LATE REGISTRATION

There will be NO LATE REGISTRATION. Unfortunately, our size has dictated a more strict approach to registration cut-off in order to handle all of the administrative duties and preparation necessary to start the season.

GETTING INVOLVED

Lastly, I would like to invite everyone to find a way to take part in your sports association. FSA is a volunteer organization and could use your help to provide the best facilities around. There are jobs ranging from helping with try-outs, opening day help, field maintenance, and concessions duty. We hope you familiarize yourself with the Baseball and Softball Committees via our website and reach out to committee members to see how you can help.

Three areas needing the most help are baseball committee, nightly field maintenance and concessions. These are opportunities to not only get involved and meet great people, but most of all contribute to making Fairfield one of the best places around for our kids to play sports!!!

On behalf of the Fairfield Sports Association and the Baseball/Softball committee members, I would like to thank you for all your support.

GARY GREENE

As autumn brings cooler temperatures, it also signals the arrival of another seasonal display – falling leaves!

While Take Care of Texas encourages you to plant shade trees to help lower your utility bills in the summer, these deciduous trees lose their leaves in the fall. Instead of raking and bagging them, where they will head to a landfill, put them back into your lawns and gardens as a valuable source of mulch and fertilizer.

Leaves contain 50 to 80 percent of the nutrients a plant extracts from the soil and air during the season. Grass clippings, leaves, and other yard debris make up 20 percent of the trash sent to landfills each year. It costs Texans over \$250 million a year to collect and dispose of this waste.

There are four basic ways to manage leaves and use them in landscaping:

Mowing: a light covering of leaves can be mowed, simply leaving the shredded leaves in place on the lawn. This technique is most effective when a mulching mower is used.

Mulching: a lawn mower with a bagging attachment provides a fast and easy way to shred and collect the leaves. Apply a three to four inch layer of shredded leaves around the base of trees and shrubs. A two to three inch mulch of shredded leaves is ideal for flowerbeds. For vegetable gardens, a thick layer of leaves placed between the rows functions as a mulch and an all-weather walkway that will allow you to work in your garden during wet periods.

Composting: in addition to leaves, other yard wastes such as grass clippings, pine needles, weeds, and small prunings can be composted. Compost can serve as a soil conditioner that nourishes your yard and reduces the need for outdoor watering up to 60 percent.

Soil improvement: leaves may be collected and worked directly into garden and flowerbed soils. A six to eight inch layer of leaves tilled into a heavy, clay soil will improve aeration and drainage. The same amount tilled into a light, sandy soil, will improve water and nutrient holding capacity.

Fifth Annual Cypress Hoops Invitational

The Cy-Fair Educational Foundation is gearing up for their highly anticipated Cypress Hoops Invitational Tournament to be held for the fifth year December 11 through 13, 2014. Twenty-four high school varsity level teams, including those from Cy-Fair ISD and outside the district, will compete over the three-day event at various high schools with the championship games held at the Berry Center. This year's tournament is underwritten by North Cypress Medical Center Hospital.

"Teams from the Dallas area and the San Antonio area will be traveling to Houston for the event," said Teresa Hull, event co-chair. "This is so exciting because it means that word has gotten out about the high level of organization and quality of our tournament. This will help us continue to build state recognition and gives us great potential to grow," she said.

New this year will be family fun activities including face painting, balloon animals and much more. Northwest Dodge will once again be sponsoring a chance to win a car during the championship game on December 13, 2014 at the Berry Center.

The tournament was started by community member Eric Burg and modeled after an extremely successful tournament held in Pasadena. Burg, who played basketball in Cy-Fair ISD, wanted a way to showcase the talent and facilities in Cy-Fair ISD and the tournament grew from there.

In a nail bitter championship game between Galena Park North Shore and Plano West last year, North Shore pulled ahead and won the tournament. "These games are so fun to watch," said Teresa. "We are hoping to attract many spectators to cheer for the kids since ticket prices are so reasonable (just \$2.00 for students and \$3.00 for adults or a family fun pass for \$8). We want a lot seats in the seats!" she said.

Last year the tournament raised \$18,750.02. All proceeds raised through entry fees, t-shirt sales, game tickets and sponsorships will be used for innovative staff development programs for district teachers and instructional leaders and for scholarships for deserving high school seniors. For more information about ways to participate, contact Marie Holmes at 281-807-3591 or marie@thecfef.org.
