Shield Bearer's Mother Daughter Strong 2015

Moms and daughters enjoyed a fun and energizing morning of fitness and connection with Shield Bearer's Mother Daughter Strong 2015. Mother Daughter Strong event was created as a way for moms and daughters to celebrate their relationship, find support and encouragement, explore new habits and conversations, and have fun!

Shield Bearer Executive Director Roy Wooten stated, "What we noticed in counseling adolescent girls and women is that too frequently they are living out of negative images of themselves, physically, emotionally, and in every way. We wanted to create an experience for women and girls before they need our services." Shield Bearer staff and volunteers encouraged attendees to embrace the positive, to see their beauty through God's eyes, and to work on building strength in four key areas: physically, emotionally, mentally, and spiritually.

Attendee and mom, Leslie McKeand said, "What I liked most about Mother Daughter Strong was being able to connect with my daughter in a new and different way. We were able to start a conversation about things that are important, like loving ourselves. Getting teenagers to open up about their feelings and express love for themselves is important as they start spending more time with outside influences like friends and social media. It was a great reminder to keep having those conversations."

Event sponsor Sara Quinnett of Sara Jane Photography agrees that taking the time to connect is important in mother daughter relationships. "I was excited for the opportunity to capture memories for these beautiful women to hold onto. This life gets so busy with

school, work, and a host of other distractions that sometimes you just need to sit back and spend time with your girl! There's no stronger bond than the love a mother has for her daughter. I wanted to be a part of showing that love through this event!"

Shield Bearer, a 501c3 nonprofit charity and a lead agency in the movement for healthy marriages, families, and communities, provides hope and healing to thousands each year including human trafficking survivors, homeless women and children, victims of crime and abuse, veterans and their families, and struggling marriages and families. Shield Bearer Associate Director Melissa Rotholz states, "We want to do all we can for the families in our community. We are dedicated to providing healthy ways for families to communicate, heal, and grow closer. Mother Daughter Strong is a wonderful way to support this mission. We are so happy to have partnered with Life Path Church and P31 fitness for an awesome experience for moms and daughters."

For more information about how to bring Mother Daughter Strong to your church or social group, visit shieldbearer.org or contact Melissa at events@shieldbearer.org or (281) 894-7222.

2nd annual Zambia Orphan Run/Walk Fundraiser

Submitted by Andrew and Graceann DeVlieger

Please join us for the 2nd annual Zambia Orphan Run/Walk Fundraiser Saturday, November 14th at Harris County Deputy Darren Goforth Park (formerly Horsepen Creek Park) in Houston. The goal of the race is to help raise \$110,000 to build a house in Zambia, Africa for 12 young orphan children my wife and I met two summers ago, currently living in extreme poverty and in the slums. We have already raised \$77k and are hoping this event finalizes our 14 month fundraising journey. Prizes/medals awarded to age division winners. Event features chip timing and Jimmy John's sandwiches and quality custom t-shirts will be distributed. Event also includes silent auction and opportunity to purchase gift cards at 80% of face value. 100% of the proceeds benefit these orphan kids, via the non-profit, Christian Organization we are associated with called Family Legacy Missions International. Address to the event is 9118 Wheat Cross Dr. Houston, TX 77095. This four mile race starts at 9:00 a.m. and registration will be available from 7:30 - 8:45 a.m on race day. To pre-register, please visit www.zambiaorphanrun.com. Walkers and furry friends are more than welcome :)

My wife Graceann and I traveled to Lusaka, Zambia (Africa) in July of 2014 with Family Legacy to love on orphan children and our lives and hearts were forever changed. The Tree of Life Children's Village, located just outside the capital city of Lusaka, Zambia is a 130-acre community of homes for orphaned children, designed to be a haven of hope and healing. My wife and I's vision is to build an additional house in this village that will serve as a refuge and a loving Christian home for 12 additional orphan children, who currently live in the slums.

The children that move into this village come from the most severe backgrounds of extreme poverty, abuse and neglect. Some are HIV positive, while others come from child-headed households. 17% of all children in Zambia die before their 5th birthday and 65% of the population lives on less the \$1.25 a day. None of these kids chose their state in life, but now each of them must somehow try to exist in it.

Children at the Tree of Life receive both the educational and spiritual development that will dramatically transform their future. Kids here are provided first class education through highly qualified teachers and exceptional curriculum, equipping these children to become the future leaders of their country. Full-time pastors build on this by teaching the Word of God and encouraging the children in their faith.

Our desire is to cast visions into the lives of these kids so they can become all that God intended them to be. Top-notch education, discipleship and counseling are daily fixtures in their lives. In this village, children have the chance to do what most kids in Zambia have never done before: just be kids. Please help us in making our vision a reality! www.zambiaorphanrun.com
