Dear Residents,

Please be aware that we have had reports of alligator(s) in and around various lakes in the community including those inner lying residential areas. At this time no alligator has been reported to be aggressive and or is not full grown in size. Please take necessary precautions, be aware of your surroundings and carefully review the information below.

The lakes are recreational and many of you utilize them regularly for fishing therefore, please remember to take proper precautions when doing so. We are not discouraging recreation however creating an awareness. Some of these alligator(s) are reported to be babies. Teenagers and or children may be enticed to attempt catching, teasing or feeding them. Please **DO NOT** allow this. Teasing them is only an aggravation and may lead to them becoming aggressive. Swimming in the lakes is not allowed.

Below you will find some information we have had posted to the website [www. Bridgelandlife.com](http://www.Bridgelandlife.com) for your review. Please be aware and educate your families.

Sincerely,

Bridgeland Community Associations

It is unlikely that they will disturb you if you do not disturb them. Certain species of wildlife are protected under state laws. There are fines for catching alligators. Acts of this nature are not allowed. Please visit the Texas Parks & Wildlife's website or contact them directly to learn more about the habitat of various wildlife within Texas and our region.

AMERICAN HEART ASSOCIATION'S NORTHWEST HARRIS COUNTY HEART WALK

The American Heart Association will hold its annual Heart Walk for the Northwest Harris County area on Saturday, October 22, 2011 at Lone Star College in CyFair. This fun, family-friendly event promotes physical activity as part of a heart-healthy lifestyle, and raises funds for research and programs to fight heart disease and stroke - our nation's number one and number three killers.

Each year, nearly 865,000 Americans die from some type of cardiovascular disease – more than the next four leading causes of death combined. But we can make that

change! This fun-filled non-competitive 5k walk will include approximately 2,000 local residents and 30 businesses and organizations from the Northwest Harris County area dedicated to promoting healthy hearts.

The event is being chaired by Rhonda Sandel, CEO of Texas Emergency Care Center, and the overall fundraising goal for the walk is \$225,000. Last year's Northwest Harris County Heart Walk was chaired by Peter Barnhart of Caldwell Companies, and netted \$200,000 for cardiovascular disease research – 25% more than the initial

fundraising goal. The Northwest Harris County Heart Walk is sponsored locally by Texas Emergency Care Center and nationally by SUBWAY® Restaurants.

Registration for the event will begin at 8:30AM, and walkers will begin their walk at 9:30AM from Lone Star College-CyFair through the neighborhood of Towne Lake. Join us for the American Heart Association's Northwest Harris County Heart Walk as we walk for heart-healthy futures!
