GIRL SCOUTS ENCOURAGES ADULTS TO VOLUNTEER

Make A Difference In A Girl's Life

Day Camp Aragon, Libay Middle Schools

EVERYONE CAN CREATE NEW LEARNING EXPERIENCES FOR GIRLS

Every year, through programs that include science and technology, business and economic literacy, visual arts, and outdoor and environmental awareness, Girl Scouts of San Jacinto Council (GSSJC) encourages women and men over the age of 18 to help build girls of courage, confidence and character who make the world a better place. As a volunteer of the premier organization for girls, you'll add meaningful days to the lives of girls by creating new learning experiences for future leaders in grades kindergarten through 12th.

There is no better time to serve as a Girl Scout volunteer than now. The 2011-2012 will mark the centennial of the Girl Scout movement, giving volunteers plenty of opportunities to participate in all the wonderful events and programs that are sure to be memorable for the girls and the communities they serve.

Becoming a volunteer is simple. All you have to do is complete an application and background check, and accept the Girl Scout Promise and Law. A year-long commitment is no longer necessary as the organization provides a number of flexible options to serve its membership, matching your expertise, skills, interests, and life experiences to available opportunities.

Tackle everything from global warming to election reform. Travel to incredible places. Teach a girl how to build a robot, butterfly or rain garden. Share your personal passions and create experiences together you'll never forget. Whether you choose to directly or indirectly work with girls, short-term or long-term, GSSJC will provide the support, guidance and tools you need to be successful.

Girl Scouts is for every girl, everywhere. It's also for adults – caring individuals willing to share their time and talents to help girls explore their interests and achieve their potential. If you can think it, you can share it!

For more information on how you can make a difference, call 713-292-0300 or 1-800-392-4340, or visit www.gssjc.org/volunteer.cfm.

Girl Scouts of the USA is the world's preeminent organization for girls, with a membership of more than 3.7 million girls and adults. Girl Scouting builds girls of courage, confidence, and character, who make the world a better place. Chartered by GSUSA to provide Girl Scouting locally, Girl Scouts of San Jacinto Council is one of the largest Girl Scout councils in the country serving more than 76,000 girls served and nearly 18,000 adult members in 26 southeast Texas counties. Girl Scouts motivates and teaches girls that if they can think it, they can do it. No challenge is too big! While membership dues are only \$12 a year, the rewards girls, their families and their communities reap are invaluable.

Girl Scouts of San Jacinto Council Copper Corners Service Unit is forming now. If you or your troop is interested in coordinating Father Daughter, Daisy Day or Brownie Day or annual recruitment events at your school events, please call or email melinda.riso@yahoo.com. Copper Corners serves all girls in the residence areas for Lowery, Birkes, Fiest Elementary Schools, Aragon and Labay Middle Schools and corresponding high schools. For more information about joining, becoming a Troop Leader, assisting a troop or inspiring elementary, middle or high school aged girls, call 800-392-4340 or visit www.gssjc.org

Donovan who is a Crime Prevention Specialist at the TAMU campus in College Station. Officer Donovan will discuss all aspects of safety on campus including Code Maroon and give insight into the many ways your students at Texas A&M can help prevent crimes on campus.

The NW Harris County Aggie Mom's Club is designed to support our Aggies through student scholarships and financial donations to many campus organizations. We provide a way for Aggie Moms to

support each other by sharing the joys of parenting Aggie students. This year the NWHC Aggie Mom's Club distributed more than \$30,000 in funds back to TAMU through donations to student organizations, scholarships, projects, and services.

On September 10th, Aggie Moms are participating in the "Shop Til U Drop" event at the Berry Center and selling unique Aggie "Traditions" frames, fabulous new "Traditions" pillow designs, awesome new "Bling" t-shirts, and other great gift items. Come join the Aggie Moms at this great shopping experience! Some of our Boutique items will also be for sale at our September meeting.

You CAN Make a Difference!

*Be Part of the "Bus Buddies Volunteer Program"
In Our Cypress-Fairbanks ISD Schools*

WHAT IS BUS BUDDIES?

Bus Buddies is a partnership between the Cy-Fair community and Cypress-Fairbanks Independent School District to provide assistance to elementary students helping them get off the bus at the correct location. The program requires one "Bus Buddy" per elementary bus the first three days of school. The approximate time commitment is from 2:45 p.m. – 4:45 p.m. on August 22, August 23 and August 24. Your job is to simply assist the bus driver with making sure the children get off the bus at their correct stops.

WHAT IS REQUIRED?

- (1) Attend one of the training sessions, if not previously trained.
- (2) Arrive and sign in at your assigned school where campus staff will assist you.
- (3) Enjoy helping the kids and driver!

WHEN AND WHERE IS TRAINING?

Training Sessions will be held at The Berry Center, 8877 Barker Cypress Rd., Cypress, TX.

Training dates: Monday, Aug. 15 (9:30 – 10:30 a.m.); Tuesday, Aug. 16 (6:30 – 7:30 p.m.) and Thursday, Aug. 18 (7:30 – 8:30 a.m.).

The Partners in Education (PIE) department is looking for the same strong Bus Buddy support we have enjoyed the past. Making sure that all of our elementary children get off the bus at the correct stop is a very big task. It requires 400+ volunteers in the Cy-Fair community to ride buses to assist the nearly 9000 riders and their drivers.

INTERESTED?

Volunteers can RSVP and register for a training session by visiting <http://www.cfsd.net> and selecting "Bus Buddies". For additional information about the program, please contact the CFISD Partners in Education Department at 281-894-3949.

FACTS YOU NEED TO KNOW ABOUT DROWNING

DROWNING ALERT!!!

TEXAS has more drownings than any other state so far this year and we still have a long HOT summer ahead of us. Please be safe in and around the water.

Source: U.S. Consumer Product Safety Commission's Pool Safety Campaign www.poolsafely.gov

DROWNING CAN STILL OCCUR EVEN IF YOU KNOW HOW TO SWIM

Download a QRcode App on your phone & scan me!

NO ONE is "drown proof" – no matter their level of swimming ability.

Falls, entrapments, and injuries lead to drowning regardless of swimming level.

DROWNING IS QUICK AND SILENT

Drowning can occur in less than 2 minutes.

Irreversible brain damage can occur in 4 minutes or less.

Most children are out of sight or missing for less than 5 minutes and usually in the presence of 1 or both parents.

Most children die who are submerged for as little as 6-10 minutes.

Children who drown may not **scream, splash, or struggle**. They can silently slip beneath the water, even with adults & lifeguards present.

Will My Child Be Ready for Elementary School?

Submitted by: Brandi Muse

More and more parents are recognizing the importance of enrolling their children in preschool to help them develop the right foundation for success in elementary school and beyond. However, the best programs go beyond helping children master basic academic skills to supporting their development as happy, confident, well-rounded individuals.

Research shows that from birth to age five, development in all areas is rapid. Children form strong neural connections during this time as a result of experiences they have with everyone and everything they encounter. The quality of those early interactions determines how children continue to learn and form relationships, strongly influencing their future success and happiness.

“Parents should look for preschool, pre-K, kindergarten and first grade programs that take a balanced approach to developing motor, social-emotional, creative and academic skills,” said Brandi Muse, of Primrose School at Summerwood. “It takes quality instruction, a well-rounded curriculum and a positive teacher relationship to prepare a child to succeed.”

- **Academics:** Let's go beyond concentrating only on basic math and reading skills. Academic success is not just about memorization – it requires learning how to think critically, use mathematical concepts, express curiosity and develop competence in language skills like listening, speaking and writing.
- **Technology:** In today's technology-rich world, children need to have a grasp of technology as a tool for creative expression and problem solving. Computers equipped with developmentally-appropriate educational software and online resources should be integrated into the classroom.
- **Physical Development:** Children who participate in daily physical activity develop basic motor skills like throwing, jumping and balance that help them become healthy adults. Physical activity also creates neural connections that support academic achievement.
- **Music and Art:** Young children naturally engage in “art,” or spontaneous, creative play, but when educators involve children in music and art activities regularly from an early age, they encourage cognitive and emotional development.
- **Social-Emotional Development:** Preschool programs should focus on social and life skills to help your child establish positive relationships and transition easily to elementary school.
