OFFICIAL NEWSLETTER OF THE SUMMERWOOD COMMUNITY ASSOCIATION, INC.

## YARD OF THE MONTH MAY 2011

*Submitted by: Celine Wilson*

**The Beautification Committee would like to Congratulate the May 2011 Summerwood Yard of the Month Winners!**

**The Hinson Family of Windsor Garden Lane**

**The Carlton Family of Country Haven Court**

Both Winners will have a "Yard of the Month" sign displayed in their yard for the month of May. Each winner will also receive a \$50 gift card to Lowe's!

*Summerwood is full of homeowners who take pride in their yards!*

*Would you like to nominate one of them? Send us an email at [summerwood.newsletter@gmail.com](mailto:summerwood.newsletter@gmail.com)!*

## SUMMERWOOD POOL COMMITTEE

*-submitted by Lisa Stout*

Swimmers take your mark. Get set. GO! GO! GO! Summerwood pool season has officially begun. Please see the pool schedule inside this month's Peel Newsletter or see [Summerwoodlife.com](http://Summerwoodlife.com) about pool hours and pool information. Don't forget your sunscreen ya'll; this is Texas. You will also need a bathing suit (no shorts or cut offs) and a wristband if you are over five years of age.

If you are current on your HOA dues and haven't picked up your red, white and blue wristbands—made in China and delayed slightly by the Year of the Rabbit incidentally--you need to. Go to [Summerwoodlife.com](http://Summerwoodlife.com), click on pool information and print out a registration form. Stop by the Central office any Saturday from Noon-3pm or on Wednesdays from 9a-12noon with the form and proof of Summerwood residence. Fairly easy.

Or you may take a trip to the CIA Services offices out 1960 past the I59 bypass. Not so easy. But please don't bark at the GHM lifeguards, who will only be doing their job in enforcing the wristband policy as of Splash Day on May 7th. You may go to [Summerwoodlife.com](http://Summerwoodlife.com) for FAQ about wristbands. For the record, we will make an example out of anyone who tries to sell our Summerwood wristbands on [KingwoodYardSale.com](http://KingwoodYardSale.com) this year as mind blowing as it is to believe that people have actually thought of this let alone have done so. This is why we make a big deal about wristbands.

Go Stingrays! In May, East pool will be open during Stingrays Swim Team practice hours. The Central "kiddie" pool is strictly off limits during swim team practice and meets. During swim team practice, only Stingrays team members and their parents may be inside the Central gates.

Speaking of the Central gates, please don't prop them open. In particular, please don't prop them open with our furniture. Please note that these same gates close at 9pm. We will be posting the names and pictures of anyone

**Summerwood Pool Committee** - (Continued from Cover Page)  
 caught in the pool area after 9pm. Just kidding. We haven't looked into the legality of doing that, but we can dream. However if you know someone, who might be inclined to think hopping the fence for a late night dip is no big deal, please remind him or her that the Harris County Sheriffs Office will consider it trespassing.

Your Summerwood Pool Committee hopes everyone has a refreshing, safe and fun pool season. Please report any problems to the GHPM guards, to CIA Services or to your Summerwood Pool Committee at: [swpool.committee@gmail.com](mailto:swpool.committee@gmail.com) depending on the urgency of the concern. Please note that your pool committee is comprised of seven volunteer residents so there can be a delay in response time. However we do encourage and appreciate observations and feedback. We usually meet the third Thursday of every month at 7:30 in the Central clubhouse. Summerwood residents are always welcome.

**A**pril showers bring May flowers to beautify the yard. If you are selling or buying a house, let me assist you in making a "blooming" deal.

**D**o you know the difference between a home warranty plan and homeowner's insurance? **Home warranties** are service contracts that cover the failure of home systems and appliances due to normal wear and usage. **Homeowners insurance** indemnifies the homeowner against damage or liability arising from some unknown or contingent event. Both offer valuable budget protection for the homeowner, and they can work in conjunction with one another. For example, if a water heater leaks and floods the home, the home warranty will repair or replace the water heater, while homeowners insurance may cover the secondary water damage.

For complete budget protection, I recommend that all my clients include an Old Republic Home Protection Plan in their home transaction. Call me today for more information about how a home warranty can benefit you.

## Health & Safety

### Hotel Security

**W**hether you're traveling for business or pleasure, make your safety and security at your hotel a priority. Always follow these safety measures recommended by the American Hotel & Motel Association:

- Make every effort to stay only in those establishments that have deadbolt locks and a peephole in the door.
- Make sure that all windows and doors are securely locked, including connecting doors between rooms.
- Park in a well-lit area away from trucks, vans, dumpsters, open fields or woods.
- Do not discuss your room number within earshot of strangers and keep a close eye on your key.
- Use the hotel or room safe for valuables.
- Never answer your door without first looking through the peephole. Hotel employees will be in uniform, and be able to provide identification. When in doubt, phone the front desk to confirm the person's identity.
- When returning to your hotel in the evening, use the main entrance. If you sense that you are being followed, don't go directly to your room. If you have reason to believe you're in immediate danger, seek out hotel security personnel or activate the nearest fire alarm.

## Helpful Hints

### Taking Responsible Risks for Success

**T**aking risks is scary for most people because it moves them out of their "comfort zone." However, taking calculated risks can produce great rewards — both personally and professionally. Try these tips to nudge yourself out of your comfort zone and identify responsible risks that could greatly improve your situation:

- Discover your unique strengths, and capitalize on them. For example, find a creative solution to jump-start a project at work. Or even better, offer to lead the project team — especially if you are historically a follower.
- Reach out to people you admire and ask them to mentor you. They will feel flattered, and likely be happy to share their knowledge and experience.
- Take small steps — daily, weekly, or monthly — to consciously challenge yourself to move beyond your comfort zone. Then, congratulate yourself for your risk-taking efforts, no matter how big or small, and no matter what the outcome — the important thing is that you had the courage to step out and do it!

## UPDATE FROM THE CRIME WATCH COMMITTEE

By Barbara Probandt

Unfortunately there are those undesirable people who come into beautiful neighborhoods such as Summerwood because they want what we all have worked hard to obtain for our families. The CWC invites you to keep abreast of criminal mischief and activity in the community. Come and see what we are about, meet and get to know your neighborhood contract deputies, and be part of a team that receives and disseminates information on criminal activities and mischief in the area in an attempt to raise our level of concern and help all of us protect our personal property!

Plans are presently underway for the October National Night Out event that has become the largest annual community/family oriented activity in Summerwood and the CWC welcomes you to participate.

### *Some suggestions for protecting your personal property are:*

- Set your alarm system when you leave home.
- Use double key deadlocks on front and back doors. Intruders will select the doors that looks easiest to break into and that offers the least chance of being seen.
- Doors going into the garage and going from an attached garage into the house many times offer an intruder the opportunity to hide from view while they are breaking in. Extra thought should go into the security at these locations.
- Driveway monitors are quite inexpensive and are highly effective in notifying you of activity around your automobile during the night.

*Summerwood residents are invited to join the Crime Watch Committee. The committee meets on the second Tuesday of each month at the Central Community Building at 7:00 PM.*

## YOUR NEW SUMMERWOOD BOARD OF DIRECTORS!

*Submitted by: Celine Wilson*

On March 24th, Summerwood Community Association held a special meeting for the purpose of conducting Board of Directors election. Until this date, our Board of Directors consisted of 7 Board members: 4 developer members (Newland Communities) and 3 residents. The composition of the Board of Directors is based on the percentage of development and at 75%; the governing documents require that a special meeting be called to elect five (5) Class "A" directors. A Class "A" member includes all members with the exception of the developer.

The community reached this milestone; therefore, the election was held to allow for the Class A member to take majority control of the Board of Directors, creating 5 positions for Class "A" members and 2 remaining positions to Newland Communities.

### *Congratulations to our resident New Board Members:*

**John Bland**  
**Melissa Kinney**  
**Barbara Probandt**  
**Tony Torr**  
**Celine Wilson**

Also, we'd like to thank Cindy Keefe and Cindy Deaton-Januhowski, our 2 developer Board members, for serving our community. Our community is largely successful because of their years of valuable service to Summerwood!

## BEAUTIFICATION COMMITTEE NEWS

*Submitted by Celine Wilson*

### *The Beautification Committee has announced their 2011 project: More Trees in Summerwood!*

This year's committee project will be to install more trees in common areas and nature trails that sustained considerable tree loss from Hurricane Ike. The committee's goal is to purchase as many trees as possible with the allotted budget. The Committee feels the trees are a wonderful investment for the community! They can be enjoyed by many generations to come in Summerwood.

In other Beautification Committee news, the "Yard of the Month" program has been very successful and will continue through 2011! The program extends from April through December. Two winners are selected each month. Each will have a Summerwood sign displayed in their yard and will receive a \$50 gift card to Lowe's! We encourage residents to nominate a neighbor, a friend in the community, or even a spouse! If you have a suggestion for the Beautification Committee, we'd love to hear from you!

Memorial Hermann Northeast Hospital

## Orthopedic Surgery & Sports Medicine

Theodore Shybut, M.D.

At Memorial Hermann Northeast Hospital, we're taking our established Orthopedic Surgery and Sports Medicine program to the next level with the addition of orthopedic surgeon Theodore Shybut, M.D. to our team.

### **SPECIALIZATION**

Dr. Shybut specializes in orthopedic surgery and sports medicine. His areas of expertise include arthroscopic and reconstructive surgery of the knee, shoulder and elbow. He is a graduate of Harvard University who attended medical school at Columbia University College of Physicians and Surgeons in New York City. He completed his residency in orthopedic surgery at New York University Hospital for Joint Diseases, then completed a fellowship in sports medicine and arthroscopy at Baylor College of Medicine in Houston.

### **ATHLETICS AND SPORTS MEDICINE**

Dr. Shybut has extensive experience in providing sports medicine team and event coverage for a variety of organizations including the Houston Texans, Houston Astros and Houston Rockets. He is the team physician for Humble ISD with responsibility for Atascocita High School, Humble High School and Summer Creek High School.

Dr. Shybut's interest in athletics and sports medicine also stems from his personal pursuits. He competed as a college athlete at Harvard, rowing for the freshman and varsity lightweight crews. Following his intercollegiate rowing career, he became an avid runner, having completed six marathons, including the Boston and New York marathons. Dr. Shybut remains professionally connected as a member of the American Orthopaedic Society for Sports Medicine, the American Academy of Orthopaedic Surgeons and the Arthroscopy Association of North America.

### **GOALS FOR HIS PATIENTS**

Dr. Shybut's goal is to provide his patients, whether they are professional, competitive or recreational athletes, the treatment they need to return to the activity level they desire in a safe, timely and effective manner. Each patient will receive a thorough sports medicine evaluation to determine their treatment plan. If necessary, Dr. Shybut will offer his patients cutting-edge, minimally invasive treatment strategies that will allow them a full return to their activities.

## CONSTRUCTION AT SUMMERWOOD ENTRANCE IS UNDERWAY!

*Submitted by: Celine Wilson*

In late March 2011, the Association received details about the expansion project occurring at Summerwood's entrance. According to Harris County Architecture and Engineering-Capital I Projects Department, construction will begin the first week of May and should take 4-6 weeks. When the project is complete, there will be 4 lanes on the north side of West Lake Houston Parkway. The far 2 left lanes will turn left, the 3rd lane will be for straight traffic (to the high school), and the 4th lane will go straight or turn right.

Our Summerwood Monuments and much of our landscaping in the existing median will be removed with this project, but the Association will plant new shrubbery in the smaller median after the construction is complete. Harris County anticipates "the proposed roadway improvements will enhance mobility and reduce traffic delay for motorists on West Lake Houston Parkway, including those who live in Summerwood." All drivers are encouraged to drive carefully through the construction areas and to add a few extra minutes to their route during this time.

## DID YOU KNOW?

### *Summerwood is the Top-selling Humble Community on National List*

Summerwood was named Humble's top master-planned communities for new-home sales in 2010, and was among the nation's 20 top-selling communities, according to a report from RCLCO, a national real estate advisory firm.

With 155 new-home sales in 2010, Summerwood ranked number one in Humble, number six in Houston, and number 19 nationally in the RCLCO report. Located at the Sam Houston Tollway Northeast and W. Lake Houston Parkway, Summerwood is a 1,500-acre community offering new homes and townhomes priced from the \$120,000s to \$500,000s.

"Offering a diverse range of new-home products and fresh model homes has been key to the success of Summerwood..." said Kayla Webb, marketing director for Newland

Communities. "Location and a wooded environment have also been strong draws for homebuyers, along with onsite schools in the Humble Independent School District."

Each year, RCLCO tracks the sales of over 400 master-planned communities (MPCs) across the nation for its annual MPC survey, which it has released since 1994.

Houston had the largest concentration of top-selling communities on the RCLCO list, with eight developments among the top 20. The RCLCO news release also noted that Newland Communities, the nation's largest private developer of master-planned communities, claimed 25% of the communities on the top 20 list, and was the only developer with top-selling communities in multiple markets.

Other Newland Communities in Houston

on the RCLCO list included: Eagle Springs ranking number 2 in Humble; Cinco Ranch in Katy, ranking number one in Houston and third nationally; and Telfair, in Sugar Land, ranking third in Houston and sixth nationally. Newland's Teravista community in Austin and its FishHawk Ranch community in Tampa were also in the top 20.

## The top 5 reasons to use a RE/MAX Sales Associate

### 1. An Agent You can Count On

Your home may be your biggest personal investment. One of the most important decisions you'll make when selling your home is who you will trust to assist you. You should put the sale of your home in the hands of an experienced agent who'll produce results for you. RE/MAX Sales Associates will put their experience to work for you to improve your odds of getting your home sold for the best price in the shortest time.

### 2. An Expert at Your Side

RE/MAX Sales Associates are professionals who are committed to you and possess the knowledge and experience to help you navigate today's complex real estate market.

### 3. Marketing for Maximum Exposure

Looking for more potential buyers to find your property? A RE/MAX Sales Associate can help your home stand out in a very competitive marketplace through trust-generating yard signs, local and national advertising, the Internet and compelling marketing materials.

### 4. It's All in the Details

Pricing, staging and marketing are the first steps in successfully selling your home, but closing the deal requires in-depth knowledge and experience. Once you've accepted an offer, a lot of details remain before you get to the closing table. A RE/MAX Sales Associate will help you understand the process, navigate the details and keep the transaction on track.

### 5. Involved Community Citizens

RE/MAX Sales Associates are well-known locally and nationally for their involvement in many community programs. When you use a RE/MAX Sales Associate to sell your home, you contribute to the well-being of your community. RE/MAX is a national sponsor of Children's Miracle Network, which aids sick children, and Susan G. Komen Race for the Cure, dedicated to finding a cure for breast cancer.
