INFANTS CHILDREN TEENS

A Beautiful Pools Is Looking Forward To A Safe & Exciting Summer in 2013

A-Beautiful Pools, Inc. is thrilled about managing your pool again this year for a great season of fun in the sun. With 28 years of experience in the pool management industry, we are in business to provide safer pools I Houston while empowering employees to succeed in their job. We envision aquatic experiences resulting in happy people and safe, beautiful pools. We consider it a privilege and an opportunity to be working with Stone Gate and hope that we are not only viewed as your management company, but also viewed as a part of your neighborhood.

A-Beautiful Pools, Inc. offers many exciting programs for residents. Summer swim lessons are a great way your children to spend the summer. Our prices are competitive and our times are flexible. Safety is key when spending time at the pool with your children. Take advantage of this neighborhood activity and call now! Pool Parties are a great way to celebrate birthdays, graduations, and school events! You can also get a group together for fun at the pool after hours based on your community's policies! We hope that we can be a resource for your party needs this summer. Please call

our office or register online for Swim Lessons (registration begins May 1) and Pool Parties (reservations taken April 1). All policy, pricing and information for these programs can be found at www.A-BeautifulPools.com.

When you walk into one of our facilities you should expect the most qualified and well trained lifeguard & management staff in the city of Houston. Our lifeguards are trained to "proactively scan" their water, anticipating problem swimmers before a problem occurs. With frequent in-service training, emergency scenario testing and training by the American Red Cross, we know that our lifeguards will be ready in an emergency situation. A clean and orderly facility from top to bottom is also a top priority for our staff. We work hard to deliver a clean pool and spotless restrooms and furniture. If you ever find one of our staff members not delivering on that goal, please do not hesitate to contact the office staff directly.

We are also hiring lifeguards now for area subdivisions!
