FUN, FAIR, POSITIVE SOCCER Let the Kids Play!

In 1986, a group of parents in Katy felt there had to be a better way to provide every youth soccer player a positive experience. They saw the main problem as parents who put too much pressure on the kids to perform. They developed a system so the kids could play and enjoy the sport without demands from adults. They modified the rules and designed a process of 5-side rules, equal play with a unique equal substitution system, balanced teams, and parent training to ensure that it would be fair. It would be truly "Made for Kids".

Thus Fun-Fair-Positive Soccer (FFPS) was founded in the spring of 1986, by Jack Hendrie and several parents, to establish a positive environment for youth soccer players. The first season of the Katy youth soccer league registered 150 players. In 1995, Jack decided to expand beyond Katy. FFPS has added 21 additional programs in the last 24 years totaling over 16,000 players, with 25,000 players expected by 2016. FFPS is sure to have a youth soccer community near you. Just enter your zip code on the website at www.FFPS.org and find it on the map.

Pet of the Month

meet Sara

Sara was thrown over our fence at our boarding facility, so we have no history on her. She is the sweetest Mini-Poodle you will ever meet! She seems to be around 7-8 years old (12 lbs). We got her spayed, up to date on shots, microchipped and she is heart worm negative. She seems to be completely blind, as you can see from her pictures, her eyes are white. She is the sweetest dog you will ever meet!! She loves to sit in your lap, she loves to be held. She gets around great for her vision being compromised. When she bumps into something she just wags her tail. She is so gentle. Call or email us to meet her.
