Candidates should have a background, experience or knowledge in residential construction, architecture, or engineering.

The review, processing and approval process is facilitated via an on-line system which minimizes the need for face-to-face ARC meetings. These committee members provide a valuable service to the Longwood Community. Please consider this opportunity and contact Rachel Richmond, Longwood Village Community Manager at PMG, to answer any questions you may have about this role. Fifth Annual Cypress Hoops Invitational

The Cy-Fair Educational Foundation is gearing up for their highly anticipated Cypress Hoops Invitational Tournament to be held for the fifth year December 11 through 13, 2014. Twenty-four high school varsity level teams, including those from Cy-Fair ISD and outside the district, will compete over the three-day event at various high schools with the championship games held at the Berry Center. This year's tournament is underwritten by North Cypress Medical Center Hospital.

"Teams from the Dallas area and the San Antonio area will be traveling to Houston for the event," said Teresa Hull, event co-chair. "This is so exciting because it means that word has gotten out about the high level of organization and quality of our tournament. This will help us continue to build state recognition and gives us great potential to grow," she said.

New this year will be family fun activities including face painting, balloon animals and much more. Northwest Dodge will once again be sponsoring a chance to win a car during the championship game on December 13, 2014 at the Berry Center.

The tournament was started by community member Eric Burg and modeled after an extremely successful tournament held in Pasadena. Burg, who played basketball in Cy-Fair ISD, wanted a way to showcase the talent and facilities in Cy-Fair ISD and the tournament grew from there.

In a nail bitter championship game between Galena Park North Shore and Plano West last year, North Shore pulled ahead and won the tournament. "These games are so fun to watch," said Teresa. "We are hoping to attract many spectators to cheer for the kids since ticket prices are so reasonable (just \$2.00 for students and \$3.00 for adults or a family fun pass for \$8). We want a lot seats in the seats!" she said.

Last year the tournament raised \$18,750.02. All proceeds raised through entry fees, t-shirt sales, game tickets and sponsorships will be used for innovative staff development programs for district teachers and instructional leaders and for scholarships for deserving high school seniors. For more information about ways to participate, contact Marie Holmes at 281-807-3591 or marie@thecfef.org.
