Using Swim Diapers Effectively Keep Them Covered

The swim season is upon us and we are looking forward to a successful year. One of the issues that we experienced quite a few times at the Residents East pool last year was the contamination of the pool with fecal matter. In all of those cases, the reason for the contamination was instances of young children being ill with loose stool.

Persons that have been suffering from this ailment should not visit the pools. Swim diapers will not contain the waste and the result will spread germs into the pool resulting in the closure of the facility for the remainder of that day. Some pathogens continue to be shed for up to two weeks following the end of the symptoms; therefore, Summerwood Community Association is requesting that residents wait two weeks after symptoms have subsided before visiting the pools.

It times of good health, precautions must be taken for young children that are not toilet trained. A swim diaper is required at all times and should be worn under a bathing suit. Swim diapers serve the purpose of containing solid waste. When not used properly, the swim diaper may not protect against water contamination. Please follow these guidelines below to ensure a safe swimming environment.

1. All children that are not toilet trained must wear a clean, permanent or disposable swim diaper.
2. Parents/caregivers must be diligent about promptly changing any soiled diapers.
3. Caregivers should wash their hands with soap and warm water after each diaper change.
4. A bathing suit must be worn over the diaper.
5. Children should be closely supervised by a parent or caregiver and diapers should be changed each time they become soiled.

While accidents cannot be avoided, if everyone follows these guidelines, we hope to have fewer pool closures.

Have a great summer!

Summerwood Arbor Day 2014

Beautification Committee,
*Judy Endris, Barbara Probandt,
and Doug Coenen*

The Summerwood Beautification Committee (SBC) hosted an Arbor Day event on April 26th with assistance of three Girl Scout Troops in the neighborhood. It was a HUGE SUCCESS and all 100 saplings were sold! Thank you to all who had purchased trees to plant in their yards, those who donated the saplings back to the community, Troop 9670, Troop 9668, Troop 9654, Spencer Company, CIA Services and the Beautification Committee.

Spencer Company allowed the beautification committee to purchase the saplings at cost, delivered the saplings to the community, and have arranged to help the three Girl Scout Troops plant the donated saplings within the community under their supervision. This really shows how committed Spencer Company is in giving back to Summerwood.

During the event the Girl Scouts made thank you cards for all who purchased the trees and many of them wrote about what Arbor Day and Earth Day meant to them. Of course they were all spectacular and can't all be published but a couple of the writings are included below. All of the writings are available for viewing on www.summerwoodlife.com website. It was a pleasure to see the younger generation involved with sustaining the beauty of our community and the earth.

Ally Lejarza (Troop 9668) wrote:

"Arbar Day is special because it's a day to save the earth. Without trees we would not be here trees make oxygen witch means we would be extinct help save the earth (and us) by planting trees."

Kenna Fuqua (Troop 9668) wrote:

"Arbor Day is specile to me. Without trees there would be no animals, people, or pretty sights. People & animals would not be here because the trees give free air/oxygen. The trees let kids climb and make pretty sights. That is why we need trees."

The beautification committee looks forward to future events. If you have suggestions for the Beautification Committee please feel free to forward them on to one of the members.

Summerwood Crime Watch Committee

Missy Steadman Elected Chairperson

The Summerwood CWC meets every 2nd Tuesday of the month at 7:00 at the central clubhouse and Summerwood residents are invited and encouraged to attend and participate in the evening. Both HPD and HCSO law enforcement officers are very often present to give updates on what is happening in Summerwood and what crimes might be on the rise in surrounding areas. After the crime reports are made by our officers, block captains and residents are given an opportunity to give information, ask questions, voice concerns, and meet the officers that protect us.

Michelle "Missy" Steadman was elected as chairperson of the Summerwood Crime Watch Committee at the March meeting. Missy, her husband, and their two children have been very active in many aspects of community life in the several years they have been residents and have a vested interest in the community well-being.

The CWC looks forward to yet another great year in our efforts to find solutions to problems, communicate and promote safety awareness in Summerwood, and provide relevant information.

Come by and take a peek at our new addition.

-The Summerwood Beautification Committee

Summerwood Welcomes a New Park

Many things have happened throughout our lives, our communities and our country that makes us reflect on our daily activities and reprioritize things within our lives. With this thought, the Summerwood Beautification Committee (SBC) has spent the past couple of years designing and coordinating with Spencer to build a new addition to Summerwood, Reflection Park.

We invite everyone to come by and take a moment to sit, relax and enjoy nature within our fine community. Reflection Park is located at Cannon Falls Lane off Hunters Lake Way at Darby Rose Lane. The park is still a work in progress, the SBC has some minor touches to incorporate; a sign, additional benches and a water feature to bring serenity to the area. Please be respectful of the area and others who what to reflect on nature and events in a quiet peaceful area. The park is also a wonderful place to allow the children to have some green space to play in.

FMC Breaks Ground In Generation Park

FMC Technologies Inc. recently announced purchase of 173 acres of land at Generation Park West, off the northeast corner of Beltway 8. FMC is a leading global provider of technology solutions for the energy industry. It was named by Fortune Magazine as the World's Most Admired Oil and Gas Equipment, Service Company in 2012. The Company has approximately 19,300 employees and operates 30 production facilities in 16 countries. FMC Technologies designs, manufactures and services technologically sophisticated systems and products such as subsea production and processing systems, surface wellhead systems, high pressure fluid control equipment, measurement solutions, and marine loading systems for the oil and gas industry.

The Houston-based oil and gas equipment company has pursued a rapid expansion plan in recent years and with the new land, FMC will have more flexibility and options as it assesses its future needs in the Houston area.

The official ground breaking event was held on May 2nd from

11:00- 1:00 with an overview of the Generation Park Concept presented by Ryan McCord, president of McCord Development. Also, dignitaries from FMC were introduced. In conclusion random attendees were selected in a drawing, given safety vests and hard hats, and allowed to dig for prizes.

Aquatic Advisors

Summerwood's New Pool Management Company

It's that time again! Summer is here and Aquatic Advisors would proudly like to introduce ourselves as the new pool management company. At Aquatic Advisors we take pride in keeping each community pool we manage safe, clean, and fun. We offer a broad range of services including swimming lessons, lifeguards for your pool parties, American Red Cross certifications and much more.

Our swim lesson program is level-based and starts beginners as young as three years old for group or private classes. Each level passed is rewarded with color coded bracelets to keep your child motivated! Swimming Sea Animals also offers "mommy and me" classes and adult swimming lessons. Registration for swim lessons are now open and can be found online at www.swimmingseanimals.com.

GuardHouston is our lifeguard branch which certifies and trains some of the best lifeguards in town. All lifeguards are American Red Cross certified in Lifeguard Training and CPR/First Aid. GuardHouston then trains each lifeguard in facility

management, customer service, and pool policies. We are now hiring for the 2014 summer, and applications can be found at www.GuardHouston.com.

Aquatic Advisors is also who residents need to call in order to have pool parties scheduled at the community pools. We require (1) one lifeguard for every (20) twenty party attendees (swimmers and non-swimmers) for during pool hour parties. There is a (4) guard minimum for parties outside of pool hours that are held at the Summerwood East pool. There is a (3) guard minimum for parties outside of pool hours that are held at the Central Pool. Pricing, registration forms, party policies and rules can be found online at www.aquaticadvisors.net/party.

Aquatic Advisors is looking forward to a great summer! We love to hear your feedback and comments so feel free to contact us anytime. All pool-related information and more can be found on our website at www.aquaticadvisors.net or give us a call at 713-609-9489

5 Ways to Make it Fun this Summer

As the heat index quickly moves up it's all too easy to let the Texas humidity get you down. Here are a few ideas to keep the family cool and inspired this summer.

Take a "stay-cation"

A new job, limited spending money, a large family, and many other factors can make it difficult to skip town. Who says you have to leave town to have a vacation? Load up the kids backpacks with water and treats and pretend you're a tourist in Houston.

Visit the Museum

Museums will not only get you out of the heat but they offer wonderful fun learning opportunities for you and the kids. Check out the Houston Museum of Natural Science, The Museum of Fine Arts, the Children's Museum of Houston, and more.

Host a Potluck BBQ

Summer is a great time to gather your loved ones

and meet your neighbors. Relieve some of the stress of preparing a meal for everyone by making it a Potluck gathering. Enjoy the limited time we have to relax poolside with family and friends and don't forget the Blue Bell ice-cream!

Beach Time!

Go to the beach. Galveston is right out our back door. Stop at your local store before heading out to fill the coolers with food and water. Even if you're not a raving fan of saltwater there's something soothing about the ocean. Look at the sun's reflection on the ripples. Water has a soothing effect on the mind and body.

Dinner Under the Stars

We have a number of great local restaurants that have rooftop bar and patios. Make it a date and enjoy the night with your loved one. There's something about the night air and the right person that makes summer nights magical.
