PEOPLE PROTECTING OUR PARKS

New Fire Safety Campaign for City of Houston Parks

People Protecting Our Parks calls on all Houstonians to proactively protect the City's parklands during the ongoing drought. The campaign has two main goals: fire prevention education and the protection of public parklands. The first step in this campaign is the issuance of a temporary ban on all barbecue pits in City of Houston Parks.

The temporary ban on barbecue pits will remain in effect until further notice. Signage notifying the public about the ban will be placed in the parks. To allow for a period of public education, warnings will be issued to violators until City Council adopts a permanent enforcement mechanism next week.

Houston Fire Department recommends the following safety tips during this drought:

BARBEQUE SAFETY

- Portable barbecue pits, charcoal grills and other open-flame cooking devices outside of a building should not be operated on combustible balconies or located within 10 feet of combustible walls or roofs or other combustible materials.
- When igniting the barbecue charcoal, use a charcoal lighter, not gasoline. Gasoline can flash violently in and around the pit causing serious injuries to anyone in the

area of the flash. A fire extinguisher or charged garden hose should be handy while the fire is burning. Check the pit frequently to ensure that it is okay.

- Hot ash and coals from barbecue pits and charcoal burners should be placed in a non-combustible container until cooled or thoroughly saturated with water, before being disposed.

OPEN FLAMES

- The City of Houston Fire Code prohibits all open-burning within the Houston city limits at all times. The burn ban in unincorporated areas of Harris County also prohibits any outdoor open-burning, including the burning of: a bonfire, rubbish fire, campfire, trench fire, or other fire in an outdoor location when not contained.

VEHICLES, TRAILERS AND TOOLS

- Park vehicles so that the exhaust system does not come in contact with dry grass, leaves, or weeds.
- Adjust the safety chains on trailers to ensure they don't drag and create sparks that can cause roadside starts.
- Keep lawn mowers and agricultural equipment in proper working condition

and avoid rocks and other materials which might cause a spark.

- Do not weld or cut without a spotter, a water source and a shovel.
- Notify the electric power company when dead trees or overhanging limbs endanger the electric wires. The wires may touch each other or the ground, causing sparks that start fires.

CIGARETTES OR OTHER SMOKING MATERIALS

- Another cause of accidental fires is carelessly discarded cigarettes or other smoking materials. They can smolder for hours and should be completely doused with water before being discarded in a safe manner, rather than tossed out a window or on the ground.
- Texas' arson law includes felony punishment for anyone whose cigarette recklessly sets fire to a building or injures anyone. Arson is a second-degree felony in Texas, punishable by up to 20 years in prison, but if a person is hurt or killed or if the fire involves a church, arson is a first-degree felony, carrying possible punishment of up to life in prison.

SAINT ARNOLD

Lakes on Eldridge Oktoberfest

The 4th Annual Lakes on Eldridge Oktoberfest is right around the corner. Join the LOE Social Committee at the Beach Club on FRIDAY 21st OCTOBER at 7:30 pm for a beer sampling with Houston's own Saint Arnold Brewery. Mark your calendars and tell your neighbors, as you won't want to miss this event. Last year over 130 people came out! Saint Arnold tasting glasses will be for sale for \$5 a person and the Saint Arnold crew will bring their 5 regular beers and a seasonal offering for sampling. Non-alcoholic refreshments and snacks will also be available.

Not familiar with Saint Arnold Brewery? Saint Arnold is a local brewery that brews ten different beers. Five are made year round and five are seasonal. They are available in bars, restaurants, grocery stores, liquor stores and warehouse stores in throughout Texas and now even Louisiana! From their website, www.saintarnold.com: "Saint Arnold Brewing Company, located in Houston, is Texas' Oldest Craft Brewery. Our goal is to brew world class beers and deliver them to our customers as fresh as possible making them the best beers in Texas. Our customers are beer lovers - people that appreciate great, full-flavored beers. Our small crew does everything at the brewery: brew the beer, filter the beer, keg the beer, bottle the beer, sell the beer and drink the beer. For us, this is a passion, not a job. We believe that this comes through in the beers we make. Our beers have soul." So get in the spirit and sample a few of their beers before LOE's own Oktoberfest.

We are looking forward to seeing you there! It is a great chance to get out and meet your neighbors and support a local business. For more details or to RSVP please contact Melissa at 281-639-9287 or melissa@melissahunzeker.com.

Forbes recently released its latest ranking of U.S. cities best positioned to grow and prosper in the coming decade, and Houston came in No. 5. The survey considered 52 of the nation's largest metro areas (those with populations of more than 1 million) and ranked them on the basis of data indicating past, present and future vitality. One-third of the score consisted of job growth; the remainder consisted of demographic factors, including family formation. Here's what Forbes likes about the Bayou City:

- Low housing prices
- Stable job market
- Vibrant immigrant community
- Burgeoning port
- Dominance of the world energy business

These factors prompted Forbes to label Houston a "future boom town ... destined to become even more influential in the coming decade." Please read the complete article at <http://blogs.forbes.com/joelkotkin/2011/07/06/the-next-big-boom-towns-in-the-u-s/>.

This fun-filled non-competitive 5k walk will include approximately 2,000 local residents and 30 businesses and organizations from the Northwest Harris

HALLOWEEN

Boo! What are you going to be for Halloween? Sometimes, it can be fun to dress up as a group. Maybe your brothers, sisters, friends - or even parents - will want to join in the fun. Here are some costume ideas for groups of two or more.

- sun and moon
- winter, spring, summer, and fall
- salt and pepper shakers
- a toothbrush and a tube of toothpaste
- cop and robber
- doctor and patient
- veterinarian and animal (dog, cat, or bunny)
- fireman and fire dog (dalmatian)
- fisherman and fish
- squirrel and nut
- teacher and student
- pilgrim and Indian (or turkey!)
- prince and princess (or king and queen)
- cowboy and horse (or cowboy and cowgirl)
- dog and bone (Arf! Arf!)
- Santa and elf (or Mrs. Claus)
- macaroni and cheese
- Fopsy, Mopsy, and Cottontail (from Peter Rabbit)
- Dorothy, the Tin Man, the Scarecrow, the Lion, and Toto (from the Wizard of Oz)
- Sonny and Cher (ask your parents!)
- vampire and bat
- burger and fries
- peanut butter and jelly
- three blind mice
- three little bears
- three little pigs

And no matter what you dress up as, please be safe while you're haunting the neighborhood!
