Letter From Your Board President

Lakes of Rosehill HOA conducted its annual meeting on Monday, April 23rd. During that meeting, a tabulation of votes was concluded for the three candidates to fill two open positions on the Board. The candidates were April Richardson, Michael McBride, and Mark Riordon. The voting was extremely close among the candidates, with the final tabulation revealing Mark Riordon as a continuing Board member, and Michael McBride as a new member.

The Board wishes to extend its sincerest thanks to Mr. Finke who is exiting the Board. Mr. Finke was an active participant as a Board member for a number of issues and was instrumental in the engineering oversight to successfully complete the repair of a major erosion issue that had occurred in one of our drainage canals. The Board also wishes to welcome back Mark Riordon, who originally came to the Board to complete a one year term for an open position that was vacant. Mr. Riordon has vast knowledge of our subdivision through his many years of active involvement in the ACC, and brings valuable insight to help the Board make informed decisions. Mr. Michael McBride is also welcomed as the newest Board member and will fill Mr. Finke's open position. The Board looks forward to working with Mr. McBride, and we feel he will bring positive insight and value to the Board from his past Board membership in another subdivision. The Board would be remiss if we did not also mention Mrs. April Richardson who was the third candidate. Though Mrs.

Richardson did not get elected this year, her candidate profile reflects that she has valuable knowledge that would be beneficial to the Board and we encourage Mrs. Richardson to submit her candidacy again next year and volunteer to assist in special projects and community needs as they arise.

A subject that has been a part of ongoing dialogue is the issue about getting our main roads in the subdivision accepted by Harris County. Acceptance of the roads is critical for a variety of reasons including the ability for law enforcement to actually issue citations for moving violations, have enforceable speed limits, and County road maintenance of our main ingress/egress roads into the subdivision. The cul-de-sacs will not be accepted by the County and will remain the responsibility of Lakes of Rosehill for future maintenance. It is my personal opinion that the acceptance of our roads has taken far too long and is unacceptable. Both the Board and Chaparral have been in contact with the County Commissioner, Steve Raddick, who is in charge of this matter for the County, and Mike Walton, who was our subdivision developer. It is my understanding that Mr. Walton is making repairs as deemed necessary by the County, but then the repair has to hold up for two years before the County will accept it. If the County believes after two years of monitoring that the repair is not acceptable, then the process starts again with another two year wait. The residents of this subdivision have been more than patient with this issue, but having private roads in

the subdivision is in my estimation placing our residents in a safety risk for the reasons I described above. I have been in contact with the County Commissioner's office for an update to this situation as well as a request to elevate the schedule for acceptance. I received information from them on May 7th indicating the following:

Section 1-Lakes of Rosehill Drive (from Cypress-Rosehill to Skinner)

This section was platted to remain a private street by the developer. The reason is that he used plastic storm water drainage underground pipes rather than County approved concrete pipe specification. In order for this section to ever become County maintained, the drainage pipes would all have to be replaced in accordance with County specs., and then the road would have to be re-platted as public. Re-platting is a lengthy process in itself, so this Section would be the last to ever get accepted, if we could get the developer to make the required storm drainage corrections.

Section 2 - Skinner Road (from Huffmeister to Rosy Hill Ct.)

This section is platted as public and does have the concrete drainage pipes, but the slope/grade at which the pipes were placed in the ground has caused them to constantly hold up to 2 ft. of water. Effectively, the water in drain pipes are leveling out with the Lake 3 water level. The only way to fix this is to lower the level of the water in Lake 3 by 2 feet, which would then destroy

the retaining walls. The County is trying to obtain permission to allow the LOR Association to accept the maintenance of the storm drainage, and Harris County to accept strictly the road surface for maintenance. There is no guarantee that permission will be granted, but the County Commissioner's office is at least ramping up their efforts after being contacted to get closure to this matter. If the County receives permission to accept only the road surface, they have indicated that they would be able to do so immediately with the road in its current state.

Section 3 – Skinner Road (from Rosy Hill Ct. to Rose Garden Trail, East to the end of Rose Trail cul-de-sac)

This section has been accepted by the County.

Section 4 – Rose Garden Trail/north half of Briar Rose Trail (beginning at Skinner and Rose Garden Trl.)

Most of this section is platted as public and does have the concrete drainage pipes, but the slope/grade at which the pipes were placed in the ground has caused them to constantly level out with a drainage ditch abutting LOR. The County is trying to obtain permission to allow the LOR Association to accept the maintenance of the storm drainage, and Harris County to accept strictly the road surface for maintenance. There is no guarantee that permission will be granted, but the County Commissioner's office is at least ramping up their efforts after being contacted to get closure to this matter. Unfortunately the south half of Briar Rose Trl. Was platted to remain private. If the County receives permission to accept only the road surface, they have indicated that they would be able to do so immediately with the road in its current state, BUT ONLY AFTER the developer changes the name of Briar Rose Trail due to the fact that Briar Rose was already an established street within Harris County and the developer was instructed that that name would have to be changed. LOR HOA will have the management company contact the developer to get this done immediately.

I will continue to give print updates about our work with the County regarding the street acceptance as I receive it. As a result of the annual meeting, the Board agreed to gather additional information related to neighborhood security statistics and updated recycling information. Both are being presented separately in this newsletter for your information. The Board expects to send voting ballots out very soon after receipt of this newsletter and we strongly encourage every resident to vote in accordance with their wishes. Also listed separately in this newsletter is updated information about what is acceptable to put in our recycling bins for Waste Management. We will also put this information up on our subdivision website for future reference.

The Board wishes to recognize and congratulate all of the new 2012 high school graduates and we hope that you all will go on to fulfill your destiny. For all of the residents in LOR, please be mindful that we will see an increase of children at play on our streets, and we request that all residents abide by the 35 mph speed limit. Even though June is designated as National Drive-Safe month, we encourage our residents to always drive safe and be mindful of your

LAKES OF ROSEHILL

Upcoming Vote for Police Contract

During the 2012 Lakes of Rosehill annual meeting, Sgt. James Blackledge from the Constables office spoke to the residents in attendance concerning crime statistics in our area in an effort to provide information that would allow LOR to vote on whether we should or should not enter into a contract to provide law enforcement security to our subdivision. Our subdivision has seen various crimes over the last few years that range from burglaries, a shooting, mail and mailbox thefts and vandalism, car thefts, criminal mischief, and other crimes. Unfortunately LOR is known by reputation in our area as the subdivision that has no police presence due to private roads, which lends itself to making our LOR an easy target. The results of the survey that was sent to residents with the annual meeting notice suggest that it is time to institute an official vote. The Board will direct Chaparral Management Company to prepare the voting ballots and we encourage every resident in the subdivision to cast their vote.

Should residents in LOR wish to enter into a contract, we might be able to add a Deputy Constable to the current security contract that Cypress Hill MUD #1, but only if their Board of Directors approves adding us onto their existing contract with the Constables office. If approved by Cypress Hill Mud 1 to join their existing 70/30 plan contract, that rate would average out at approximately 182.00 per household. This coverage would allow LOR with 40 hours of onsite coverage per week that would be spread over the course of 24 hours each day. LOR would also benefit from the combined 24 hours coverage afforded by all the Deputies who work for Cypress Hill MUD 1. In addition, it is expected that the response time to a call, either emergency or non-emergency would be less than three minutes. At present when a resident of LOR makes an emergency call, the average response time from the Sheriff's office is twenty-eight to forty-seven minutes (April, 2012).

If LOR is not approved to join with the Cypress Hill Mud 1 contract, LOR can set up its own contract directly with the Constables office, but it would be a 100% plan, and the average cost per household would be approximately \$256.00 per house. **NOTE: If the tally of the official voting ballots in LOR are in favor of security but Cypress Hill MUD 1 does not approve to add LOR to their plan, the Board will proceed with the 100% plan directly with the Constables office.**

As the crime statistic information below illustrates, when Cypress Hill MUD #1 increased their contract to add a second Deputy Constable, greatly enhancing their visibility, the number of calls and incidents dropped dramatically.

Cypress Village Station Proves to be Perfect Venue for First Annual Wine Fair Cy-Fair

CHAMBER PLANS FOR LARGER NUMBERS FOR NEXT YEARS' EVENT

A sold out crowd of over 1,400 guests enjoyed a casual sip and stroll at the first annual Wine Fair Cy-Fair on Saturday, April 28. The event was hosted by the Cy-Fair Houston Chamber of Commerce in partnership with Food & Vine Time Productions and was held at Cypress Village Station, a mixed-use development off Hwy. 290 and Skinner Road, which proved to be the perfect venue for this upscale event.

For the general admission cost of \$25 guests sampled a variety of wines and food from some of Cy-Fair's finest restaurants. They were also invited to partake in several craft beer samplings at The Backyard Grill's Beer Garden; VIP Premium ticket holders started 30 minutes earlier and received a higher caliber of wines and tasty treats from restaurant newcomer, Claudia's Fresh Mex, as well as, access to all of the general admission wines and foods.

PARTICIPATING RESTAURANTS INCLUDED

The Backyard Grill—Carino's Italian—Claudia's Fresh Mex—Don Julios Mexican Restaurant—d'Vine Wine Bar & Bistro —El Rey Cuban and Mexican Cuisine —HEB Cypress Market—Merche —Northwest Forest Hotel & Conference Center—Texas Road House—Zaxby's—1252 Tapas Bar

Greeted with goody bags, bottled waters and a baguette from H-E-B Cypress Market visitors enjoyed the cooler evening breezes as they made their way through the outside courtyard at Cypress Village Station. Sippers were serenaded by the 'fresh' sounds of the Robert Hartye Band from the Aruba Tourism stage and they also got a sneak peek at several new Volkswagen cars courtesy of Momentum Volkswagen of Jersey Village. Greystar Cypress Village showcased their apartment property to prospective tenants who are seeking the amenities of a mixed use living property located at the development.

Several of the wines that were sampled at the event were available for bid at the Cy-Fair Educational Foundation's silent auction tent. In typical Cy-Fair fashion, generous guests bid on the elaborate wine filled baskets to benefit the foundation's scholarship program.

SPONSORS INCLUDED

Aruba Tourism—Backyard Grill—Bridgeland—Caldwell Companies—Community Impact Newspaper—Cypress Preventive Imaging—Greystar Cypress Village Apartments—HEB Cypress Market—Republic National Distributing Company—Texas Emergency Care Center of Cypress—To the 9's Boutique—

Plans are in the works to return to the same location next year and the Chamber is already planning for a larger crowd; adding more restaurants and more wine stations. They are encouraging restaurants and sponsors to sign up early for next year to benefit from the marketing exposure all year long. Fairbanks Library Friends Host "Books, Etc., Sale"

The Friends of the Fairbanks Public Library are having a book sale on Saturday, June 16, from 10 am-3 pm. In addition to hardback and paperback books, for adults and children, they are also selling VHS tapes, DVDs, and other items. Many of the books are in pristine condition. They would make excellent gifts for yourself or for someone else. At \$3 or less, they are also terrific bargains. All proceeds benefit the Fairbanks Library and help provide funding for library programs and materials. Anyone wanting to donate items that are in good condition can drop them off any time the library is open. Donations to the Friends of the Library can be reported as charitable contributions. The library's hours are Monday 1 pm-9 pm, Tuesday – Thursday 10 am-6 pm, Friday 1 pm-6 pm, and Saturday 10 am-5 pm. The library is located at 7122 N. Gessner, near the intersection of N. When selling a home there are many challenges to be addressed that can affect the marketability of the home. David Flory and his team were great partners to include extra information about local home sales, marketing, competition and appeal. In a depressed market this knowledge is important for the seller. Constant communication during our home selling experience made us feel like we were the only customer, instead of just another MLS listing. Thanks to all of the team.
