## HEALTH BRIEFS - JUNE 2012

### TRAMPOLINES PUT KIDS AT RISK FOR SERIOUS INJURIES

“About 100,000 children between 5 and 10 years old are injured annually on trampolines,” said Dr. William Phillips, professor of orthopedics and pediatrics at Baylor College of Medicine and chief of pediatric orthopedics and scoliosis at Texas Children’s Hospital. “Younger children and teens are also at risk.”

Common causes of injury on trampolines can be from colliding with another person, landing improperly, falling or jumping off the trampoline and falling on the trampoline springs or frame. Younger children are at greater risk for fractures, while older children often suffer sprains and strains.

“Kids don’t have to fall off a trampoline to get hurt, so using a net around a trampoline does not mean they are safe,” explains Phillips. “I’ve seen many children break bones landing on the trampoline itself.”

### LOSE WEIGHT TO SLEEP BETTER

Expanding waistlines are causing many Americans to lose sleep. Chronic obstructive sleep apnea, not visions of doughnuts, is keeping us awake. Obesity in the upper body, especially in the neck, can narrow the airways leading to the lungs, resulting in heavy snoring, pauses in breathing and frequent interruptions of sleep. “Most of our overweight patients say they snore excessively and don’t sleep well,” said Dr. Peter Jones, an associate professor of medicine at Baylor College of Medicine and medical director of weight management at Methodist Wellness Services at Methodist Healthcare Systems.

Patients in Methodist’s weight management programs need to lose 50 or more pounds. After losing weight, many report that their sleep improves. “Losing weight can be an important part of treatment for patients who have sleep apnea,” said Dr. Max Hirshkowitz, associate professor of psychiatry and director of the Baylor Sleep Disorders Center at the Houston Veterans Affairs Medical Center. “Even a 10 percent weight loss can reduce the number of times most patients stop breathing during the night.”

### THERAPY IS ‘NO SWEAT’ FOR EXCESSIVE PERSPIRERS

A little-known procedure at Baylor College of Medicine provides an alternative antiperspirant for those who sweat uncontrollably. Iontophoresis involves passing a mild electrical current through tap water to shut off the sweat glands temporarily. The hands and feet are soaked in a basin of water for 40 minutes in the comfort of the patient’s home.

“The technology has been around since the 1950s, but it never gained widespread fame, in part because most doctors don’t know it is an option,” said Dr. Ramsey Markus, an assistant professor of dermatology at BCM. “It is a very safe and effective way to decrease sweating, especially in the hands and feet.” Markus said he prefers iontophoresis for his patients with sweating in the hands and feet because it is less expensive and less painful than Botox

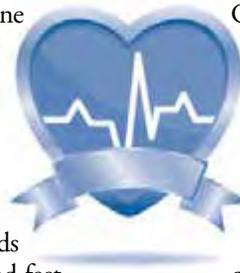

injections, and it can be done regularly as needed in the home. Most patients only require the therapy twice a month to keep the sweat glands from producing excessive sweat.

### MANAGING FOOD ALLERGIES

Food packages often come with the caution, “Warning: may contain peanuts,” and for good reason. It’s estimated that more than 1 million Americans suffer from peanut allergies and their reaction if exposed can be life-threatening.

Other common food allergies are to cow’s milk, tree nuts, fish and shell fish, egg and even some fruits and veggies, said Dr. Celine Hanson, professor of pediatrics at Baylor College of Medicine in Houston and chief of the allergy/immunology clinic at Texas Children’s Hospital. Symptoms of food allergies can range from mild to severe and can affect various parts of the body, including the digestive system, the respiratory system and the skin.

Hanson offers several ways that patients can manage their food allergies. The best tactic is to avoid foods that cause allergies altogether, Hanson said. But in addition, medications such as antihistamines and corticosteroids are available to help manage symptoms. Patients who suffer severe reactions, should keep a device such as an EpiPenR on hand so that they can administer an epinephrine shot. Allergy sufferers should wear a medical bracelet or necklace with information about their allergy, and schools, caregivers and even the parents of children’s friends should be notified of food allergies.

### Survivors Offering Support at Methodist Willowbrook Hospital

Many women with breast cancer have found caring support and information from sharing experiences with fellow survivors. Breast cancer patients need to find others who have had a similar experience, and our support group helps to fill this unique need to meet and talk with other survivors. The group is led by a trained facilitator who uses the curriculum "Navigating Life's Road Map After Breast Cancer" from the organization, *Reconstruction of a Survivor*.

Some of the session topics include:

- It's okay to cry
- Joy is around the corner
- What are you afraid of: The Fear Factor
- 2-1=I'm still a 10!
- I will forgive
- How can I function when I feel overwhelmed?

## Register NOW for FSA Soccer!

It is time once again to register your soccer superstar for FSA Soccer. The Fairfield Sports Association offers a fantastic environment for your budding soccer player to develop their skills and grow their passion for the beautiful game. We offer soccer divisions for boys and girls ages 4 – 12. Our younger divisions (U5 and U6) play 3 v 3 soccer on small fields with no goal players. We gradually increase the size of the field and the number of players as the kids get older. Starting at age 7, players participate in an evaluation and are selected by their respective teams. This soccer season, FSA soccer players will wear the XARA MLS City Series 2 uniform. The uniforms look GREAT, and the kids will really love them! Registration costs cover a complete uniform kit including game jersey, shorts, and socks. Registration for the U5 and U6 divisions is \$115. Registration for the U7 and older division is \$130. There are no additional FSA fees, fundraisers, or sponsorships players or teams are responsible for during the season.

All practices and games are played in Fairfield. Players in the U5, U6, and U7 divisions are all awarded participation trophies at the end of the season. In the older divisions, trophies are awarded for the divisional champions and runners-up. Additionally, the older divisions participate in a season ending tournament. Tournament time is very exciting with many games played “under the lights” at night on the grounds of the Fairfield Athletic Center. FSA Soccer is also thrilled to announce we are conducting our first ever Kick-off Summer Soccer Camp! This camp is for boys and girls ages 6-10. The camp is scheduled for June 11th thru 14th from 9:00am until 11:00am. Professional trainers from the Challenge Soccer Club and the Texans Soccer Club will be working with FSA Soccer providing the training for the camp. The cost of the camp is only \$50. The camp will be held in Fairfield at our Robert’s Fields facility near our Central Park Splash Pad.

To register for either the camp or an exciting season of FSA soccer, visit the Fairfield Sports website at [www.fairfieldsports.net](http://www.fairfieldsports.net). From the menu button, click the SOCCER link. Once at the Soccer page, click the MORE menu button and then click the REGISTRATION link.

the Texas Youth Circuit after Texas Race Week, with approximately 200 sailors, coaches, parents, and organizers coming to Seabrook and Galveston Bay. The youth sailors participate in 6 different fleets; the beginner sailors in the Optimist Green fleet, the experienced Optimist sailors in the Red/White/Blue fleet, Laser 4.7, and Laser Radial. Parents enjoy the view of the sailing course and Kemah from the clubhouse deck, while their kids put their skills to the test. Sailing is a great sport for kids that fosters self-confidence, independence, and responsibility. As skippers, they are in control of their own destiny; they make their own decisions, which have a direct result on their finish position, well-being, and boat condition. But most importantly, it’s fun! The 2012 regatta will take place September 22-23, 2012. Official Notice of Race and Sailing Instructions will be posted on the SSC website nearer the time of the event.

The Seabrook Sailing Club has been providing safe, organized, and challenging sailing for local sailors and guests since 1934. If you’ve been thinking about learning to sail, getting back on the water, or competing in our organized club races, check out what the Seabrook Sailing Club has to offer. ## Cypress Village Station Proves to be Perfect Venue for First Annual Wine Fair Cy-Fair

### CHAMBER PLANS FOR LARGER NUMBERS FOR NEXT YEARS' EVENT

A sold out crowd of over 1,400 guests enjoyed a casual sip and stroll at the first annual Wine Fair Cy-Fair on Saturday, April 28. The event was hosted by the Cy-Fair Houston Chamber of Commerce in partnership with Food & Vine Time Productions and was held at Cypress Village Station, a mixed-use development off Hwy. 290 and Skinner Road, which proved to be the perfect venue for this upscale event.

For the general admission cost of \$25 guests sampled a variety of wines and food from some of Cy-Fair's finest restaurants. They were also invited to partake in several craft beer samplings at The Backyard Grill's Beer Garden; VIP Premium ticket holders started 30 minutes earlier and received a higher caliber of wines and tasty treats from restaurant newcomer, Claudia's Fresh Mex, as well as, access to all of the general admission wines and foods.

### PARTICIPATING RESTAURANTS INCLUDED

The Backyard Grill—Carino's Italian—Claudia's Fresh Mex—Don Julios Mexican Restaurant—d'Vine Wine Bar & Bistro —El Rey Cuban and Mexican Cuisine —HEB Cypress Market—Merche —Northwest Forest Hotel & Conference Center—Texas Road House—Zaxby's—1252 Tapas Bar

Greeted with goody bags, bottled waters and a baguette from H-E-B Cypress Market visitors enjoyed the cooler evening breezes as they made their way through the outside courtyard at Cypress Village Station. Sippers were serenaded by the 'fresh' sounds of the Robert Hartye Band from the Aruba Tourism stage and they also got a sneak peek at several new Volkswagen cars courtesy of Momentum Volkswagen of Jersey Village. Greystar Cypress Village showcased their apartment property to prospective tenants who are seeking the amenities of a mixed use living property located at the development.

Several of the wines that were sampled at the event were available for bid at the Cy-Fair Educational Foundation's silent auction tent. In typical Cy-Fair fashion, generous guests bid on the elaborate wine filled baskets to benefit the foundation's scholarship program.
