## SUMMER CLEAN-UP

- \* If you cut bush or trees, the branches must be bundled and no longer than four(4) feet in length and no more than forty (40) pounds.
- \* The trash men will not remove a pile of branches.
- \* If you plan to paint your home, even the same color, you must apply for ACC approval before you begin this project. Call Chaparral Management at 281-537-0957 and request an ACC form be sent to you or download one from the Fairwood website. Please remember to include a color sample with your application.
- \* Driveways can be power washed to remove oil and other marks.
- \* Flowerbeds should be weeded and then mulched to prevent weeds.
- \* Trees should be trimmed away from stop signs and sidewalks to allow for visibility.
- \* Clean your yard (front and back) from all debris piles. The mosquitoes and snakes like these places to live.
- \* Be a good neighbor and repair fences between properties. These fences are "usually" shared and are both neighbors' responsibility.
- \* Trim the bushes around your home. This enables the patrol in the neighborhood to have a good view of your home and does not give a place for an intruder to hide.
- \* Help a neighbor that cannot do a project. This promotes "Good Will" and helps the neighborhood
