Come out and join your little Summerwood residents! Our Easter Eggstravaganza will be held on Saturday, March 23 from 9:00 a.m. - 12:00 p.m. at Club Summerwood. There will be a petting zoo, a rock wall, ferris wheel, bounce houses, crafts, and games! The highlight of the morning will be the Easter egg hunt! The Easter Bunny himself will be there to get the hunt started! Some of our eggs will include prize slips for an additional prize that can be redeemed before 12:00 p.m. Remember to bring your Easter basket and camera!

The times for the Easter egg hunt will be as follows:

AGES 1 – 3: 9:00 a.m.

(Parents may help roam with the kids.)

AGES 4 – 6: 9:20 a.m.

(Parents should bring their camera and watch the kids hunt)

AGES 7 – 10: 9:40 a.m.

(Parents, again, will be watching the kids.)

Panera Bread, Taco Flores and Nothing Bundt Cakes will have their delicious food available for purchase. Please bring cash for the vendors.

In addition to the Easter Eggstravaganza for the little Summerwood residents, there will be an Easter Egg Hunt on the Summerwoodlife.com website for the adults! The contest is open on Saturday, March 23 from 9:00 a.m. 4:00 p.m. Browse Summerwoodlife.com to find all three Easter eggs, and then email summerwoodlife@gmail.com with the secret message after finding

the final egg! A prize will be given to the FIRST correct response, and another prize will be randomly given to one of the other correct responses received before 4:00 p.m. The lucky winners will be announced shortly after the contest closes.

The first clue will be on the Summerwoodlife.com homepage that day. When you think you know what the clue is referring to, find that page on Summerwoodlife.com to see if there is an Easter egg on that page! When you find the egg, click on it to receive your next clue to find the 2nd egg. There will be 3 eggs to find in total.

Good luck!! And Hop-py Hunting!

Beat the Rush!

Pool Wrist Bands Available Now!

With the new year upon us and pool season right around the corner, the Pool Committee would like to make all residents aware of a big change regarding wristbands that will take effect this year. In addition to resident wristbands, homeowners will receive four guest wristbands to use at the pools. Unfortunately, we received many complaints last year regarding excessive guests and unscheduled parties. We believe the new guest wristbands will minimize this problem and ensure compliance with Summerwood's four guests per household pool policy.

The way it works is as follows: When a resident goes to pickup their 2013 black and yellow wristbands for their family, they will also receive four navy and white guest wristbands. Beginning this year, when visiting the pools everyone (other than babies) must be wearing either a resident or guest wristband. This should make it easier for our lifeguards as well as our residents to spot and remove unauthorized people. As our community continues to grow, we feel this is a necessary step to ensure that our facilities are being used in a proper manner by dues-paying residents instead of being overrun by outside freeloaders.

If you did not receive your guest wristbands when you picked up your resident wristbands, simply return to your pickup location and ask for them. Your Summerwood Pool Committee hopes you enjoyed your winter and are ready for a GREAT 2013 pool season. The Pool Committee is here to serve you and we truly appreciate observations, suggestions, and feedback. Our email address is swpool.committee@gmail.com. In addition, we usually meet the 3rd Thursday of every month at 8:00pm in the Central clubhouse. Summerwood residents are ALWAYS welcome.

Home Sales Are Heating Up!

Spring is in the air! As people begin doing spring-cleaning and hear the news about home sales increasing, many come to the conclusion that now is a good time to sell. While many homeowners have been in their homes for 5 or more years, lender requirements have changed as well as the process to obtain a loan. When meeting with clients, I take time to discuss how obtaining a mortgage loan has changed and help guide you in the right direction to begin the loan approval process. Detailed loan information should only be handled by a Mortgage Professional.

Before you start the loan process, be prepared to provide some information below to your Loan Officer. Have it ready now to save time later.

- Address to your place of residence (past two years)
- Social Security numbers
- Names and location of your employers (past two years)
- Gross monthly salary at your current job(s)
- Pertinent information for all checking and savings accounts
- Pertinent information for all open loans
- Complete information for other real estate you own
- Approximate value of all personal property
- Certificate of Eligibility and DD-214 (for veterans only)
- Current check stubs and your W-2 forms (past two years)
- Personal tax returns (past two years), current income statement and business balance sheet for self-employed individuals

Things that may affect the ability to secure home financing could be related to the following:

A career change within the past few years, not officially filing your 2013 or earlier tax returns, change in marital status or a change in income. Please visit my website, www.majorleaguehomes.com and click on the lender tab which list contact information for several local lenders. Each of the lenders listed, will be happy to provide a no-obligation meeting to discuss your options.

The market continues to be strong and inventory continues to shrink in nearly all categories of homes. 1 and 1.5 story homes are hot commodities and are in short supply. Shrinking inventory can put upward pressure on prices if demand by Buyers continues to stay strong. I welcome the opportunity to visit with you to discuss my proven marketing plan; designed to assist you with selling your home at the highest price, in the least amount of time. We continue to see multiple offer situations in several price point ranges. Call, text, or email me today to schedule a time to visit in person. Now is the time to take action!

Rebekah Snipp Scholarship opportunities have increased this year from 1 to 3 for local area 2013 graduating seniors attending Atascocita, Humble, and Summer Creek High Schools. The deadline to apply for the scholarships is April 15, 2013. Please visit our website www.majorleaguehomes.com and click on the Rebekah Snipp Scholarship tab for details on how a graduating senior can apply and the qualifications needed. I look forward to receiving and reviewing all applications and making an announcement of the winners.

In closing, thank you for the opportunity to earn your business. I realize that each of you have a choice, I appreciate the opportunity to serve you which helps me give back to the community in many ways.

Respectfully,
Rebekah Snipp

The Lakeshore Elementary PTO, in cooperation with Kids-R-Kids and Summercreek Baptist Church, is excited to be preparing for their 3rd Annual Community Spring Carnival on Saturday, March 23rd from 12 noon – 4pm.

Primrose School Honors Summerwood Franchise Owners

Dear Community Members:

I am thrilled to share with you some very special news about a school in your community. We recently recognized Brandi and Larry Muse, Franchise Owners of Primrose School of Summerwood, with the prestigious President's Award. They were selected from among more than 240 Primrose schools nationwide because of their leadership and personal commitment to providing a high-quality educational experience for children.

The Muses work alongside their staff members to live the Primrose vision daily, delivering the best and most trusted early childhood education and child care services for families across America.

Annually, Primrose Schools recognizes top-notch Franchise Owners from across the country with the President's Award. Selected schools exemplify excellence in the rigorous Standard of Excellence Accreditation evaluation. They also build relationships with families and children, staff and other Franchise Owners and demonstrate a commitment to the local community. It is because of the hard work of franchise owners like the Muses that Primrose students enter school prepared for success in learning and in life.

We hope you are just as proud of the accomplishments of this outstanding school and the high-quality childhood education and child care services it has delivered to countless Summerwood families. Below

is the contact information for the Muses if you would like to personally congratulate them on their achievement.

Thank you for your continued support of Primrose Schools.

Sincerely,

Tracy Montgomery Real Estate Team

EXPERIENCE - INTEGRITY - RESULTS

Cell 713-825-5905

Tracy Montgomery has been recognized for the 15th straight year as a Top Producing Realtor. "2012 was the most successful year of my career and the first quarter of 2013 is already showing promise to be an even better year." "Real estate in Houston has always proven to be ahead of the national average and there seems to be a shortage of inventory valued at current market conditions."

"Current trends indicate it's time to grow the team so that I can ensure my clients continue to receive exceptional and professional Real Estate assistance."

"Please join Tracy in welcoming the newest members of the Tracy Montgomery Real Estate Team; Sandy Beatte and Denise Hernandez. "To ensure my previous and growing client base receive the same personal attention and incomparable service, I am adding several new members to the team; a new full-time assistant, three Residential Home Realtors and a Commercial Real Estate Professional."

PLEASE WELCOME ...

Denise will tell you, "A home is not a home because of its room dimensions or the color of the walls. It is about how you feel when you walk through the front door. It's the way you can instantly envision your life unfolding in this wonderful new place you call home." Once you have had the opportunity to work with Denise and witness the personal attention to detail she brings, you will see why we're so delighted to have Denise on our team. Denise has been in Real Estate for over 5 years. Her experience and passion for Real Estate will continue to be a great benefit to each of our clients.

Sandy Beatte

Sandy has been a full time Real Estate Professional for over 4 years with proven results that have made her a successful agent. Sandy is not only an agent, she has lived in the Humble (Summerwood) community since 2000 and has a great working knowledge of market trends in the area. Though her early achievements are attributed to her strong marketing background, Sandy believes her greatest asset and success has come from her genuine care for fulfilling each client's needs.
