A FOCUS ON PHYSICAL ACTIVITY

PATHWAY TO IMPROVED HEALTH

By Concentra Urgent Care

Being physically active is one of the most important steps you can take to maintain or improve your health. When combined with eating a healthy diet, regular exercise can substantially reduce your risk of chronic disease, prevent weight gain, and improve your overall level of physical and emotional fitness.

HOW MUCH PHYSICAL ACTIVITY DO I NEED?

The U.S. Department of Health & Human Services (HHS) has recently published several recommendations related to exercise:

Any physical activity is better than no physical activity - Includes people with disabilities & far outweighs the possibility of risk of injury or illness.

Most health benefits occur with at least 150 minutes a week - Both aerobic (endurance) and muscle-strengthening (resistance) are beneficial

For most people, additional benefits occur when you increase the intensity of your physical activity, the frequency of your physical activity, & the duration of your physical activity

SHOULD OLDER ADULTS EXERCISE, TOO?

The same HHS guidelines apply, but older adults need to make sure that their fitness level and any chronic conditions allow them to safely perform physical activity. For example, if an older adult is at risk of falling, he should do exercises that maintain or improve his balance.

WHAT IF I HAVE A CHRONIC MEDICAL CONDITION?

If you have a chronic medical condition, you should be under the care of a health care provider. It is important to consult your physician about the type and amount of physical activity appropriate for you.

HOW DO I GET STARTED?

The health benefits of physical activity far outweigh the risks and some activity is better than none. Persons who have not been diagnosed with a chronic condition (such as diabetes, heart disease, or osteoarthritis) and do not have symptoms (e.g., chest pain or pressure, dizziness, or joint pain) do not need to consult with a health care provider prior to starting an exercise program.

For more information on total fitness programs in general, you can contact your health care provider, your Concentra health specialist, or visit the National Safety Council's Web site at: <http://www.nsc.org/resources/Factsheets/hl/fitness.aspx>.

The Rotary Club of Cypress-Fairbanks Hosts Mothers' Day Brisket Sale to Benefit Cypress Assistance Ministries New Mothers' Fund

The Rotary Club of Cypress-Fairbanks is hosting a Mothers' Day Brisket Sale on Saturday, May 12, 2012 to benefit Cypress Assistance Ministries' New Mothers' Fund. For a \$50.00 donation, participants will receive a fully cooked brisket (approximately 7 lbs) prepared, seasoned, and smoked by the cooks at Carl's Bar-B-Que, including a pint of their delicious barbeque sauce.

Cypress Assistance Ministries' New Mothers' Fund is designated to provide special needs funding to help new mothers with basic needs including pre-natal vitamins, layette supplies, cribs and mattresses, over-the-counter infant medicine, infant car seats and critical medical assistance.

"We are proud to partner with Carl's Bar-B-Que to support such a worthy community initiative" said Rotary Project Director, Ray Young. "The community can order briskets for themselves or designate a local charitable organization such as Boys & Girls Country, Cypress Assistance Ministries, or the Northwest Houston Salvation Army as a recipient."

Briskets must be pre-ordered by Monday, May 7th and may be picked up at Carl's Bar-B-Que from 10:00 am until noon on Saturday, May 12th. For those unable to pick their brisket up at that time, arrangements can be made to pick up at a more convenient time. Order forms are available by contacting Ray Young at dry@waterengineers.com or 713-582-7564.

ABOUT THE ROTARY CLUB OF CYPRESS-FAIRBANKS

Chartered in 1970, the Rotary Club of Cypress-Fairbanks consists of business leaders and professionals active in community and international service. Over more than 40 years, the club has raised over \$600,000 to support local and international organizations. Meetings are held every Monday at noon at Carl's Barbeque on Highway 290 and Telge Road, in Northwest Houston. For more information about the Rotary Club of Cypress-Fairbanks and its programs, call 281-955-5400

Top Ten Tips for Improving Bad Breath

Suffering from bad breath, but not sure why? Think about drinking more water and using less mouthwash. Find out why and learn more ways to improve your breath with these top ten tips.

Call it by its fancy name, "halitosis," and it won't smell any sweeter. Bad breath is frequently a sign that you're not keeping up with your oral health. The source of this unpleasant odor is, in most cases, bacteria living on your teeth, gums or tongue. Follow these ten tips for a breath of fresh air:

Brush your choppers twice each day. Better yet, brush after every meal. If you eat lunch at work or school, keep an extra toothbrush there. Also, be sure to replace your toothbrush regularly. Every few months, swap your brush for a fresh one.

Reach between your teeth. Flossing daily helps you remove food particles from between your teeth, where your toothbrush just can't reach. Flossing also helps keep your gums healthy, preventing periodontal disease, which can also lead to bad breath. If using regular floss is difficult for you, try one of the many interdental cleaners available at drugstores.

Pick up an electric toothbrush. Along with floss, an electric toothbrush removes plaque better than a manual toothbrush.

Treat your tongue right. Bacteria can gather on the surface of your tongue, so use a soft-bristled toothbrush or a tongue scraper to clean it every time you brush.

Tap your inner teenager and chew gum. The act of chewing (sugarless!) gum stimulates the production of saliva, which naturally washes away bacteria and food particles. If you suffer from a lack of saliva due to "dry mouth," a condition sometimes caused by medication, let us know; we can help address the problem.

Don't fall for the myth of mouthwash. Most mouthwashes merely mask the smell of bad breath and don't do anything to solve the underlying problem.

Hydrate, hydrate, hydrate. Drink water regularly to keep your mouth moist, and go easy on alcohol and caffeine, both of which are dehydrating.

Turn off the tobacco. Smoking and chewing tobacco lead to bad breath. They also increase your risk of a host of serious health problems, from periodontal disease to cancer.

Take note of what you take in. Certain diets, foods and medications can affect your breath. If your problem doesn't appear to be oral, make a list of the foods you eat and medications you take. Review it with your dentist or your family doctor to assess the source of the problem.

Call in the experts. It's important to have your teeth professionally checked and cleaned twice a year. Your dentist can give your teeth a thorough cleaning that isn't possible at home, as well as check for and treat early signs of problems such as cavities or periodontal disease.

In rare cases, persistent bad breath can be a sign of a larger health problem. The American Dental Association lists possible medical sources of bad breath, including respiratory infection, chronic sinusitis, postnasal drip, chronic bronchitis, diabetes, gastrointestinal disturbance, and liver or kidney ailments. If your dentist suspects that your breath problem stems from a medical issue, he or she will recommend speaking with your family doctor immediately.

When I was looking for a realtor, I needed someone who knew the area, offered a package of services that would enhance the salability of my home, and had the complete staff to support me and keep me informed on the progress of my home sale. I found all of these in David Flory's team. The level of personal service that I received made selling my home the absolute correct choice for my family.

Girl Scouts - Exploring Careers

Girl Scout Brownie and Juniors from Birkes Elementary visit the dental office of Dr. Kathleen Black DDS. They had the opportunity to learn, first hand, the education requirements for the career path of a dentist. They also learned about the steps she took to becoming a business owner. Exploring careers and visiting professionals in the community are one of the activities required to earn the Career badge. Calling all Leaders and Co Leaders to join us at our next Service Unit Meeting May 8th at 7:00 at Lowery Cafeteria. Leaders - Early Bird registration for your troop members is available online through www.gssjc.org. Also, the troop financial reports are due to the service unit treasurer this month. - Submitted by Melinda Riso

CY-FAIR KIWANIS CLUB

The Cy-Fair Kiwanis Club kicked off the first of the Kiwanis Houston Kids Triathlons on MAY 5 at the Langham Creek YMCA. More than 100 boys and girls ages 7 through 12 participated. Parents and friends cheered as the participants completed the events and winner were awarded trophies. All participants received T-shirts and certificates. Come join us at the CY-FAIR KIWANIS CLUB and be a part of sponsoring children's activities, such as the Triathlon. CHILDREN PRIORITY ONE is the motto of Kiwanis Clubs worldwide. The Cy-Fair Kiwanis Club sponsors nine Key Clubs in the Cy-Fair Schools; sponsors the Kids Triathlon; Girl Scout, Boy Scout, and Sea Scout troops and activities; provides scholarships to outstanding Key Club members in our district; provides assistance to Cypress Assistance Ministries and Bear Creek Ministries; the Houston Food Bank; and many other nonprofit organizations.

Membership is open to persons of good character who adhere to the standards of good conduct in their community and believe in and subscribe to the objects of Kiwanis International. If you would like to know more about Kiwanis and the programs it promotes, we invite you to be our guest at one of our monthly meetings. The Cy-Fair Kiwanis Club meets at Hearthstone Country Club on the first, second, and third Tuesday of each month at 12:15 for lunch and informative programs. For more information, call John Carroll at 281-463-0373 or George Crowl at 832-467-1998.
