietly call the police and wait calmly until they arrive. If you can leave safely, do so. Otherwise, lock yourself in the room you are in, pretend to be asleep.

Think carefully before buying a firearm for protection. Guns can be stolen and sold to anyone, or captured and used on you or the police. If you do own a gun, keep it locked up, with the ammunition secured separately, and learn how to use it safely.

ONLINE SERVICE OPTION FOR CITIZENS REPORTING CRIMES

The Sheriff's Office has implemented an on-line service called "CopLogic" for Harris County citizens to report crimes. **This is for reporting lost property, theft or vandalism ONLY and when the complaint has NO suspect information.** This service is provided as an option to the citizen in lieu of waiting for a unit to respond to their location.

Examples of incidents that can be reported via CopLogic:

1. LOST PROPERTY: When property is missing or lost, i.e. leaving items in a restaurant or missing from home.
2. THEFT: Property is taken without the owner's permission.
3. VANDALISM: The act of changing, modifying or defacing public or private property, i.e. graffiti, knocking over a mailbox, throwing a rock through a window, etc.

To access this service, please visit the Sheriff's Office web site: www.hcso.hctx.net

- Click on "Report Crime" link at top of screen
- Click on "Report an Incident"
- Follow instructions on the screen for filing an offense report

CopLogic is an alternative method for the citizen to report the crime quickly, get a case number and print a copy of the report. It does not replace entering a call for service for a unit to respond if the citizen prefers to see a unit or does not have access to the Internet.

STREETS & SIDEWALKS

Dear Neighbor,

Please be considerate of your fellow neighbors and remember that it is important to clean up ALL of your leaves and grass after you mow your yard. Most of us either clean up or pay workers to do it, but it is frustrating because the neighbors who do not clean up the grass and leaves leave a mess in front of their houses and the wind comes and blows everything in front of our houses.

*Thanks for your consideration!

Foundation for Foreign Study

Families from all over the Houston area are opening up their homes and lives to foreign exchange students through the EF Foundation for Foreign Study.

EF Foundation is a leader in high school foreign exchange, bringing more students to the United States than any other exchange program. A nonprofit committed to promoting global awareness for over 30 years; EF Foundation leverages a committed network of local coordinators to connect thousands of students with caring American families each year.

EF exchange students come from more than 30 countries around the world and are between the ages of 15 and 18. The majority of students stay for a full high school year. In the past, exchange students have come to live in Texas from as far away as Germany, Hong Kong, Australia and Norway, to name a few.

I am an International Exchange Coordinator for EF Foundation. I will be working with the community to secure host families for a number of students this year.

In order to raise awareness of this life-changing opportunity, we need the community to see local narratives of the wonderful families and students who have had unforgettable experiences through the program.

STREETLIGHT OUT?

Report It!

CenterPoint Energy maintains streetlights throughout our electric service territory in and around Houston. In order to report an outage, you will be asked to provide:

- a pole number for the non-functioning light(s) you want to report
- contact information (in case more information is needed to locate a streetlight)
- an e-mail address (*if you want feedback regarding your repair request*)
- the number of streetlights you would like to report

To report if you know the streetlight number, visit:

<http://cnp.centerpointenergy.com/outage>

To report using Centerpoint's map system, visit:

<http://gis.centerpointenergy.com/sloreporting/>

The process is easy, simple and will take no more than five minutes.

When I was looking for a Realtor, I needed someone who knew the area, offered a package of services that would enhance the salability of my home, and had the complete staff to support me and keep me informed on the progress of my home sale. I found all of these in David Flory's Team. The level of personal service that I received made selling my home the absolute correct choice for my family.
