Northwest Flyers Youth Track Club Registration on February 2nd

The Northwest Flyers Youth Track Club will celebrate its 26th Anniversary Season by hosting its annual free information/registration breakfast on Saturday, February 2nd, 2013, for all boys, girls and their parents who are interested in joining for the 2013 track season. The breakfast starts promptly at 8:30 AM at the Cypress Creek Christian Community Center Forum located at 6823 Cypresswood Dr., Spring, TX, 77379.

The free breakfast is the opportunity for youth athletes to register for the club, 2013 spring/summer track season, and to meet the Northwest Flyers coaches, staff, and other new and returning athletes. The event will be highlighted by a special presentation from a member of the USA Track & Field Olympic organization. All new parents and athletes interested in joining the Northwest Flyers must attend.

The Northwest Flyers Track Club is a youth (ages 6 -18) track club, affiliated with USA Track & Field (USATF), that provides a full program of sanctioned track events such as sprints, hurdles,

middle distance, distance and relays, and sanctioned events such as long jump, triple jump, high jump, pole vault, shot put, discus and javelin. The Northwest Flyers has approximately 285 members. The club was founded 26 years ago by Olympic gold medalist Fred Newhouse to foster the development of youth track & field in the Northwest Houston area.

The Northwest Flyers is a member of the Win with Integrity program, a partnership between USATF and the American College of Sports Medicine. Win with Integrity brings elite track & field athletes and school-aged kids together to promote healthy lifestyles, keeping active, and living with integrity through the sport of track & field.

Traveling With Your Pet?

Submitted by Kristen West

- Take your pet on short trips prior to the big day to let him get used to traveling by car.
- Keep your pet safe in a secured, well-ventilated crate or carrier. It should be large enough for your pet to stand, sit, lie down and turn around. Letting him have free range in the car not only puts him at risk, but it also poses a risk to your family if you were to stop suddenly.
- Never let your dog travel in the bed of a truck. Even if he is secured on a short line to prevent him falling or jumping out, your pet can experience discomfort from the weather and wind or sustain injury from debris.
- Feed your pet three or four hours prior to departure and avoid giving him any food or treats in the car.
- Never leave your pet in a parked vehicle, which can quickly become a furnace and cause heatstroke, even with open windows. In cold weather, the car holds the temperature like a refrigerator.
- Your pet's microchip should be up-to-date and he should be wearing a flat collar and ID at all times.
- Bring a bowl and extra water in case you get stuck in the inevitable holiday traffic jam!
- Take lots of breaks to let your pet stretch his legs and relieve himself. It's a great excuse to do some sight-seeing or pick up a fun treat for yourself!
