Precinct 4 Constables Update

Over the past few weeks, the number of calls I've received asking for assistance with speeding vehicles in and around our neighborhoods has risen sharply. Of all the complaints received, driving too fast continues to rank at the top of the list. In fact, seldom does a day go by that I don't receive calls related to speeding. The worst part is that the majority of these are from residential areas. I'm going to reach out to everyone and ask that we slow down a bit.

We need to remember, we are smack in the middle of the summer heat, so more walkers and runners start their trek earlier in the morning or later in the evening to try and escape the sun. Unfortunately, visibility is not as good during these hours. This is also the time many folks are driving to and from work and sometimes aren't paying close attention to their surroundings.

I routinely speak with residents who call to complain about the person they saw trying to talk, text or something similar, all while trying to drive their car and causing the pedestrian to have to take evasive action to keep from getting hit. The news routinely reports about people who have been involved in vehicle crashes or auto pedestrian collisions because they were trying to multitask instead of concentrating on driving their vehicle.

We live in a fast paced environment that some say demands you get as much done as quickly as possible. For some, this means having a phone stuck to your ear or a laptop strapped to your hip at all times. With the advent of all this new technology, we have created an unsafe environment for drivers...even worse, for pedestrians. We can go on forever about all the distractions but at the end of the day, it is still up to the individual driver to be responsible for his or her actions. I ask that you please be conscious of your driving habits, observe speed limits, and always be aware of your surroundings.

The Precinct 4 Constables office will remain very proactive with traffic enforcement in the North area, especially within the neighborhoods. As our area grows both pedestrian and vehicular traffic will increase tremendously. No matter where you are, stop and take a deep breath and drive safely.

Klein ISD News

KLEIN ISD RECOGNIZES THE EFFORTS OF LOCAL CHAMBERS OF COMMERCE

Each Klein ISD high school and intermediate campus host freshman or sixth grade orientation activities in Aug. prior to the start of school on Monday, Aug. 26, 2013. Orientation allows both the students and parents to acclimate to every aspect of attending high school or transitioning to intermediate school. During the meetings, groups may tour the facility, get campus information, receive academic advisement, participate in activities, visit with various clubs, and get counseling advice about transitioning and more. For dates and times listed, [click here](#). For more information about the start of school, visit the Klein ISD Back to School webpage by [clicking here](#)

Normandy Forest Reminders

Park Reminders

- The park is open to residents from dawn to dusk.
- Help keep our park clean. Pick up after yourself when picnicking, and clean up after your pets.
- Keep your pet on a leash.
- The jogging trail is for walkers and joggers. Bikes are not allowed, as they create ruts in the trail. Please remind your children not to ride on the trail.
- If you see any suspicious persons or odd activity in the park or greater neighborhood, contact the constable at 281-376-3472. Add this number to your cell phone contact list for your convenience.

GOING ON VACATION?

Don't forget the Precinct 4 Constable's office offers protection for your home while you are on vacation. Go to http://www.cd4.hctx.net/online_forms.php?formID=vacation, and simply fill out the request form.

MUD BOARD MEETINGS

Meetings are held every fourth Tuesday of the month at 4:00 PM, at 3327 La MER in Normandy Forest. The meetings are open to all residents.

HOME OWNER ASSOCIATION MEETINGS

The September HOA Meeting will be held on Tuesday, September 17, 2013, at 7:00 pm, in the Normandy Forest Clubhouse. Watch for the signs throughout our neighborhood reminding you about the meeting. All residents of Normandy Forest are invited and encouraged to attend.

TRASH PICK UP

Trash is picked up twice a week, on Monday and Thursday mornings. Please remember to remove your trash can from the curb and out of the driveway by the evening on those respective days. Heavy Trash Pick Up Day is every second Friday of the month, only once a month.

HOMEOWNER ASSOCIATION ANNOUNCEMENTS

Jon Hopkins is our new Director at Large on the Homeowner Association Board. Jon is a financial analyst with an oil & gas pipeline company. He enjoys community service and is looking forward to getting to know more people in the neighborhood. Welcome, Jon! Valerie Overbeck is our new point of contact at Chaparral Management. Randy's Lawn Fertilization Schedule

**FOR SOUTHERN GRASSES INCLUDING:
ST.AUGUSTINE, BERMUDA AND ZOYSIA**

FERTILIZE - four times a year:

Late February-Early March - apply a simple 15-5-10 for an early green-up. Most companies that make slow-release fertilizers also make a non slow-release 15-5-10 that provides for a quick two-week green up before we get to the heart of the fertilizer schedule.

WARNING: Some people will be tempted to use a weed-and-feed at this time, but if you've been following the GardenLine herbicide schedule, there should never be a need. However, spot weed-and-feed treatments are recommended for those with turf-only landscapes or landscapes that have been established for many years. Most weed-and-feeds contain Atrazine which burns roots of young trees and shrubs.

Late March-Early April - apply slow-release 3-1-2 ratio fertilizers.
Recommended formulations:

19-4-10	Nitro Phos Super Turff
18-4-6	Fertilome Southwest Greenmaker
18-0-6	Fertilome's Zero Phosphate Formula
15-5-10	Southwest Fertilizer Premium Gold
20-0-10	Bonide Premium Lawn Food

Late June-Early July - apply slow-release 3-1-2 ratio fertilizers.
(recommended formulations 19-5-9, 19-4-10, 18-4-6, 15-5-10.)

October-November - apply winterizer formulas for winter hardiness. Ratios vary, but make sure they are "winter" or "fall" formulas designed for southern grasses.

(examples: 18-6-12, 8-12-16, 10-5-14) Will make lawns winter-hardy.

June-September - if turf grass looks yellow (chlorosis) or necrotic, use an application of either granular or liquid iron. Once a year should be enough.
